उपभोक्ता मामले, खाद्य और सार्वजनिक वितरण मंत्रालय

(उपभोक्ता मामले विभाग)

नई दिल्ली, 4 जुलाई, 2011.

का.आ. 2035.—केन्द्रीय सरकार का, विहित प्राधिकारी द्वारा उसे प्रस्तुत रिपोर्ट पर विचार करने के पश्चात् यह समाधान हो गया है कि उक्त रिपोर्ट में वर्णित मॉडल (नीचे दी गई आकृति देखें) बाट और माप मन्त्रक अधिनियम, 1976 (1976 का 60) तथा बाट और माप मानक (मॉडलों का अनुमोदन) नियम, 1987 के उपबंधों के अनुरूप है और इस बात की संभावना है कि लगातार प्रयोग की अवधि में भी उक्त मॉडल यथार्थता बनाए रखेगा और विभिन्न परिस्थितियों में उपयुक्त सेवा प्रदान करता रहेगा;

अतः अब केन्द्रीय सरकार, उक्त अधिनियम की धारा 36 की उप-धारा (7) और उप-धारा (8) द्वारा शक्तियों का प्रयोग करते हुए मैसर्स जय दुर्गा स्केल कोरपोरेशन, V-479/6, गली नं.1, विजय पार्क, मौजपुर, दिल्ली-110053 द्वारा विनिर्मित उच्च यथार्थता (यथार्थता वर्ग-II) वाले 'जेडीटी' शृंखला के अंकक सूचन सहित अस्वचालित तोलन उपकरण (टेबलटाप टाइप) के मॉडल का, जिसके ब्राण्ड का नाम "टेक्सला" है, (जिसे इसमें इसके पश्चात् उक्त मॉडल कहा गया है) और जिसे अनुमोदन चिह्न आई एन डी/09/11/103 समनुदेशित किया गया है, अनुमोदन प्रमाण पत्र जारी करती है।

उक्त मॉडल एक विकृत गेज प्रकार का भार सेल आधारित अस्वचालित तोलन उपकरण (टेबलटाप प्रकार) है। इसकी अधिकतम क्षमता 30 कि.ग्रा. है और न्यूनतम क्षमता 100 ग्रा. है। सत्यापन मापमान अन्तराल (ई) 2 ग्रा. है। इसमें एक आधेयतुलन युक्ति है जिसका शत प्रतिशत व्यकलनात्मक धारित आधेयतुलन प्रभाव है। प्रकाश उत्सर्जक डायोड (एल ई डी) प्रदर्श तोलन परिणाम उपदर्शित करता है। उपकरण 230 वोल्ट और 50 हर्ट्ज प्रत्यावर्ती धारा विद्युत प्रदाय पर कार्य करता है।

आकृति -2 मॉडल को सीलिंग करने का योजनाबद्ध डायग्राम

डिस्पले की बाड़ी में से सीलिंग वायर निकाल कर डिस्पले पर सीलिंग की जाती है। सील के साथ जुड़े हुए डिस्पले के बेस प्लेट और टॉप कवर में बने दो छेदों में से सीलिंग वायर निकाल कर सील से जोड़ा गया है। मॉडल को सीलबंद करने के उपबंध का एक प्ररूपी योजनाबद्ध डायग्राम उपरोक्त दिया गया है।

उपकरण में बाहरी केलिब्रेशन तक पहुंच की सुविधा है। बाहरी केलिब्रेशन तक पहुंच को रोकने के लिए ए/डी कार्ड/मदर बोर्ड में डिप स्विच भी दिया गया है।

और केन्द्रीय सरकार उक्त अधिनियम की धारा 36 की उप-धारा (12) द्वारा प्रदत्त शक्तियों का प्रयोग करते हुए यह घोषणा करती है कि उक्त मॉडल के अनुमोदन के इस प्रमाणपत्र के अंतर्गत उसी विनिर्माता द्वारा उसी सिद्धांत, डिजाइन के अनुसार और उसी सामग्री से जिससे उक्त अनुमोदित मॉडल का विनिर्माण किया गया है, विनिर्मित उसी शृंखला के वैसे ही मेक, यथार्थता और कार्यपालन के तोलन उपकरण भी होंगे जो 1 मि.ग्रा. से 50 मि.ग्रा. तक के "ई" मान के लिए 100 से 100,000 तक के रेंज में सत्यापन मापमान अंतराल (एन) और 100 मि.ग्रा. या उससे अधिक के "ई" मान के लिए 5000 से 100,000 तक की रेंज में सत्यापन मापमान अंतराल (एन) सहित 50 कि.ग्रा. तक की अधिकतम क्षमता वाले हैं और "ई" मान $1 \times 10^*$, $2 \times 10^*$ या $5 \times 10^*$ के हैं, जो धनात्मक या ऋणात्मक पूर्णांक या शून्य के समतुल्य हैं।

MINISTRY OF CONSUMER AFFAIRS, FOOD AND PUBLIC DISTRIBUTION

(Department of Consumer Affairs)

New Delhi, the 4th July, 2011

S.O. 2035.—Whereas the Central Government, after considering the report submitted to it by the prescribed authority, is satisfied that the Model described in the said report (see the figure given below) is in conformity with the provisions of the Standards of Weights and Measures Act, 1976 (60 of 1976) and the Standards of Weights and Measures (Approval of Models) Rules, 1987 and the said model is likely to maintain its accuracy over periods of sustained use and to render accurate service under varied conditions;

Now, therefore, in exercise of the powers conferred by sub-sections (7) and (8) of Section 36 of the said Act, the Central Government hereby issues and publishes the certificate of approval of the model of non-automatic weighing instrument (Table top type) with digital indication of high Accuracy (Accuracy class -II) of Series "JDT" and with brand name "TEXLA" (hereinafter referred to as the said Model), manufactured by M/s. Jai Durga Scale Corporation, V-479/6, Gali No 1, Vijay Park Maujpur, Delhi- 110053 and which is assigned the approval mark IND/09/11/103;

The said model is a strain gauge type load cell based non-automatic weighing instrument (Table Top type) with maximum capacity of 30 kg. and minimum capacity of 100 g. The verification scale interval (e) is 2g. It has a tare device with a 100 percent subtractive retained tare effect. The Light Emitting Diode (LED) indicates the weighing results. The instrument operates on 230 Volts, 50 Hertz alternative current power supply.

Figure-1 Model

Figure-2 Schematic Diagram of sealing provision of the model

Sealing is done on the display by passing sealing wire from the body of the display. The seal is connected by whole in base plate & top cover of display, than seal wire is passed through these two holes attached with seal. A typical schematic diagram of sealing provision of the model is given above.

The instrument has external control to calibration. A dip switch has also been provided in A/D card/mother board to disable access to external calibration.

Further, in exercise of the powers conferred by sub-section (12) of section 36 of the said Act, the Central Government hereby declares that this certificate of approval of the said Model shall also cover the weighing instruments of similar make, accuracy and performance of same series with maximum capacity upto 50 kg. with verification scale interval (n) in the range of 100 to 10000 for 'e' value of 1mg to 50mg and with verification scale interval (n) in the range of 5000 to 10,000 for 'e' value of 100mg. or more and with 'e' value of 10^k , 2×10^k or 5×10^k , where k is a positive or negative whole number or equal to zero, manufactured by the same manufacturer in accordance with the same principle, design and with the same materials with which, the said approved Model has been manufactured.

का.आ. 2037.—केन्द्रीय सरकार का, विहित प्राधिकारी द्वारा उसे प्रस्तुत रिपोर्ट पर विचार करने के पश्चात् यह समाधान हो गया है कि उक्त रिपोर्ट में वर्णित मॉडल (नीचे दी गई आकृति देखें) बाट और माप मानक अधिनियम, 1976 (1976 का 60) तथा बाट और माप मानक (मॉडलों का अनुमोदन) नियम, 1987 के उपबंधों के अनुरूप है और इस बात की संभावना है कि लगातार प्रयोग की अवधि में भी उक्त मॉडल यथार्थता बनाए रखेगा और विभिन्न परिस्थितियों में उपयुक्त सेवा प्रदान करता रहेगा;

अतः अब केन्द्रीय सरकार, उक्त अधिनियम की धारा 36 की उप-धारा (7) और उप-धारा (8) द्वारा शक्तियों का प्रयोग करते हुए मैसर्स एकोना इंजीनियरिंग प्रा. लि., खसरा नं. 200, गांव रायपुर, पोस्ट-भगवानपुरा, जिला-हरिद्वार, उत्तराखण्ड द्वारा विनिर्मित यथार्थता वर्ग 2 वाले "एकोना-6" शृंखला के डिस्कॉन्टिन्युअस टोटलाइजिंग स्वचालित तोलन उपकरण (टोटलाइजिंग हुपर व्हीयर) अंकक सूचन सहित, के मॉडल का, जिसके ब्रांड का नाम "एकोना-हाइकॉन" है (जिसे इसमें इसके पश्चात् उक्त मॉडल कहा गया है) और जिसे अनुमोदन चिह्न आई एन डी/09/11/03 समनुदेशित किया गया है, अनुमोदन प्रमाण-पत्र जारी करती है।

उक्त मॉडल एक विकृत गेज प्रकार का भार सेल आधारित डिस्कॉन्टिन्युअस टोटलाइजिंग स्वचालित तोलन उपकरण (टोटलाइजिंग हुपर व्हीयर) है। इसकी अधिकतम क्षमता 500 कि.ग्रा. है और न्यूनतम क्षमता 10 कि.ग्रा. है। मापमान अंतराल (डी) 100 ग्रा. है। एल सी डी/एल ई डी तोल परिणाम सूचित करता है। उपकरण 230 वोल्ट और 50 हर्ट्ज प्रत्यावर्ती धारा विद्युत प्रदाय पर कार्य करता है।

आकृति-2 उपकरण के मॉडल का सीलिंग प्रावधान

स्केल की बाडी के होल्स में से सीलिंग वायर निकाल कर सीलिंग की जाती है। मॉडल को सीलबंद करने के उपबंध का एक प्ररूपी योजनाबद्ध डायग्राम उपर दिया गया है।

उपकरण में बाहरी केलिब्रेशन तक पहुंच की सुविधा है। बाहरी केलिब्रेशन तक पहुंच को रोकने के लिए ए/डी कार्ड/मदर बोर्ड में डिप स्विच भी दिया गया है।

और केन्द्रीय सरकार उक्त अधिनियम की धारा 36 की उप-धारा (12) द्वारा प्रदत्त शक्तियों का प्रयोग करते हुए यह घोषणा करती है कि उक्त मॉडल के अनुमोदन के इस प्रमाण-पत्र के अंतर्गत उसी विनिर्माता द्वारा उसी सिद्धांत, डिजाइन के अनुसार और उसी सामग्री से जिससे उक्त अनुमोदित मॉडल विनिर्माण किया गया है, विनिर्मित उसी शृंखला के वैसे ही मेक, यथार्थता और कार्यपालन के तोलन उपकरण भी होंगे जो 5 ग्रा. या उससे अधिक के "ई" मान के लिए 500 से 10,000 तक की रेंज में सत्यापन मापमान अंतराल (एन) सहित 50 कि.ग्रा. से 5000 कि.ग्रा. तक की अधिकतम क्षमता वाले हैं और "ई" मान 1×10^3 , 2×10^3 और 5×10^3 , के हैं, जो धनात्मक या ऋणात्मक पूर्णांक या शून्य के समतुल्य हैं।

New Delhi, the 5th July, 2011

S.O. 2037.—Whereas the Central Government, after considering the report submitted to it by prescribed authority, is satisfied that the model described in the said report (see the figure given below) is in conformity with the provisions of the Standards of Weights and Measures Act, 1976 (60 of 1976) and the Standards of Weights and Measures (Approval of Models) Rules, 1987 and the said model is likely to maintain its accuracy over periods of sustained use and to render accurate service under varied conditions;

Now, therefore, in exercise of the powers conferred by sub-sections (7) and (8) of Section 36 of the said Act, the Central Government hereby issues and publishes the certificate of approval of the model of Automatic weighing instrument Discontinuous Totalizing Automatic weighing instrument (Totalizing Hopper Weigher) with digital indication of Accuracy class-2 of series “AKONA-6” and with brand name “AKONA-HYCON” (hereinafter referred to as the said Model), manufactured by M/s. Akona Engineering Pvt. Ltd. Khasra No. 200, Village-Raipur, Post-Bhagwanpura, Distt. Haridwar, Uttarakhand and which is assigned the approval mark IND/09/11/03;

The said model is a strain gauge type load cell based Automatic weighing instrument Discontinuous Totalizing Automatic weighing instrument (Totalizing Hopper Weigher) with a maximum capacity of 500 kg. and minimum capacity of 10 kg. The scale interval (d) is 100g. The LCD/LED display indicates the weighing results. The instrument operates on 230 Volts and 50 Hertz alternative current power supply.

Figure-3 Sealing Diagram of the sealing provision of the Model.

Sealing is done by passing sealing wire from the body of the scale through holes. A typical schematic diagram of sealing provision of the model is given above.

The instrument has external control to calibration. A dip switch has also been provided in A/D card/mother board to disable access to external calibration.

Further, in exercise of the power conferred by sub-section (12) of Section 36 of the said Act, the Central Government hereby declares that this certificate of approval of the said model shall also cover the weighing instruments of similar make, accuracy and performance of same series with capacity from 50 kg. and up to 5000 kg. with verification scale interval (n) in the range of 500 to 10,000 for 'e' value of 5g. or more and with 'e' value of 1×10^k , 2×10^k , or 5×10^k , where k is a positive or negative whole number or equal to zero manufactured by the same manufacturer in accordance with the same principle, design and with the same materials with which, the said approved model has been manufactured.

Distt. Bilaspur (MP).

AWARD

(Dated : 29th June, 2011)

In exercise of the powers conferred by clause (d) of sub-section (1) and sub-section 2(A) of Section 10 of Industrial Disputes Act, 1947 (14 of 1947) ("the Act" in short), the Central Government has referred the industrial dispute between the employers, in relation to the

management of the Chief General Manager, SECL and their workman, Shri Prem Das for adjudication, as per letter No. L-22012/571/99-IR (CM-II) dated 27-7-2000, with the following schedule :—

"Whether the action of the management of Gevra Area of SECL in denying promotion to Shri Prem Das in different clerical grades at par with his junior Sh. Shamshad Khan and others is justified? If not, to what relief the workman is entitled?"

On receipt of the reference, notices were issued to the parties to file their respective statement of claim and written statement, in response to which, the workman, Shri Prem Das ("the workman" in short) filed his statement of claim through the union and the management of SECL ("the Party No.2" in short) filed their written statement.

The case of the workman as presented in the statement of claim is that he was appointed as a general mazdoor category-I on 2-11-80 and he is the Vice-President of CKKM union and as the party No. 2 did not give recognition to their union, case No. 202/95 is pending before the CGIT, Jabalpur for the same and for that the officers of party No. 2 are against him and the officers used to harass him in different manners and Coal India Limited circulated implementation instruction No. 34 dt. 17-7-94 announcing cadre scheme for the Clerks working in Coal India and its associates company like SECL with immediate effect and in that cadre scheme, prescribed the educational qualification, experience in service and other criteria for promotion to higher clerical posts and according to the said cadre scheme, he should have been promoted to Clerk Grade-II on 17-7-87 and to Clerk Grade-I from 17-7-90 and to clerk special grade from 17-7-95 and even though he was appointed as General Mazdoor category-I on 2-11-80, he was working as clerk trainee and 30-9-84, he was posted at Gevra project and the work of DMPF and Bill Clerk was extracted from him but he was neither designated nor promoted as a Clerk and recommendation of the then Chief Personnel Manager, Korba to give him promotion as Clerk Grade-III from 1-1-85 was not considered by the Sub Area Manager, Gevra and juniors to him were given promotions and only on 2-2-86, he was promoted to Clerk Grade-III, whereas, Shamshad Khan and four others, who were much junior to him in the general mazdoor category-I, by office order dt. 14-8-84 were appointed as Clerk Trainee and without completion of one year of training, by order dated 15-12-85, they were regularized as Clerk Grade-III, w.e.f. 1-2-85 and as he raised strong protest against such promotions, the party No. 2 made false allegations against him about remaining unauthorized absence on 5-2-89 and issued a charge sheet against him and suspended him w.e.f. 15-2-89 and after keeping him under suspension for five months, vide order dt. 22-6-89 allowed him to resume duty and in the departmental enquiry, the allegations levelled against him was found to be false. The further case of the

workman is that party No. 2 by defying the instructions of the cadre scheme, gave promotion to Shamshad Khan and others as Clerk Grade-II on 18-9-86 and to clerk Grade-I on 23-1-90 and after a long delay on 28-2-92, he was promoted as Clerk Grade-II and being aggrieved by the action of the party No. 2, he filed Writ M.P. No. 3880/92 before the Hon'ble High Court, Jabalpur and in that writ, the Chief General Manager on 1-1-94, gave undertaking to give him promotion as Clerk Grade-III w.e.f. 1-4-85 and to give him further promotions as per his juniors and to pay 50% of the arrears of pay, so, the said writ was disposed of accordingly and the Sub Area Manager, Gevra Sub Area by letter dt. 1-10-94 intimated him that due to pendency of the writ before the Hon'ble High Court, it was not possible to consider the matter of his promotion, so on 15-11-94, he withdrew the writ No. 3880/92 and filed the certified copy of the said order and thereafter, on 30-4-95, as per rule 58 of the Industrial Disputes (Central) Rules the management of party No. 2 entered into an agreement with him in Form No. H with the conditions that he would be given promotion as Clerk Grade-III w.e.f. 1-4-85 as Clerk Grade-II w.e.f. 18-9-86 and as Clerk Grade-I w.e.f. 23-1-90 and such promotions would be taken effect immediately and to make payment of 50% of the arrear salary within two months and he should be bound by such agreement and neither he himself nor his union would raise any dispute about such settlement and by such settlement, all the disputes between the parties would be deemed to be finally settled and resolved and by such settlement, he was made equal with his juniors, but the Sub Area Manager of Gevra Sub Area with mala fide intension denied to implement the settlement and kept him as a Clerk Grade-II, so, he again approached the Hon'ble High Court of Jabalpur to get the benefits of settlement in writ petition No. 2522/95 and vide order 1-1-97 of the management, he was promoted as Clerk Grade-I, whereas, his juniors, namely Shamshad Khan, Malik Ram, Liladevi, Jamna Prasad and others were promoted from Clerk Grade-I to Clerk Special Grade and vide order dt. 29-7-98 and their promotions were in violation of the conditions of the cadre scheme and the Deputy Chief Personnel Manager, Gevra Area ordered to regularize him as Clerk Grade-III w.e.f. 1-4-85, as Clerk Grade-II from 18-9-86 and as Clerk Grade-I from 23-1-90 and to make payment of 50% of arrears of salary and directed him to withdraw writ petition 2522/95 and to sign the new settlement and he was pressurized to sign the new settlement in Form No. H but he did not agree to sign the new settlement and wrote a letter to the Union intimating that as Shamshad Khan and other had been promoted as Clerk Special Grade on 1-1-97 he is not willing to sign the agreement though the same is just like the agreement dt. 30-4-95 and he requested the management to give him promotion as Clerk Special Grade w.e.f. 1-1-97 and to implement the settlement dt. 30-4-95 and to pay the salary of Clerk Grade-I w.e.f. 1-5-95 to clear the payment of 50% of arrears of pay but the management did not agree for the same and stopped the payment salary from August, 1998 and an indirect punishment and he filed an application before the Hon'ble Court in Writ No. 2522/1995 with a prayer

to give him clarification in regard to the settlement dt. 30-4-95 and during hearing of the petition, it was submitted by the management that the order dt. 29-7-98 was in regard to settlement dated 30-4-95 and he had been given promotions as Clerk Grade-III, Grade-II and Grade-I w.e.f. 1-4-85, 18-9-86 and 23-1-90 respectively and he would be paid 50% of the arrear salary till 30-4-95 and would be get full salary of clerk grade I thereafter and accordingly, the Hon'ble Court disposed off the writ. It is also pleaded by the workman that he was engaged in excavation section from 1-8-98 to the December, 1998 without pay and thereafter by order dt. 31-12-98 he was posted to safety (mines) office and being aggrieved by such action, he gave a notice on 13-1-99 to commits suicide and demanded to implement settlement dt. 30-4-95, to pay the salary from August, 1998 to December, 1998, to give him promotion to clerk special grade w.e.f. 1-1-97 at par with Shamshad Khan and other and to give him due recognition and facilities like the office bearers of other union but the management only started giving him pay of Clerk grade-I from January, 1999, but did not take any step for payment of the arrear salary and project mining engineer by his letter dated 6-2-99 intimated him that his letter dt. 13.1.99 is not liable to be considered on the ground that the same was without any basis and unconstitutional, so, he filed the contempt petition No196/99 in WP 2522/95 before the Hon'ble High Court and on receipt of notice from Hon'ble Court, the management made payment of all his dues. The workman has prayed to give him promotion from Clerk Grade-I to Clerk Special Grade w.e.f. 1-1-97, as par with Shamshad Khan and 13 others.

4. The party No 2 in its written statement pleaded inter-alia that the contentions of the affidavit are false and baseless and the workman claiming himself to be self styled Vice-President of CKKMU, a local craft union is indulging in false and frivolous cases for self enrichment, by abusing the process of law and the workman had instituted eight cases, out of which, three cases are still pending and the cadre scheme as per II 34 dt. 17-7-84 stipulates the minimum eligibility criteria for consideration of an employee in DPC for promotion and promotion is to be effected subject to availability of vacancy, seniority and merit etc. and cadre scheme does not lay down any unfettered right either to the workman or any other employee to get promotion without fulfilling the formalities immediately on completion of minimum eligibility criteria prescribed in the cadre scheme and the workman was not working as clerk grade-II from 2-11-80 and he was initially appointed as a casual loader on 2-11-80 and later on he was regularized as a general mazdoor category-I and on his request, he was transferred from Banki Colliery of Korba area to Gevra project and Shamshad Khan and four others were working as clerk trainee by selection, on the recommendation of a duly constituted departmental selection committee as per office order No18716-26 dt. 14-6-84 and the workman is not senior to Shamshad Khan and others, for the reason that they were working as Munshi Trainee from 14-6-84 i.e. much prior to the joining of the workman in Gevra Project and having been working and promoted as Clerk Grade-III

earlier than the workman, Shamshad Khan and other were given subsequent promotions in due time as per cadre scheme and due to the persuasion of Shri Ramvilash, General Secretary of the union of the workman, the then Director, Personnel of SECL, Bilaspur was pleased to consider the case of the workman sympathetically, resulting in entering into F-H settlement, which provided promotion to the workman as Clerk Grade-III w.e.f. 1-4-85, as Clerk Grade-II from 18-9-86 and as clerk Grade-I w.e.f. 23-1-90 and it has fulfilled its parts of obligation in the settlement and the present dispute is against the terms and spirit of the settlement and the non-implementation of the settlement was due to the non-cooperation of the workman and the union and the workman has not produced any document to show that the workman was senior to Shamshad Khan and others and the workman himself had contributed for the delay in implementation of the settlement and now the settlement has already been implemented and the settlement dt. 30-4-95 having arrived at on sympathetic consideration, does not confer any meaning that the workman was senior to Shamshad Khan and others and as Shamshad Khan and others are not junior to the workman, they were promoted as senior clerk in special grade from 1-1-97 basing on the availability of vacancy, merit and eligibility and as such, the workman is not entitled for any relief.

5. Both the parties adduced oral evidence, besides relying on documentary evidence. The workman examined himself as a witness in support of his claim. Shri P.N.Choudhury, Deputy Chief Personnel Manager, Gevra Project was examined as a witness on behalf of the management. The workman and the witness for the party no.2 have reiterated the facts mentioned in the statement of claim and the written statement respectively in their evidence on affidavit.

6. After perusal of the materials on record and taking into consideration the arguments advanced by the parties, it is found that the workman has already been given promotion as Clerk Grade-III, Clerk Grade-II and Clerk Grade-I at par with Shamshad Khan and others. The workman has claimed promotion as clerk special grade w.e.f. 1-1-97, on which date Shamshad Khan and others were promoted a Clerk Special Grade. It is not the case of the party no. 2 that the case of the workman was considered by the DPC for promotion to the post of Clerk Special Grade alongwith Shamshad Khan and others. It is also not the case of the party no.2 that the workman was not eligible for consideration for promotion to the post of Clerk Special Grade. When promotion was given to the workman upto the level of Clerk Grade-I at par with Shamshad Khan and others, he was entitled for consideration for promotion as Clerk Special Grade. There is also nothing on record to show that the workman was disqualified or nor eligible for consideration for promotion to Clerk Special Grade or that there was no vacancy for promotion of the workman to the said post. Hence, I find that the workman is entitled for

2765 9/11-20

promotion as Clerk Special Grade at par with Shamshad Khan and others. Hence, it is ordered:

ORDER

The action of the management of Gevra Area of SECL in denying promotion to Shri Prem Das in different clerical grades at par with his junior Shamshad Khan and others is not justified. The workman, Shri Prem Das is entitled for promotion as Clerk Special Grade at par with Shamshad Khan and others w.e.f. 1-1-97. The workman is also entitled for the salary and other benefits of Clerk Special Grade w.e.f. 1-1-97. The party no.2 is directed to give effect to the award within one month from the date of publication of the award in the official gazette.

AWARD

(Dated: 28th June, 2011)

In exercise of the powers conferred by clause (d) of sub-section (1) and sub-section 2 (A) of Section 10 of Industrial Disputes Act, 1947 (14 of 1947) ("the Act" in short), the Central Government has referred the industrial dispute between the employers, in relation to the management of WCL and their workman, Shri Ramu Janghela for adjudication, as per letter No.L-22012/267/2004-IR (CM-II) dated 28-09-2005, with the following schedule:—

"Whether the demand of Bhartiya Koyala Khadan Mazdoor Sangh for regularization of Shri Ramu Janghela S/o Shri Bajarilal Janghela in the post of Token Clerk from July, 1998 is legal and justified? If yes, to what relief he is entitled?"

2. On receipt of the reference, notices were issued to the parties to file their respective statement of claim and written statement, in response to which, the Bhartiya Koyala Khadan Mazdoor Sangh ("the union" in short) filed the statement of claim on behalf of the workman, Shri Ramu ("the workman" in short) and the management of WCL ("the Party No.1" in short) filed their written statement.

In the statement of claim, it is pleaded by the union that the workman was appointed as general mazdoor on 9-4-95 and was posted at Thesgora Mine of WCL, Pench Area and he was regularized as loading mate category-IV w.e.f. 5-9-96 and in July, 98, the Manager of Thesgora Mine directed the workman to work as Token Clerk and since July, 98, the workman was continuously deployed as Token Clerk Grade-II and as the workman was continuously working as Token Clerk on Surface, the Manager, Thesgora Mine ordered to stop underground allowance of the workman from 8-2-2002 and the workman is a permanent worker of the company and is governed under the provisions of industrial employment (standing orders) Act 1946 and as per section 3.6, the workman should have been regularized as Token Clerk Grade-II and the management instead of regularizing the service of the workman as Token Clerk Grade-II, ordered him to work as Loading mate w.e.f. 14-4-2003 vide office order dt.7-4-2003 and there is provision that if a workman puts 190 - 240 days of attendance in a calendar year, in a higher post/grade, the concerned workman should be regularized in such post

and if a lower post workman performs the duty of a higher post, he should also be paid difference of wages of that higher post, but in the case of the workman, the party no. 1 did not adopt the said provision and ignored all the rules and regulations and circulars passed from time to time by the higher authority and as per the provisions laid down in the certified standing orders, if a workman successfully performed his duties in higher permanent posts continuously for 6 months, he should be confirmed on that post, after completion of 6 months period. The union has prayed for regularization of the services of the workman in the post of Token Clerk Grade-II.

3. The party no.1 resisted the claim of the union, by filing its written statement and pleading inter-alia that there is no designation like Token Clerk in standard job designation and job description of the coal industry and therefore, the reference for regularization in a post, which does not exist is void and bad-in-law. It is further pleaded by the party No.1 that the workman was initially appointed as general mazdoor on 9-4-95 in category-I on daily rate of wages at Thesgora Mine and w.e.f. 5-10-96, he was elevated as Loading Mate and he was getting underground allowances in addition to his other wages and his job was to ensure proper loading of Tubs by the Loaders and there were seven Loading Mates at Thesgora Mine including the workman, who was the junior most of them and in the year 1999, Thesgora incline was mechanized under the mechanized system and manual Tub loading was replaced by mechanical loading and therefore, all the Loading Mates became surplus and they were required to be engaged in alternate jobs according to availability and the workman was engaged on surface duty and the payment of underground allowance was discontinued, as per the application submitted by the workman and the workman was again deployed in underground for supervision of timely supply of material like timber and other safety materials for efficient working of the mine and the said job was akin to the original job of a Tub Supervisor and did not require to put any extra efforts and the wages of the workman in category-IV was protected and he was drawing the same without any protest and without demanding the wage or officiating allowance of any higher post and there are procedure and practice for deployment of employees in higher posts on officiating basis and the employee, who is made to officiate, gets the officiating allowances and the post against which, the employee officiate is required to be filled up within a reasonable time by inviting applications from the eligible departmental candidates, who are subjected to examination by the Departmental Promotion Committee and employees, who are found suitable and recommended by DPC are considered for promotion against the available vacancies and the post of Grade-II Clerk is in clerical cadre and the entry point in clerk cadre is Grade-III and one cannot have direct entry in the middle of the cadre and promotion to clerical grade-II is done from Clerical Grade-III and the

workman is a loading mate in daily rated category-IV and he is not in the clerical cadre and as such, his case cannot be taken into consideration for the post of Grade-II Clerk and the union has not shown and proved that the workman had been officiating engaged in a sanctioned post in the year 1998 and the claim of the union to regularize the workman as Token Clerk Grade-II from July, 98, the very first date of his alleged working as Token Clerk is not permissible and the workman had never represented for regularization as Token Clerk, before the union raised industrial dispute before ALC (C) on 24-10-2010 and the claim of the union is highly belated and there is no merit in the claim and the workman was never directed by the Manager of the colliery to work as Token Clerk and the WCL has its own Certified Standing Orders applicable from the year 1992 and as such, application of section 3.6 of the Industrial Employment (Standing Orders) Act 1946 does not arise and more over, the said section deals with probationer and the workman was never deployed as a probationer and the workman is not entitled for any relief.

4. It is necessary to mention here that after filing the statement of claim, neither the union nor the workman appeared in the case. No evidence has been adduced by the workman.

5. As there is no evidence on record in support of the claim of the workman that he was directed by the Manager to work as Token Clerk from July, 98 and he worked as such continuously till the date he was ordered to work as loading mate, it can be held that the demand of the union for regularization of the workman in the Post of Token Clerk from July, 98 is not justified. Hence, it is ordered:

ORDER

The demand of Bhartiya Koyala Khadan Mazdoor Sangh for regularization of Shri Ramu Janghela S/o Shri Bajarilal Janghela in the post of Token Clerk from July, 1998 is not legal and justified. The workman is not entitled for any relief.

AWARD

(Dated: 22nd February, 2011)

This is a reference made by the Central Government in exercise of the powers conferred by clause (d) of sub-section (1) and sub-section 2(A) of section 10 of Industrial Disputes Act, 1947 (14 of 1947) ("the Act" in short) for adjudication of the industrial dispute between the employers, in relation to the management of the General Manager, W.C.L. and their workman, Shri Hemant Kumar Rushiya ("the workman" in short), as per letter No. L-22012/555/99-IR (CM-II) dated 27-7-2000, with the following schedule:—

"Whether the action of the management of Western Coalfields Ltd., Saoner Sub Area, Saoner, Distt. Nagpur (Rep. by Sub Area Manager) in dismissing the services of Sh. Hemant Kumar Rushiya, Ex-Clerk, Gr. II w.e.f. 16-1-96 is legal and justified? If not, to what relief the workman is entitled and from what date?"

2. Being noticed, on behalf of the workman, Shri Hemant Kumar Rushiya ("the workman" in short) his union, "Rashtriya Koyala Khadan Mazdoor Sangh (INTUC)" filed the statement of claim, whereas, the management of WCL filed their written statement.

According to the statement of claim, the workman was in employment of WCL and was a permanent workman and he was initially appointed on 29-2-88 and by virtue of his loyal, able and efficient services, he was selected and promoted as Clerk Grade-II and he was placed under suspension by Sub Area Manager, Saoner Sub-Area, by the Office Order dated 19/20-4-95 and he was served with a charge sheet dated 18-5-95 under clause Nos. 26.1, 26.12, 26.16 and 26.22 of the Certified Standing Orders and the workman by his representation dated 2-5-95 requested for supply of copies of the compliant said to have been given against him as mentioned in paragraph No. 1 of the charge sheet and by order dated 25/26-5-1995 of the Sub-Area Manager, a copy of the statement of the workman dated 15-4-95 given before the management was given to him and on 27-5-1995 he submitted his reply to the charge sheet but the management vide order dated 16-9-1995 initiated a departmental proceeding and appointed Shri R. K. Sharma, Superintendent of Mine, Saoner Mine. 1 as the Inquiry Officer and vide letter dated 30-9-1995 the workman requested to the Inquiry Officer to allow him to engage advocate, Shri V. D. Metkar to defend him, but his request was rejected by the Inquiry Officer and on 30-9-1995, the workman requested to supply him the 11 documents connected with the enquiry, but by letter dated 30-5-1995/4-10-1995 the Inquiry Officer supplied copies of only five document and the departmental enquiry was conducted on various dates but the Inquiry Officer did not give the workman fair and reasonable opportunity and refused to stay the departmental enquiry till disposal of the criminal case filed against him by the Police authorities of Saoner Police Station and on 5-10-1995, the day of the first sitting of the enquiry, the Inquiry Officer rejected the request of the workman for supply of the copies of the rest documents as asked by him on 30-5-1995 and thus, the Inquiry Officer denied to afford fair and reasonable opportunity to the workman and the Inquiry Officer did not explain the procedure of the enquiry and the Inquiry Officer held defective enquiry adopting partial attitude in favour of the management with a motive and object to being home the charges by hook or crook against the workman, even though the charges leveled against the workman were unfair, baseless and time barred.

The further case of the workman is that though the complaint dated 19-4-1995 made by Himmatlal Agrawal, Contractor to the General Manager, WCL, Jaripatka, Nagpur and the F.I.R. dated 13-4-1995, submitted by Shri Himmatlal Agrawal before the Police were placed before the Inquiry Officer as documents No. D-5 and D-6 by the

management the complainant, Shri Himmatlal Agrawal was not examined as a witness, as a result of which, the workman did not get the opportunity to cross-examine him and the documents D-5 and D-6 were also not proved through the said witness, so the enquiry was defective and findings of the Inquiry Officer there upon are also perverse and unfair and officers on higher rung than the Inquiry Officer were examined in the enquiry and to please them, the Inquiry Officer conducted the enquiry unfairly and the evidence of the witnesses of the management was inconsistent and there was no legal evidence to hold the charges to have been proved against the workman and though Shri D. Y. Kale, Dy. Chief Security Officer and one Shri Nawab Ansari, Ex. Security Guard were also charge sheeted by the management on similar and identical charges and were found guilty in the department enquiries held against them, no penal action was taken against them, but the departmental enquiry against the workman was held in a haste and order of dismissal from service was passed against him and thus he was discriminated and the same is sufficient to quash and set aside the order of dismissal passed on 16-1-1996 and the charge sheet was not served on the workman within three days as required by the Certified Standing Order No. 28.2 and as such, the charge sheet is defective, illegal, void, ultra-virus and time barred, hence the enquiry basing on such charge sheet, the findings of the Inquiry Officer and the punishment imposed are also illegal and liable to be set aside. The workman has prayed for setting aside the order of dismissal passed against him his reinstatement in service with continuity of service and full back wages and other consequential benefits.

3. The management of W.C.L. ("Party No.1" in short) filed its written statement admitting the contents of paragraphs 1 to 14 of the statement of claim except denying the averments that the workman was promoted as Clerk Grade-II as he was loyal, able and efficient. Its further pleaded by the Party No.1 that the Inquiry Officer supplied copies of five relevant documents to the workman, which he was entitled to get and necessary for the departmental enquiry and the workman did not make any protest or insist for supply of the copies of the remaining documents during the enquiry by stating their relevancy for the purpose of his defence and in the statement of claim also the workman has not pointed out that the said document, were relevant or any prejudice was caused to him because of non-supply of the copies of the said documents and the Inquiry Officer gave fair and reasonable opportunity to the workman and the Inquiry Officer was justified in proceeding with the departmental enquiry as the same was totally independent of the criminal case filed by the Police and though Shri Himmatlal Agrawal was not examined as a witness, the management examined other witnesses to prove the guilt of the workman and the enquiry report shows that the Inquiry Officer did not base his findings on

the documents D-5 and D-6 and even though, those two documents were produced in the enquiry, they had not been relied upon for proving the guilt of the workman and as such, there was no necessity for the management to examine Shri Himmatlal Agrawal as a witness and though the witnesses, Shri R. M. Moghe and Shri K.K. Bakshi were of higher grade than the Inquiry Officer, their examination does not make the enquiry unfair or defective and the findings arrived at cannot be termed as perverse, merely because, the two witnesses were superior in rank to the Inquiry Officer and the workman has failed to demonstrate that the enquiry was conducted in a biased manner and the Inquiry Officer has reached the findings on the basis of the entire evidence on record and the enquiry cannot be termed as unfair or illegal merely because Shri R. M. Moghe, who had issued the charge sheet and also signed the dismissal order appeared as a witness in the enquiry and the charges leveled against the workman are not vague, unspecific, illegal or invalid and Shri D. Y. Kale and Shri Nawab Ansari were also charge-sheeted on the basis of the nature of their involvement and Shri Kale was not governed by the standing orders and during the pendency of the enquiry, he got superannuated and he was found guilty and the competent authority imposed the punishment of forfeiture of a part of the gratuity payable to him, as he had already retired and the departmental enquiry was not held against the workman in haste and no discriminatory attitude was adopted against him and the charge was not time barred and the workman misread and misinterpreted the standing order No. 28.2 and the charge-sheet was perfectly legal and valid and the workman is not entitled for any relief.

4. It is necessary to mention that as it is a case of dismissal from service, the fairness of the departmental enquiry held against the workman was taken as a preliminary issue for consideration and vide orders dated 11-1-2007, the enquiry was held to be proper and legal. It is also necessary to mention that a petition was filed on behalf of the workman on 14-2-2007 for review, and recall the order dated 11-1-2007, but the said petition was rejected on 8-4-2009.

5. At the time of argument, the following points were raised on behalf of the workman by the union representative:

- (a) There was delay and laches in issuing the charge-sheet to the workman.
- (b) The enquiry was defective and there was denial of principles of natural justice to the workman by the Inquiry Officer.
- (c) The finding of the Inquiry Officer are perverted.
- (d) While imposing the punishment of dismissal from service, the past clean service record of the workman was not taken into consideration by the Disciplinary Authority.

- (e) Discriminatory attitude was shown by the management while punishing the workman by way of dismissal from service, whereas a minor punishment of forfeiture of an amount of Rs. 25,000 from the gratuity was imposed against Shri D. Y. Kale, the Ex-Deputy Chief Security Officer after his retirement, even though he was found guilty of the same charge, while he was still in service.
- (f) Reasonable likelihood of bias on the part of the Disciplinary Authority, and
- (g) The workman was acquitted in the criminal case instituted against him and as the departmental enquiry was based on identical and similar facts and evidence, the order of dismissal passed against the workman is liable to be set aside.

6. Before delving into the merit of the contentions raised on behalf of the workman, I think it proper to mention here that while passing orders on the validity of the departmental enquiry, the points raised regarding the delay in submission of the charge-sheet against the workman, the enquiry was defective and there was denial of principles of natural justice to the workman by the Inquiry Officer, enquiry was completed during the pendency of the case filed by the workman challenging the submission of the charge-sheet before the Labour Court, charge sheet was not issued by the proper authority but issued by the Sub-Area Manager, and that the Sub-Area Manager, who issued the charges sheet and passed the order of dismissal appeared as a witnesses in the departmental proceeding and thereby there was biased attitude towards the workman were considered and answered against the workman. Therefore, the first two points raised on behalf of the workman regarding delay in submission of the charge-sheet and enquiry was defective need no consideration again.

7. So far the third contention regarding perversity of the findings of the Inquiry Officer is concerned, it was submitted that the Inquiry Officer did not speak in his enquiry report about the time barred charge-sheet and the Inquiry Officer did not mention any reason for not summoning the complainant, contractor Shri Himmatlal Agrawal to give evidence in the enquiry, therefore the findings are perverted and deserve to be rejected.

In reply, it was submitted by the management that the workman had admitted his guilt before his superior officers and a statement to that effect was recorded on 15-4-1995 by the management, where he admitted to have acted dishonestly, but, after receipt of the charge-sheet and due consultation with the union, he changed his statement stating that while giving the earlier statement he was under mental pressure, which is nothing but motivated falsehood and after thought and the findings of the Inquiry Officer cannot be said to be perverted, as the Inquiry Officer has not mentioned anything about late submission

of the charge-sheet, as because, such findings are based on the evidence on record and Shri Agrawal was not examined as a witnesses as he is a stranger and management was able to prove the charges by examination of materials witnesses and production of the required documents and management did not think it necessary to examine Shri Agrawal as a witness.

It is necessary to mention here that while considering the validity of the departmental enquiry, the submission regarding the delayed issue of the charge-sheet was considered by this Tribunal and it was found that though the charge-sheet was issued after about a month from the date of the order of suspension, the same cannot be taken as a ground for vitiating the enquiry and the provisions of the standing order referred to are only directive and cannot be treated as mandatory and before starting of the enquiry, there was correspondence and representation on behalf of the petitioner and the management had explained and informed him the reasons for the delay and even a report was lodged in the police station and in such circumstances, issuing of charge-sheet after one month cannot be treated as unnecessary delay and the delay was not with any ulterior motive. In view of such findings, it cannot be said that as the Inquiry Officer did not mention anything in his enquiry report about the delay in submission of charge-sheet, the findings should be treated as perverse.

So far the non-examination of Shri Himmatlal Agrawal is concerned, on perusal of the document of the departmental enquiry, it is found that the copy of the F.I.R. submitted by Shri Agrawal has been marked as management document No. 3. It is clear from the copy of the F.I.R. that Shri Agrawal was not an eye witnesses to the occurrence and he come to know about the incident being informed by his supervisor. The supervisor of Shri Agrawal has been examined as a witness. So due to non-examination of Shri Agrawal, the findings of the Inquiry Officer cannot be held to be perverse. Hence, I find no force in the contention raised by the union representative on behalf of the workman.

8. The next contention raised was regarding non-consideration of the past clean record of the workman, while imposing the punishment of dismissal from service. It was submitted by the union representative on behalf of the workman that clause 28.6 (the correct clause is 28.7) of the certified sanding orders provides that, "In awarding the punishment gravity of the misconduct, previous record of the workman and any other extenuating or aggravating circumstances that may exist shall be taken into account and in this case as the past clean and unblemished record of the workman was not taken into consideration by the Disciplinary Authority at the time of imposing the punishment, imposition of the punishment is illegal and unfair. In reply, it was submitted by the learned advocate for the management that awarding of punishment is the

discretion of the Appointing Authority and the allegations are very serious and the workman was holding position of trust and commission of theft, fraud and dishonesty ill forfeiture of that trust and continuance of the workman in service was detrimental to the discipline and security of the business of the employers and in view of the proved serious misconducts, there was no question of consideration of the past record and it was the discretion of the employer to consider the same in appropriate cases and as such, even if nothing has been mentioned in the order of dismissal passed against the workman, by the Disciplinary Authority regarding consideration of the past record of the workman, the order of imposition of the punishment cannot be said to be illegal. On perusal of the materials on record and taking into consideration the submissions made by the parties, I find force in the submission made by the learned advocate for the management and hold that in view of the proved serious misconducts against the workman, cannot be said that as the past service record of the workman was not considered at the time of imposition of the punishment by the disciplinary proceeding the punishment is illegal.

9. The next question raised is regarding showing of discriminating attitude by the management towards the workman in imposing the punishment. According to the submission made by the union representative for the workman, Mr. Sharma, the Party No. 1 falls within the meaning of 'state' in accordance to Article-12 of the Constitution and as such, its action should not be discriminatory but in this case, the action taken against the present workman is discriminatory as charge sheet had also been submitted against Shri D. Y. Kale, Deputy Chief Security Officer for commission of the alleged theft of coal and after holding of departmental enquiry, he was found guilty of the charges by the Inquiry Officer and the enquiry was concluded against him in 1996 and Shri Kale retired on superannuation on 31-10-97, but no punishment was imposed upon Shri Kale during his service but after his retirement, a punishment of forfeiture of Rs. 25,000 as penalty to be recovered from his gratuity was imposed, which can be considered to be a very minor penalty in comparison to the punishment of dismissal from service imposed against the workman for commission of alleged identical offence of theft of coal and as such, the punishment can be held to be discriminatory, excessive, harsh and illegal and unjustified.

On the other hand, it was submitted by the learned advocate for the Party No.1 that the pendency of the departmental enquiry, Shri Kale retired from service on superannuation and as such the punishment of forfeiture of Rs. 25,000 out of the gratuity of Shri Kale was imposed against him and there is no force in the contention that the departmental enquiry was concluded in 1996 and no punishment was imposed, while

Shri Kale was in service. The workman has filed the documents in regard to the departmental enquiry of Shri Kale. On perusal of the said documents, it is found that the enquiry report was submitted by the Inquiry Officer in the departmental enquiry conducted against Shri Kale on 0.11.97, which was after the retirement of Shri Kale on superannuation, as according to the workman, Shri Kale retired on 31-10-97. Hence, I do not find force in the contention raised by the union representative that there was discrimination against the workman.

10. Placing reliance on the decision reported in (Mrs. Kiran Agrawal Vs Chief Secretary to the Govt.), 2008 LABIC - 1854 (Himachal Pradesh) it was submitted by the union representative on behalf of the workman that in this case, the Sub-Area Manager, WCL, Saoner Sub-Area, Mr. R.M.Moghe, who was the Disciplinary Authority conducted the preliminary enquiry, issued the charge sheet and suspension order of the workman and also appeared as a witness in the departmental enquiry and also passed the order of dismissal from service against the workman by accepting the enquiry report and as such, it can be held that there was likelihood of bias and as such, the disciplinary proceeding is vitiated. However, with respect, I am of the view that the decision mentioned above has no application to the present case in hand, as the facts and circumstances of the case referred in the decision are quite different from the facts and circumstances of the case at hand. Moreover, while deciding the validity of the enquiry, it was ordered that, "there is nothing wrong in the Sub Area Manager appearing as a witness in the enquiry proceedings and he was fair enough to offer himself for cross-examination and he was not a direct witness and he had explained as to how he learnt about the incident from the Police and asked his officers to be careful as Police investigation was in progress. On perusal of the materials on record, it is found that there is nothing on record to show any biasness towards the workman by the Sub-Area Manager.

11. The last point raised on behalf of the workman was that a criminal case had been instituted against the workman by the Police in connection with the alleged incident of theft and after completion of full trial, the workman had been acquitted from the charges and as such, the punishment of dismissal from service should not have been passed against the workman. The workman has filed the copy of the judgement of the case bearing RCC No.362/95, from which it is found that the workman was acquitted in the said case on 20-2-2003. The workman faced his trial in the said criminal case u/s 406/34 I.P.C. However, in the departmental proceeding, the workman faced the enquiry of commission of theft, fraud and dishonesty. The witnesses examined in the departmental proceeding and in the criminal proceeding were not the same. Moreover, the imposition of the punishment against the workman was on

16-9-95, which was much prior to the judgement of the criminal proceeding. It is well settled that there is nothing wrong in parallel proceedings being taken one by disciplinary proceeding and the other in the criminal court and the pendency of the court proceeding does not bar the taking of disciplinary action and the power of taking such action is vested in the Disciplinary Authority and criminal case and departmental proceeding operate in distinct and different jurisdictional areas. In departmental proceedings, factors operating in the mind of disciplinary authority may be many, such as enforcement of discipline, or to investigate level of integrity of delinquent or other staff and the standard of proof required in those proceedings is also different from that required in a criminal case and while in departmental proceedings, the standard of proof is one of preponderance of probabilities, in a criminal case, the charge has to be proved by the prosecution beyond reasonable doubt. In this case, the findings of the Inquiry Officer are based on the materials on record of the departmental enquiry and the order of punishment passed in the departmental proceeding was much earlier to the judgement of the criminal proceeding. Hence acquittal of the workman in the criminal case does not have any bearing in the findings of the Inquiry Officer and the punishment imposed against the workman.

12. So far the quantum of punishment is concerned, it is well settled that punishment imposed by Disciplinary Authority unless shocking to the conscience of the Court/Tribunal is not subject to judicial review. On perusal of the materials on record and the act of misconducts committed by the workman, it is found that the punishment of dismissal from service is not at all disproportionate and as such, there is no scope to interfere with the punishment. Hence, it is ordered:

ORDER

The action of the management of Saoner Sub Area of WCL in dismissing the services of Shri Hemant Kumar Rushiya, Ex-Clerk, Gr. II w.e.f. 16-1-96 is fair, proper and justified and the workman is not entitled to any relief.

AWARD

Passed on May 31, 2011

Government of India vide Notification No. L-22012/58/2007-IR(CM-II)) Dated 29-06-2007, by exercising its powers under Section 10 Sub section (1) Clause (d) and sub section (2A) of the Industrial Disputes Act, 1947 (hereinafter referred as the Act), referred the following Industrial dispute for adjudication of this Tribunal :—

“Whether the action of the management of Food Corporation of India in terminating the services of Shri Kukku Singh w.e.f. 26-6-2003 is legal and justified? If not, to what relief is the workman is entitled?”

As per claim statement the workman, who was earlier with the Food Corporation of India/respondent as contact

labour was selected and appointed as Handling Labour on Direct Payment System vide order dated 16/18-10-1997. After more than 6 years service, the District Manager, Food Corporation of India, Bathinda terminated his services vide order dated 24/26-06-2003 on the ground that as per police verification report he had been convicted under Excise Act and Gambling Act. According to the workman the police report was false and did not disclose any conviction and punishment in the cases. Even if there was any conviction, it was for the petty offences and it does not involve moral turpitude to entail termination of services. His services were terminated without any notice and without giving him any personal hearing against the principle of natural justice. He has prayed for his reinstatement with full back wages.

The claim was contested by the respondent. It was contended that as per Clause 14 of Headquarter Letter No. IR(L)(8)(20)/94 Vol.II dated 18-02-1997 the character antecedents of workers appearing doubtful or suspicious were to be verified from police authority and in case of any adverse report, the services of the workman were liable to be terminated. As the character antecedents of the workman appeared to be doubtful and suspicious a verification was made from Deputy Commissioner, Mansa and the workman was found convicted and sentenced in case FIR No. 141 dated 09-10-82 under Excise Act, P.S. Budhlada and in case FIR No. 30 dated 18-04-1991 under Section 13A/3/67 of Gambling Act and it was found that the workman had been sentenced and fined Rs.1000 in one case and Rs. 25 in another case under Excise Act. It has been specifically stated in para 4 of the written statement of the respondents that as the workman had sought employment by concealing the material fact of his conviction there was no necessity of holding any enquiry. There was no reason for the management to disbelieve the police report. In para 5 it has been reiterated that the services of the workman were terminated on account of concealment of material information and he had obtained appointment by way of fraud. The claim has been resisted on the ground of delay also and in the end it has been again stated that the termination is perfectly valid on the ground of concealment of material information and his claim has no merits.

From the pleadings of the parties the following issues arise for consideration:—

1. Whether the workman concealed any material information in getting employment in the respondents ?
2. Whether the termination of the services of the workman is in violation of principle of natural justice and is bad on this account?
3. To what relief is the workman entitled?

In support of their respective cases the parties filed affidavits. Workman filed his own affidavit while the

affidavit of Chander Mohan Sharma, Area Manager, Food Corporation of India, District Bathinda was filed on behalf of management. Parties placed reliance on certain papers also which will be referred at proper place.

I have heard the learned counsel of the parties and perused the record. My findings on various issues are as follows:-

Issue No. 1

As it will be seen from the statement of the management, the stand of the management is that the services of the workman were terminated as he has concealed the fact of his conviction in the cases under Excise Act and the Gambling Act but the question is whether the workman had been required to give any information about his antecedents and character or at any stage he had supplied any information about this fact. The question of suppression of material facts arises only when a person is under obligation to disclose a material fact. Here the workman was not a fresh appointee. He was already working as contract labour with the respondent and he had been selected as Handling and Ancillary labour under Direct Payment System. There was no occasion for the workman to give any information about his antecedents. Therefore, the workman cannot be held guilty of concealing material fact in getting the appointment with the respondent. Issue No.1 is accordingly decided against the management.

Issue No. 2

It has also been pleaded by the management that as per Clause 14 of Headquarter Letter No. IR(L) (8)(20)/94 Vol. II dated 18-02-1997 the character and antecedents of a worker which appears doubtful and suspicious were to be verified from the police authority and in case of any adverse report the services of the workman were liable to be terminated forthwith.

In this regard following facts are worth consideration:-

1. Police verification about the workman was called for after about more than 6 years service.

2. Management has filed the copies of the relevant FIRs, which are paper no. 11 and paper no. 12 which shows that one case is of October, 1982 under Excise Act in which the workman had been found in possession of 4¾ bottles of illicit liquor and the second case is of April, 91 under Gambling Act in which the accused had been ordered to deposit only Rs. 25 as fine. Accused had been fined by the police itself. The workman is not named as an accused in the later case and there is no document to prove that the workman had been convicted under Excise Act and sentenced to pay a fine of Rs. 1000 as alleged by the management/respondent in its written statement.

27656/11-21

3. It is a matter of common knowledge that more often the poor village-men are falsely roped in such type of cases under Excise and Public Gambling Act. The prosecution case is seldom supported by any independent evidence. It is generally based on the evidence of police personals or their pocket witnesses.

4. There is no evidence to show that workman was convicted for these offences by any court of law.

The learned counsel for the workman argued that even if it is accepted that the alleged cases were registered against the accused, they were of petty nature not involving moral aptitude and the services of the workman cannot be terminated on account of his involvement in such cases.

But it is not a case of dismissal or discharge or removal from service on account of any misconduct amounting to moral aptitude. The services of the workman were terminated on the ground of concealment of material fact and as per provisions of Headquarters letter.

The question is whether the workman was not entitled to a notice even and his services were liable to be terminated simply on the basis of police report without giving him any opportunity of hearing. I am of the view that answer to this question is a big 'NO'. The cardinal principle of natural justice is 'audi alteram partem' i.e. no one should be condemned unheard. Even if there is no provision in the statute about giving any notice, if the order in question adversely affects the right of an individual, the notice must be given. It was held so by the Hon'ble Rajasthan High Court in *Alcopex Metals Limited Versus State of Rajasthan & Others* 2002 (94) FLR 1178. In *Abhijit Aich Roy Versus West Bengal State Electricity Board* 1988 (56) FLR 515 where the Police reports had been taken as ground for termination, it was held by the Hon'ble Bombay High Court that an opportunity of hearing should have been given and compliance of principle of natural justice is obligatory even by statutory organizations. It is, therefore, clear and I hold accordingly that the termination of the services of the workman is in violation of principle of natural justice and is bad on this account. Issue No. 2 is decided in favour of the workman.

Issue No. 3

There is no period of limitation for raising an industrial dispute under the Act. Moreover, from the judgments-copies of which had been furnished by the workman, it appears that he had been pursuing his remedy in the Civil Courts and it was on 28-02-2006 that the Hon'ble Punjab and Haryana High Court in *RSA No. 4435 of 2005 (O & M)* held that the Civil Court had no jurisdiction to entertain the claim of the plaintiff i.e. workman and the later was given the liberty to seek appropriate remedy under the Act, and thereafter the workman raised a dispute under the Act. So the claim petition cannot be rejected on the ground of delay.

From the above going discussions it is clear that the workman is not guilty of concealment of any material fact in getting the employment in the respondent and his services were terminated in violation of principle of natural justice and termination order is bad in law. Obviously, the workman is entitled to reinstatement. In his affidavit he has stated that after his termination he was not gainfully employed anywhere and had been starving and raising loans from friends and relatives for living and meeting expenses on long drawn litigation. Under the circumstance he is entitled to full back wages. Accordingly, the order dated 26-06-2003 of the management of Food Corporation of India terminating the services of workman Kukku Singh is set aside. The management is directed to reinstate the workman and to pay full back wages within one month of receiving the copy of the order. Reference is answered against the management/respondent accordingly. Let two copies of the award be sent to Central Government for further necessary action.

AWARD

(Passed on May 30, 2011)

Government of India vide Notification No. L-42012/132/2004/IR (CM-II), Dated 5-4-2005, by exercising its powers under Section 10 Sub-section (1) Clause (d) and Sub-section (2A) of the Industrial Disputes Act, 1947 (hereinafter referred as the Act), referred the following industrial dispute for adjudication of this Tribunal:—

“Whether the action of the management of PGI, Chandigarh in terminating the services of Shri Sunil Kumar S/o Shri Pitam Chand w.e.f. 17-9-2003 is legal and justified? If not, to what relief the concerned workman is entitled?”

As per claim statement the workman joined the respondent in 1987 and was regularized w.e.f. 7-07-1993. He remained absent from duty w.e.f. 1-3-2002 for a period of about six months on account of pain in his lower backbone and upper right thigh. In April, 2002 he shifted to his native village Dasuara, Tehsil Kasauli, District Solan (H.P.). The Director PGIMER, Chandigarh wrote him to join duty immediately and submit Medical Certificate but since he was bed-ridden and unable to move, his mother informed Medical Superintendent, PGI through a letter about the illness of the workman and asked for treating his absence as leave, but he was issued a charge-sheet dated 18-08-2002, which he could not reply as he was under the influence of medicines. After recovering in September, 2002 he returned to Chandigarh and reported back for duty on 16-09-2002 and performed his duties from 16-09-2002 to 31-09-2002 and also in October, 2009 but salary for the month of September and October, 2002 was not paid to him and he was informed that a departmental enquiry is being conducted against him and salary will be paid after the enquiry. After enquiry, the Enquiry Officer submitted his report and sent a copy of the enquiry report to him but as he does not know English, the charge-sheet, the enquiry proceedings and the enquiry report which had been prepared in English were all Greek to him. On the basis of enquiry report he was removed from service w.e.f. 17-09-2003. According to the workman his removal from service is against the principles of natural justice, equity and fair play. He was not provided a reasonable

opportunity to defend himself in the language he could understand. He has claimed his reinstatement with full back wages and continuity of service.

The claim was contested by the management. It was stated that the statutory appeal of the workman is pending before the Union Health Minister and the claim is not maintainable. On merits it was submitted that the workman remain willfully absent from duty as per details given in para 2 of the written statement for various periods from 22-04-1999 to 15-09-2002 and he was treated on extraordinary leave. In total he remained absent up to 15-9-2002 for a total period of 415 days. For his absence for a period from 21-11-2000 to 8-02-2001 he had been censured earlier. When he absented from 28-02-2002 he was asked to resume duty and to appear before the Staff Chief Medical Officer for medical check-up, if he was suffering from any ailment, but he did not respond. Hence, he was charge-sheeted vide Memo dated 16-05-2002. Copy of the enquiry report was sent to him but he did not make any representation so the disciplinary authority vide order dated 17-09-2003 imposed the penalty of removal.

Workman filed a replication in which he stated that the statutory appeal has been pending with the appellate authority for the last two years and he cannot wait for the decision of the appeal so he has raised the present dispute. He further stated that from the written statement it is clear that his absence from 28-02-2002 to 15-09-2002 has been regularized as Extraordinary Leave, hence, there was no charge left for adjudication and the charge-sheet was a farce and a device to harass him. No penalty can be imposed upon him after regularization of leave.

Workman himself and B.R. Kamal, Senior Administrative Officer of the Institute on behalf of the management filed their affidavits in support of their respective case. The management submitted a copy of the record of departmental proceedings also. Workman filed certain papers also. He however, did not turn up for cross-examination and tendered the papers in evidence. He remained absent despite notice sent by Registered post at his last address given in his affidavit and also at the address given in the reference. Hence, the case proceeded ex-parte against him vide order dated 30-07-2010 and his evidence was closed. Subsequently in reply to a notice it was informed that the workman has expired on 22-06-2009. Copy of the Death Certificate was filed and an application for substitution was moved on behalf of the legal representatives of the workman. But the application was not signed by the legal representatives and nor they appeared to press it. Hence it is rejected by this order.

I have heard the learned counsel for the workman and perused the record.

The learned counsel for the management argued that since the departmental appeal of the workman is still

pending with the departmental authorities, hence this reference is not maintainable. But this argument of the management has no force in view of the law laid down by Hon'ble Supreme Court in *Jai Bhagwan Versus Management of the Ambala Central Co-operative Bank Limited* 1983 Lab. I.C. 1694 in which it was laid down that once a reference has been properly made to an Industrial Tribunal, the dispute has to be duly resolved by the Industrial Tribunal. Resolution of the disputes cannot be avoided by the Tribunal on the ground that the workman had failed to pursue some other remedy.

The learned counsel for the management took me through the enquiry report to show that the workman had participated in the enquiry. Enquiry report Ex. W-5 of workman affidavit shows that the workman attended the enquiry proceedings on 22-11-2002 when the charge-sheet was read-over to him and on his request the enquiry had been adjourned to 26-11-2002. On 26-11-2002 the workman admitted his absence on account of his illness. He was asked to produce the proof of his illness. However, on the next date he submitted his statement in Hindi regarding the charges framed against him and admitted the charges mentioned in the charge-sheet. On his admission the Enquiry Officer concluded that the charges are proved. The workman during the enquiry proceedings never raised any plea that the Hindi version of charge-sheet be supplied to him or the proceedings be conducted in Hindi or he is unable to defend himself as the proceedings are being recorded in English. He could not produce any reliable medical evidence in support of his illness. He has filed a copy of the certificate issued by a Ward Member and Pardhan of Mahila Mandal Samiti which is referred in his Affidavit as Ex. W-1/2 in which it has been certify that the workman had been suffering from some ailment in his leg for which he had been taking Jantar Mantar and Homoeopathy treatment. Another document referred is Ex. W-4 which is a Medical Certificate of a Private Medical Practitioner. There is therefore, no worth reliance evidence in support of his illness. It may be noted that he had been removed from service on the ground of his wilful absence from duty from 28-02-2002 to 15-09-2002 and for this period there is no reliable evidence to prove his illness. Therefore, no fault can be found with the punishment awarded to him nor it can be held that the workman was prejudiced on account of charge-sheet, enquiry proceedings and enquiry report being in English. It is, therefore, held that the action of the management in terminating the service of the workman (since deceased) w.e.f. 17-09-2003 is legal and justified and no relief can be granted to him. Reference is answered against the deceased workman accordingly. Let two copies of the award be sent to Central Government after due compliance.

BEFORE SHRI J. P. CHAND, PRESIDING
OFFICER, CGIT-CUM-LABOUR COURT, NAGPUR

Case No. CGIT/NGP/185/2000 Date: 23-06-2011

Party No. 1 : The Chief General Manager,
Kusmi.Inda Area, SECL,
PO: Kusmunda Colliery,
Distt.Korba (MP)-495454.

Versus

Party No. 2 : The Secretary,
Bhartiya Koyla Khadan Mazdoor Sangh
(BMS), No. M/140, Vikashnagar,
PO : Kusmunda Colliery, Korba (MP).

AWARD

(Dated: 23th June, 2011)

In exercise of the powers conferred by clause (d) of sub-section (1) and sub-section 2(A) of section 10 of Industrial Disputes Act, 1947 (14 of 1947) ("the Act" in short), the Central Government has referred the industrial dispute between the employers, in relation to the management of the Chief General Manager, Kusmunda Area of SECL and their workman, Shri Swayambar Jha for adjudication, as per letter No.L-22012/566/99-IR(CM-II) dated 27-07-2000, with the following schedule :—

"Whether the action of the management of Kusumunda Area of SECL in not regularizing Sh. Swayambar Jha, Clerk Gr.III from 14-09-93 and not paying him difference of wages from 14-09-1993

is justified? If not, to what relief the workman concerned is entitled?"

2. Being noticed, the Union "Bhartiya Koyla Khadan Mazdoor Sangh (BMS)" filed the statement of claim on behalf of the workman, Shri Swayambar Jha ("the workman" in short) and management of Kusmunda Area of SECL ("the Party No.1" in short) filed their written statement.

The case of the workman as projected in the statement of claim is that he was appointed as a General Mazdoor Category-I on 18-7-87 by the Party No.1 and on 1-3-91, he was transferred from Surakacchar Mine to Kusmunda Colliery and from the date of his transfer, he worked as a Clerk in the said colliery and there was an interview on 5-7-93 for selection of Clerk/Typist in Kusmunda Colliery and after the interview, he was directed to work as a Typist Trainee w.e.f. 14-9-93 and after completion of 6 months training, he did not receive any adverse communication and as such, it should have been held that his work was satisfactory and he should have been treated as Typist Category-II from 14-9-93 and vide Order dt. 27/28-5-94, there was an order by the party no. 1 directing to pay him the pay scale of Typist Category-II and for making payment of the differential pay, but the said order was not carried out and as per Order dt. 1-1-96, he was appointed as Clerk Grade-III with the initial pay scale of Rs.1826, though he was entitled for differential pay from 14-9-93 and Harishankar Shahu and Arvinkumar Pandey were regularized as Clerk Grade-III from 1-4-93 and they were also given the differential of pay w.e.f. 1-4-93 and as such, he is also entitled to be regularized as Clerk Grade-III w.e.f. 14-9-93 and to receive the differential of pay from the said date. The workman prayed for regularizing his service as Clerk Grade-III w.e.f. 14-9-93 and for payment of the differential pay from the said date.

2. The Party No.1 in its written statement has pleaded that the workman was appointed as piece rated loader and by notification No. 6009 dt. 5-7-93, applications were invited for selection to the post of English Typist Grade-II, from the departmental candidates and the workman appeared before the selection committee and in the trade test, in terms of the said notification and as the workman was found lacking the requisite speed of 40 w.p.m. in English typing, as laid down in the cadre scheme, he was not selected for the said post, but on sympathetic consideration, the workman was kept as a Typist Trainee by office order No. 6722 dt.14-9-93 for enabling him to learn and to improve his typing skill, for a period of 6 months, with a stipulation that further test would be taken on or after 6 months and in case of failure of the workman to qualify the trade test, he would be reverted back or the period of training would be extended and there was also stipulation in the said order that no right would be conferred on him to claim for promotion to the post of

Typist/Grade-III Clerk and the workman accepted the conditions by signing on the said order as a token of acceptance of the conditions and as such, he is precluded from claiming promotion and payment of back wages from 14-9-93 and on the basis of the representation made by the workman on 17-3-94 to regularize him as grade-III clerk, a DPC was conducted but the workman was not able to qualify in the trade test of typing of 40 w.p.m. in English and on the recommendation of the DPC, the workman was allowed by office order No. 1629 dt. 28-5-94 to continue as a Typist Trainee for a further period of 6 months and after 6 months, his case was to be examined again and as per the recommendation of the DPC that during the extended period he should be paid the differential of wages, in office order No. 1629 dt. 28-5-94, the same was reflected but the recommendation made by the DPC was beyond its jurisdiction and there is no provision to allow differential of wages to a trainee and the workman was selected and appointed as grade-III clerk by office order No. 7129 dt. 1-1-96 and Grade-III Clerk is a selection post and only departmental candidates having requisite qualification are to be selected to the said post and as the workman did not meet the minimum speed test of 40 w.p.m., his case cannot be compared with the case of the two employees, who were selected in the trade test by the DPC and as such, the workman is not entitled for any relief.

3. One Shri B.S.Sai was examined as a witness on behalf of the workman. In his cross-examination, the said witness has admitted that the workman appeared in the examination conducted for the post of Clerk Grade-III and as he was not able to type 40 w.p.m., he was declared fail in the examination.

One Iqbal Singh, the Area Personnel Manager of SECL, Kusmunda Area was examined as a witness on behalf of the management. The said witness has reiterated the facts mentioned in the written statement. It is necessary to mention here that as the workman remained absent and did not cross examine the witness for the management, "no cross order" was passed on 3-12-2010. The evidence of the witness examined on behalf of the management has remained unchallenged.

4. Perused the record including the pleadings of the parties and the evidence adduced by them and found that there is no legal evidence on record to support the claim of the workman that he worked as a Clerk Grade-III from 14-9-93. Rather the evidence produced by the management show that the workman was not able to qualify in the test conducted by the Party No.1 for selection of Clerk Grade-III and as such, he was directed to work as a typist trainee and by order dt. 1-1-96, he was appointed as a Clerk Grade-III. In view of the above facts, the workman is not entitled for regularization as Clerk Grade-III w.e.f. 14-9-93. He is also not entitled to get the difference of wages from 14-9-93. Hence it is ordered:

ORDER

The action of the management of Kusumunda Area of SECL in not regularizing Sh. Swayambar Jha, Clerk Gr. III from 14-09-93 and not paying him difference of wages from 14-09-1993 is justified. The workman is not entitled for any relief.

Sub Area Manager,
West Jhagrakhand Sub Area,

AWARD

Passed on this 21st day of June, 2011

1. The Government of India, Ministry of Labour vide its Notification No. L-22012(290)/90-IR(C-II) dated 4-12-90 has referred the following dispute for adjudication by this tribunal:-

“Whether the action of the management of West Jhagrakhand Sub Area of Hasdeo Area of SECL in non regularizing Shri Chotelal and 68 other workers employed through (as per list annexed) intermediary on the roll of management and extending them all benefits available to their regular workers is legal and justified? If not, to what relief the workers are entitled?”

2. The case of the workmen/Union in short is that the union is affiliated to Hind Mazdoor Sabha (in short HMS), a Central Trade Union. These workmen authorized the Union to raise the dispute. The workmen have been engaged as General Mazdoors in the Coal Handling Plant (In short CHP) of West Jhagrakhand Colliery since 1983. In the mine, the coal produced after blasting is made in different sizes for selling purposes. Such coal is made with the help of CHP. For running CHP different categories of workers are required, like operators, fitters and General Mazdoors etc. General Mazdoor performed the job of general in nature such as belt cleaning, removal of accumulated coal, stacking of accumulated coal while belt is not in running condition. In running condition, they used to pour the accumulated coal on the belt with the help of shovel.

3. The further case is that in the Hasdeo Area, these jobs of CHP are done by the departmental workers only and are paid wages as per National Coal Wage Agreement (in short NCWA) whereas in West Jhagrakhand Colliery, these workmen are paid wages in the name of one worker who used to distribute the amount equally as per their attendance in presence of the Management's Representative and it is nothing but internal arrangement of the management. These workers are engaged for permanent and perennial nature of job through a ghost or sham contractor. Neither the management got any registration certificate nor the ghost or sham contractor has any licence under the provision of Contract Labour (R & A) Act, 1970 and Rule. It is stated that the job of these workmen comes under the prohibited category and the Central Government vide its Notification No. S-16021/1/74 LW dated 1-2-1975 has declared the raising or raising-cum-selling of coal and coal loading and unloading category of works as prohibited category of employment of contract labour and function of CHP is related to the job of selling and loading of coal. These workers were working for the same.

4. The further case is that these workmen are workers of the management. The CHP is integral part of the main

activity of the mining operation. The provision of Mines Act and Rules, Industrial Dispute Act, 1947 (in short I.D. Act, 1947) are applicable in the West Jhagrakhand Colliery of Hasdeo Area. There was no contractor employed at all by the management of work done by these workmen and the contractor was a paper work to violate the provision of law and it is a sham or ghost contractor. The workmen had completed 240 days many times in a year. During the pendency of conciliation proceeding, the management retrenched them without permission and without complying the provision of I.D. Act, 1947. Moreover similarly situated workers at Bijuri CHP are deployed departmentally. The so called contractor workers engaged at Beharabandh and Sohagpur Area etc. have been taken on company's roll. It is stated that the workmen are entitled to be paid wages of Category-I as per NCWA-III and be treated as workers of the management on company's roll and are also entitled for regularization. On these grounds, it is submitted that the reference be answered in affirmative in favour of the workmen.

5. The management appeared and filed Written Statement to contest the reference. The case of the management inter alia is that one Shri Chotelal was a contractor and the so called workers were engaged by him. Thus the question of regularizing them doesnot arise and the reference made by the Central Government is illegal.

6. The further case of the management is that Shri Chotelal was himself a worker who had taken the contract of cleaning work etc. and other miscellaneous works at Jhagrakhand Colliery. They were not engaged in the activity concerning mining operation. These works were in non-prohibited category and were of temporary and intermittent in nature. The provision of CL(R & A) Act 1970 is not applicable. Shri Chotelal used to employ these workers for executing the contract awarded to him who paid them directly. There is no employer and employees relationship between the management and the workmen in dispute. It is stated that they were neither employed in the Coal Industry nor by the management of SECL. The benefits of NCWA etc. are extended to regular employees employed by the management of SECL. It is stated that the work which was granted to Shri Chotelal continued till March 1986 and thereafter it was discontinued. It is admitted that the management of Hasdeo Area has CHP but the CHP is not running by departmental workers only. It is stated that the examples of regularization of contract labours of other collieries are not known to the management of West Jhagrakhand Colliery. However it doesnot create any right to these workers for claiming regularization. It is submitted that the reference be answered in favour of the management.

7. On the basis of the pleadings of the parties, the following issues are framed for adjudication—

- I. Whether the action of the management of West Jhagrakhand Sub Area of Hasdeo Area

of SECL in not regularizing Shri Chotelal and 68 workers employed through intermediary on the roll of management and extending them all benefits available to their regular workers is legal and justified?

II. Whether Shri Chotelal was a contractor and these workers were workers of the contractor or these workers including Shri Chotelal were in direct employment of the management of SECL?

III. To what relief, if any, the workers are entitled?

8. Issue No. II

The first and foremost question raised by the parties is that the Union/workmen contended that these workmen were in the direct employment of the management and the payment of wages by the alleged contractor who was said to be through a ghost and sham contractor. It is stated that payment as made in the name of Shri Chotelal was paper works of the management whereas the management states that Chotelal was himself a worker who had taken contract of the work from the management and these workers were the workers of the contractor.

9. The following facts appear to be admitted.

1. The workmen were working in the cleaning etc. and other miscellaneous works of CHP at Jhagrakhand colliery.
2. These workmen were working since 1983 and worked till March 1986 but the Union claimed till 1989.
3. Shri Chotelal was also working as a worker alongwith other workers.
4. There was a notification dated 1-2-75 of the Central Government declaring the following category of works as a prohibited employment of contract labour in all the coal mines-
 - (a) Raising or raising-cum-selling of coal,
 - (b) Overburden removal and earth cutting,
 - (c) Coal loading and unloading
 - (d) Soft coke manufacturing
 - (e) Driver of stone drifts and miscellaneous stone cutting inside the mine,

10. Now let us examine the evidence as to whether Shri Chotelal was a contractor and there was any contract between the management and Shri Chotelal, so called Contractor or the workers including Shri Chotelal were in the direct employment of the management. To establish the fact the Union/workmen have examined oral and documentary evidence. The Union witness Shri Ram Gopal is one of the workman. He has supported the case that he

had worked alongwith 68 other workers in the CHP of West Jhagrakhand Colliery. He was doing work of belt, drum and rollers cleaning and cleaning of spillage coal at CHP from 1983 to 1989 continuously. He has stated that after stopping them from work, the management had engaged other workers in 1989. He has stated that the payment was made by Welfare Officer who took their LTI and the work was managed by siding incharge Shri Mishrilal and overseer Shri Ranoo. In cross-examination, he had denied that he worked under contractor. His evidence clearly shows that he worked under the employment of the management and there was no contractor. There is nothing in his evidence to disbelieve this witness who happens to be himself a worker.

11. Another Union witness is Shri Tulsia. He is peon in the siding. He is a permanent employee of the management. He has come to say that Shri Chotelal and other workers were working for the last seven-eight years in the CHP continuously. They did work of cleaning of belt and also stacking of spillage coal. He has further stated that the Welfare Officer paid wages to these workers and he used to call them one by one as he was peon there. His evidence clearly shows that there was no contractor and the payment was done to these workers by the management directly. He has denied that Shri Chotelal was a contractor. It is not even suggested that he was not peon there. He appears to be competent witness to say that there was no contract system and these workers were in the direct employment of the management because he was an independent witness and his presence at the place as a permanent employee of the management is not denied.

12. Another witness of the Union is Shri Chotelal, the so called contractor of the management. He has denied that he was ever contractor of the management. He has stated that he is illiterate. He has denied his L.T.I on the work orders. The management has not taken any steps to prove the L.T.I from the finger print expert. He has supported the case of the union that since 1983 till 1989 he alongwith 68 other workers were admittedly doing the work in Coal Handling Plant (CHP) of West Jhagrakhand Colliery. They used to do the work for cleaning of belt, stacking of coal, pouring of spillage coal into the belt, cleaning of drum and rollers etc. He has stated that the management stopped them from work in the year 1989 without any notice. He has further stated that the Welfare Officer paid their wages after taking their L.T.I. He has fully supported other witnesses of the union. He has specifically denied that he had taken any contract from the management and did not know as to how the contract is taken. His evidence shows that he and other workers were in direct employment of the management. He is the most competent person to say that there was any contract or not. This shows that the alleged contract was a paper work. The burden is on the management to prove that Chotelal was a contractor. When he denied his L.T.I. on the papers, it was the duty of

the management to prove by cogent evidence that L.T.I. is of Chotelal and the documents are not paper works and was a valid contract.

13. Another Union witness is Shri Ambikesh Kumar Sharma. He is working as Junior Technical Inspector at Rajnagar Open Cast of Hasdeo Area. He is of different place. He has come to support the case of the union on the point of work procedure of these types of workers. He has stated that this is permanent and perennial type of work and comes under prohibited category. He has stated that in his place these types of works are being done by the management departmentally. This witness appears to be not competent to say as to whether Chotelal was a contractor or not. However his evidence clearly shows that such type of work is being done by such type of workers departmentally in other mines. There is no denial on behalf of the management.

14. Another Union witness Shri Hiralal is Fitter in Coal Handling Plant at Bismampur Open Cast Colliery. He has also come to support the function of these types of workers in CHP. He has stated that they worked in all the three shifts round the clock. In his colliery, these types of workers are regular and departmental worker. In cross-examination, he has stated that in the affidavit it is written that in his area, the work is being done by the contractor. It is not very vital and detrimental to the case because his evidence does not show that Shri Chotelal was a Contractor.

15. Another Union witness Shri Lalta is belt operator of Khogpani Colliery. He has come to say that he knew Chotelal and other workers personally who worked in all the three shifts since 1983 to 1989. This circumstance itself shows that their work was a continuous process otherwise there was no need to work in shifts. It is submitted by the learned Representative of the management that this witness has stated in his cross-examination that 30 workers worked in each shift under Chotelal contractor. It is submitted that this shows that Chotelal was contractor and the workers were workers of the contractor. I do not agree this view of the learned counsel for the management because firstly there is no case of the management that the workers did work in three shifts and in each shift 30 workers worked of the contractor. Rather the case of the management shows that there were only 10 to 12 workers of the contractor and they worked intermittently. The evidence is to be read as a whole and not in piecemeal and then the truthfulness of the evidence is to be considered. The case of the Union that Chotelal was so called contractor of the management and was only paper arrangement and was a ghost or sham contractor. I find that it is not detrimental to the case of the Union/workmen rather his evidence supports that there were more than 69 workers for the said work who did shift duties and the workers were working regularly till removal from work.

16. Another Union witness Shri Jagdip Singh has not turned up for cross-examination. His evidence is of no use to the workmen/Union.

17. Another Union witness is Shri Nathulal Pandey. He is General Secretary of the Trade Union. He has stated that the nature of job being done by these workmen are done ordinarily through regular workman in other area of Coal Industry. He has supported the case of the Union/workmen. He has stated in cross-examination that certified payment-sheets of the workers are filed which is marked as Exhibit W/40. There is no suggestion or cross-examination about the genuineness of the payment sheets which are of the 80 workers. Chotelal and 68 others are also named in the payment-sheets. It is raised by the management that when there were 80 workers in the payment-sheets as to why only the case of 68 workers were raised by the Union. He has stated in his evidence that he had earlier raised dispute before ALC of 33 persons. Later raised dispute of 80 persons but the ALC referred dispute to the Ministry of 68 workers. He has stated that the said payment sheets (Exhibit W/40) were certified by the management and the management had admitted it. This witness has not been suggested that the said payment sheets were not certified by the management nor it is admitted. His evidence appears to be supporting the case of the management.

18. The last witness of the Union is Shri K.R. Pillai. He is Handwriting and Finger Print Expert. He has come to prove the signature of Shri B.N. Prasad Personnel Officer on the payment-sheets (Exhibit W/40) after comparing from admitted signature of the management's document. The learned Representative of the management has argued that the opinion of the Expert is vague and is not based on data as well as on any reasoning. It is, therefore, bad in law. It is stated that Shri Pillai has admitted in his cross-examination that scientifically enlarged photographs were better than reduced photograph for examination.

19. The Representative of the Union argued that the management has raised objection that Shri B.N. Prasad has not put any signature on Exhibit No. W/40 filed by the Union only at the time of argument whereas the Union has examined Handwriting Expert to prove his signature. Moreover the Union has given evidence of the witnesses to prove the signature of Shri B.N. Prasad who were well acquainted with the writing and signature of Shri B.N. Prasad. The management witness Shri B.N. Prasad has also admitted at Para-11 that he had supervised the payment of the contractor workers and the said record is in the Court. It is clear from the above evidence that the signature of the management witness Shri B.N. Prasad is not only proved by the Handwriting Expert but by the witnesses of the Union as well. The management witness has also supported the payment. Thus it is clear that the payment was made to 80 workers including the workers in reference. Thus it is evident from the oral evidence that the workers were in the direct employment of the management and Shri Chotelal was only a sham and ghost contractor because the case of the management was only

of 10-12 workers of the contractor and the payment sheets contradict the story of the management.

20. The Union has filed documents in the case to prove that the 68 workers in reference were doing the job continuously in the CHP and they were controlled by the management and the payment was made by the management whereas the management's case is that 10-12 workers were the workers of the contractors and Shri Chottelal who used to do the job of cleaning of spillage coal in the CHP did work intermittently and casually. Now let us examine the documentary evidence. It is not out of place to say that the CHP is connected with the main activity of the Coal Industry. It is mainly for raising-cum-selling of the coal. The management has filed the map which is an admitted document and is marked as Exhibit M/1. The map shows that there are eight belts in CHP which are numbered in the map as A to H. The A and B belt raised coal on the belt from inside the mine.

21. To prove the case, the Union/workmen has also adduced documentary evidence. Exhibit W/1 to W/5 are engagement slips. These documents are admitted by the management vide orders dated 30-8-91 and 28-12-2004. The management has also made endorsement of admission on the documents itself. The engagement slip (Exhibit W/1) shows that these workers were engaged in C-belt of the CHP on 20-11-83. The engagement shows that it was the control of the management rather than the control of Shri Chottelal, the so called contractor. The name of Shri Chottelal has appeared at Sl.No.10 as a worker. Similarly other engagement slips also show that the management deputed them on work and there was control of the management on the workmen and Shri Chottelal was simply a worker.

22. The learned management Representative has raised objections on two fold. Firstly that the engagement slips (Exhibit W/1 to W/5) are denied by the management. It is factually incorrect as has been discussed earlier. Secondly the engagement slips are of 14 to 20 workers only and the names of all these workmen who are in reference case do not appear in it.

23. The learned Union Representative submits that it is an example cited by the Union, that the workmen were controlled by the management and the so called contractor was simply a worker. Secondly it is the engagement slip of one belt of CHP whereas there are eight belts of CHP and the workers used to work and used to engage on all the belts for work of spillage coal. It is submitted that it also contradicts the case of the management that only 10-12 workers were engaged by the contractor. It is submitted that there were about 80 workers and the reference is against 69 workers only and therefore some of the names are in the engagement list who are not in the list of the reference.

24. It is evident that the engagement slips show that the work was controlled by the management which are
2765 G/11-22

admitted documents. Moreover it falsify the case of the management that there were only 10-12 workers for the work of spillage coal and Shri Chottelal appears to be only a worker rather than a contractor as has been alleged by the management.

25. Exhibit W/6 to W/13 and W/40 are photocopies of payment-sheets. These documents are also admitted by the management. These payment sheets clearly show that the payment was done by the management. The payment sheets are of 20 or more than 20 workers. Shri Chottelal, the so called contractor had also received payment as a worker. There is nothing to show that this payment was done by the contractor to the workers rather the Management Representative Shri B.N. Prasad, personnel Manager is said to have signed over the payment sheet. His signature is proved by the Union witness and the Handwriting Expert. Shri B.N. Prasad has also admitted that he had supervised the payment. This shows that payment was done by the management to the workers directly. There is no pleading of the management that the contractor had more than 10-12 workers to whom the payment was supervised by Shri B. N. Prasad. Thus these documents also corroborate the case of the union that the management used to do payment directly who had direct control over the work as well. Moreover Section 21(4) of Contract Labour (Regulation & Abolition) Act 1970 in short CL(R & A) Act, 1970 provides that the Representative of the management shall have the duty to certify the amount paid as wages in such manner as may be prescribed. Rule 73 of Contract Labour (Regulation and Abolition) Central Rules, 1971 provides the specific certificate to be given at the foot of payment-sheet of the contract labourer whereby the Management Representative shall have to certify the amount of wages paid in his presence. The Exhibit W/6 to W/13 and W/40 do not bear any such certificate rather the payment appears to be made by the management directly because there is no such certificate in accordance to CL(R & A) Act and Rules. Thus the payment sheets also show the status of the workmen that they were in direct employment.

26. Exhibit W/14 and W/15 are application dated 13-11-85 filed by the Union before the Asstt. Labour Commissioner (C), Shahdol. It is also admitted by the management. It is filed to show that only 33 workers authorized the union to raise the dispute before the ALC (C), Shahdol against the management for regularizing them as company workers and for getting the benefits with retrospective effect. This shows that other workers had not authorized the Union and therefore their case was not raised at that very time by the Union. At later stage, the Union raised the dispute of other workers on authorization by them. Exhibit W/16 is the reply of the management of the complaint filed by Shri Chottelal and 12 others for non-payment of proper wages before the ALC(C), shahdol. It is also admitted by the management. This shows that

Chotelal and others claimed wages on schedule rate as a worker. It looks probable that if he was a contractor then the claim of wages and the question of payment of wages by the management do not arise. In that case, the duty of the management was only to supervise payment of the contractor. The reply does not show that the management had supervised the payment of the so called contractor. This document also shows the status of the workmen.

27. Exhibit W/17 is the rejoinder filed by the union before the ALC(C) Shahdol of the reply of the management. Exhibit W/18 is the reply of the management of the rejoinder of the union. Exhibit W/19 is a complaint filed by the Union against the management before ALC(C) Shahdol stating therein that during the conciliation proceeding between the parties, the management had stopped the workers from work w.e.f. May 1989. It is an admitted fact that these workmen were stopped from work during the pendency of the conciliation proceeding. The management claimed in his pleading that Chotelal was granted work till March 1986 only whereas the Union alleges that the workmen continued to do work till May 1989. Exhibit W/20 is an application of the union for adding other workmen in the list who raised dispute subsequently. Exhibit W/21 to W/25 is the failure report of the Asstt. Labour Commissioner (C) Shahdol to the Ministry. These all documents are simply filed by the union to show that the Union raised dispute of the workmen for regularization and during conciliation proceeding the workmen were stopped from their work.

28. Exhibit W/26 is a copy of letter of Director of Mines Safety whereby the attention was drawn to the amendment of Mines Act to the Director of Mines safety, Jabalpur. This document is also admitted by the management. This is filed show that the persons employed on handling and transporting minerals upto the point of dispatch and persons employed in operation of loading of minerals for dispatching the same come within the premises of the mine under the definition of a person employed in mine. This is filed to further show that these workers were also engaged to do work for cleaning of belt, stacking of coal, pouring of spillage coal into the belt, cleaning of drum and rollers etc. within the premises of the mine and thus they came under the definition of persons employed in a mine and the Mines Act is applicable to them.

29. Exhibit W/27 is the office order dated 24-1-90 whereby P.R. loader were appointed at Bijuri Sub Area. Exhibit W/28 and W/29 are copy of settlement dated 13-12-84 whereby the General Mazdoor working in Saw machine, drilling and underground civil jobs on Minimum wages and paid directly by the company or through contractors were regularized w.e.f. 1-1-85. Exhibit W/30 a copy of another settlement dated 19/21-8-87 of contractual labours working in Stores, material loading mazdoors and saw machine mazdoors at Birsinghpur were appointed as General Mazdoor Cat-I. Exhibit W/31 to W/33 is another

settlement dated 27-12-86 whereby Gotamakers working under contractual basis were taken on the roll of the company. Exhibit W/34 is another settlement dated 24-12-85 of contract labours working on the tenches of Ramnagar Sub Area WCL were taken on the roll of management on Category-I wages. Exhibit W/35 is another settlement dated 31-5-89 whereby the workers working in Ramnagar colliery for loading and unloading of store materials through the contractor were regularized and taken on the roll of the management. Exhibit W/36 is the settlement in arbitration whereby Tub-repairing workers working on contractual basis were taken on the roll of the management. These documents are also admitted by the management. These are filed to show that contractual workers were also regularized by the management who were either working under direct control of the management or through the contractors.

30. Exhibit W/37 to Exhibit W/39 are handwriting expert report and the specimen signature of Shri B.N. Prasad. The evidence of the Handwriting Expert Shri K.R. Pillai has already been discussed earlier.

31. Exhibit W/40 is the copy of the so called certified payment sheets of 80 workers who are said to be working in CHP. These 69 workmen appear to be in the list of the payment sheets. These sheets are from July 1984 to December 1985. These sheets also show that they were working regularly and not intermittently and had worked more than 240 days in a calendar year. These payment sheets bear the signature of Shri B.N. Prasad who has also not specifically denied these payment sheets in his evidence rather he had supported that he had supervised the payment and the same are in the record of the court. These payment sheets do not have any certificate to establish that the payment was done by the contractor rather it shows that it was done by the management directly. It is also clear that there were 80 workers who were working in CHP for cleaning of spillage coal and for pouring of spillage coal into the belt. This falsify the case of the management that there were only 10-12 workers for these works. The story of the union appears to be established that they were in the direct control of the management who used to pay wages and the contract was sham and bogus and was only paper work.

32. Now let us examine the evidence adduced by the management. The management has examined six witnesses in the case. The management witness Shri Ram Kumar Yadav was working as Junior Executive Trainee at West Jhagrakhand colliery from 7-9-1983 to 7-11-1984. He has stated in his evidence that during the said period, Chotelal contractor's workmen were engaged for CHP belt cleaning and dump cleaning work. His evidence supports the case of the Union that these workmen were working since 1983 whereas the management case is that these workmen were engaged from 1984. He has further stated that the number of contractor's workmen were about 12 only but this fact is contradicted from his evidence. He has subsequently

stated that payment vouchers Exhibit W/1 to W/3 bear his signatures which are subsequently marked as Exhibit W/6 to W/8. These payment sheets or vouchers show that there were 20 and more workers. He has further supported the case of the Union/workmen in his evidence that these workers worked in the Coal Handling Plant (CHP) which appears to be integral part of the main activity of the mining operation:

33. Another management witness Shri S. S. Agrawal was working as Superintendent of Mine in the West Jhagrakhand Colliery from Feb. 1984 to January 1987. He has come to support the case of the management in examination-in-chief that contractor's workers were engaged occasionally for cleaning of belt or the dump by issuing work orders to the contractor. In cross-examination, he has stated that the contractor's workmen were doing work in the Railway Siding and the spillage coal of the CHP was loaded in the wagon and from the wagons it were went to different Industrial units and such type of work comes under Mines Act. The attendance were taken of these workmen in Form A and Form C. The workmen, who do work in mines, have Form-B. These workmen were working in the mine premises but the management has not produced those documents which are required to be maintained under Mines Act to prove that these workmen were working under the contractor. In absence of those documents, it appears to be probable that they were in the direct control of the management and there was no contractor and therefore the management has intentionally with-held those documents. In absence of those documents, his evidence appears to be not reliable.

34. Another management witness Shri B.N. Prasad was working as Personnel Officer of West Jhagrakhand Colliery from June 1984 to June 1989. He is said to be entrusted to supervise the payment made to the contractors and used to issue labour payment certificate. He has come to support the case of the management that Chotelal was contractor. He had not signed any other documents except issuing Labour Payment Certificate. He has stated in cross-examination that he had signed on the documents which are filed by the management and are marked as Exhibit M/1 to M/12. These documents are not Labour Payment Certificates. He has contradicted his own evidence. He has further stated that the payments made to the workmen by the contractor and supervised by him are on the record. Those payment sheets are only filed by the union/workmen in the case and are said to be signed by this witness. The management has admitted those documents. The management has not filed payment sheets of the workmen which are said to be made by the contractor and was certified by this witness. The management has intentionally concealed those documents for the reason best known to the management. He has also supported the fact in his evidence that on 25-7-84 wages were given to 14 workmen and on 15-2-84, wages were paid to 22 workmen. This is contrary to the case of the management of 12 workmen.

35. Another management witness Shri A.K. Ranoo was working as Survey Officer in West Jhagrakhand Colliery from Dec.1985 to January 1990. He has come to say that Chotelal contractor was being engaged to clear the spillage coal under the belt conveyor and at the tail end of the conveyor belt. He has stated that he was in West Jhagrakhand Colliery from 1986 to 1995 and these workmen worked in the said period for some period. The case of the union is that they worked till 1989 when they were stopped from work. Thus his evidence supports the case of the Union regarding working of the workmen till 1989.

36. Another management witness Shri S.M. Mukherjee was working as Manager in B Seam Colliery from May 1984 to May 1994. He was not working in West Jhagrakhand Colliery in the relevant period. He appears to be not competent to say about the work of West Jhagrakhand Colliery Siding. He has stated that on the basis of record, these workmen also worked in underground mine. The last management witness Shri G.S. Singh was working as Personnel Manager, Jhagrakhand colliery. He has supported the fact that the documents filed by the Union before the Tribunal are verified by him and those documents bear the signature of the officer of the Colliery. This fact is also corroborated from the orders dated 30-8-91 and 28-12-04. The learned Management Representative has argued that the documents filed by the Union have been denied by the management. It is clear that the learned Management Representative has argued beyond the record though the ordersheets and the evidence of the management show that it is admitted and verified by the management witness. It is evident that the documents filed by the Union are admitted by the management and are admissible in evidence. Thus the oral evidence adduced by the management shows that the management has intentionally concealed the documents. It is also established that there were more than 12 workers for the spillage of coal contrary to the case of the management and the workmen were in direct control of the management.

37. The management has also adduced documentary evidence. Before discussing the documentary evidence, it is not out of place to say that Chotelal so called contractor has denied that he was contractor and he has also denied any L.T.I. as a contractor on any paper of the management. The burden of proof lies on the management that Chotelal was a contractor and these workmen were workers of the contractor. Admittedly Chotelal was also a worker of the alleged work of the management.

38. Exhibit M/1 is the map plan showing the CHP Siding of West Jhagrakhand Colliery. The map plan shows that there were belts marked as A to L whereby the coal was transmitted to surge bunkers. The entire area is surrounded by boundary wall and comes within the premises of mine. These workmen used to do work of spillage coal on these belt which are within the premises

of mine. Mines Act appears to be applicable. Exhibit M/2 and M/3 are two pages of complaint filed by Chotelal and 12 others for payment of wages before the ALC(C), Shahdol. It is argued on behalf of the management that this shows that there were 12 workers of Chotelal contractor. I do not agree with this view of the management because Chotelal has raised issue of wages alongwith 12 others as workers that the management was paying less wages. It does not show that Chotelal and 12 others had admitted that there were no other workers in the spillage coal of CHP. This document is not helpful to the management.

39. Exhibit M/4, M/10 and M/11 are also filed by the union which are marked as Exhibit W/17, W/16 and W/18 respectively. The relevancy of these documents have already been discussed earlier.

40. Exhibit M/5 is the application filed by the Union before the ALC(C) Shahdol for the dispute of 68 workers. Exhibit M/6 and Exhibit M/7 are the list of workmen filed by the union before ALC(C) Shahdol. Exhibit M/8 and M/9 are the notices of the ALC(C) Shahdol to both the parties for holding joint discussion on the dispute raised by the Union.

41. To prove that these workmen were contractor's workers, the management has filed certain documents. The management has not filed any document regarding notice for tender, nor publication of tender nor notice of any quotation of work, nor any agreement of contract of the so called contractor. Photocopies of 12 work orders are filed. These work orders are of the period of 1984 to 1986 which are marked as Exhibit M/12(a1) to M/12(a12). The work orders marked as Exhibit M/12(a4) to M/12(a7) and Exhibit M/12(a9) show that there was a condition that rules and regulations of Contract and Abolition Act is applicable. But there is no contract agreement nor there was any licence of the contractor as required under rules. The said work orders further show that the payment of the workers had to be made in the colliery counter and the same should be certified by the person authorized for the purpose. No such payment sheets of the workers are filed by the management to show that the payment was made in his supervision on the counter of colliery and the same was certified. Either the payment sheets of the workers were intentionally with-held or these work orders are only paper arrangement. However the Union/workmen has filed payment sheets which show that they were paid directly by the management and not through contractor. This aspect creates doubt in the genuineness of the work orders. Exhibit M/12(a5) is the work order dated 16-12-84. The said work order shows that the final concurrence of Sub Area Manager was obtained vide sanction No. Nil dated 18-12-84. It is surprising that when the work order was already issued on 16-12-84 then as to how sanction No. Nil dated 18-12-84 was obtained and written on the work order after raising the same. This aspect itself shows that the work orders are sham documents and are created for the purpose of the case or only paper work. Exhibit

M/12(a4) is the work order dated 15-7-86 and the work was to be completed by 31-7-86. The case of the management is that the work of Chotelal contractor was stopped by March, 1986. There is specific pleading at para-6 in the Written Statement of the management that Chotelal contractor was granted work till March, 1986. Thus work order is beyond the period of the pleading. This aspect also falsify the case of the management and therefore other version of the case of the Union appears to be accepted that these workmen worked till May, 1989 under the direct control of the management.

42. Exhibit 13 series are payment orders. As discussed above, it is clear that work orders are doubtful and therefore these documents appear to be doubtful and also found beyond the pleading. These payment orders are also doubtful and it cannot create any presumption that cleaning of spillage coal of CHP was being done by the so called contractor. However let us examine Exhibit 13 series, the alleged payment orders. Exhibit 13(a1) and Exhibit 13(a5) are of the period of July, 1986. According to the pleading of the management in those period, Chotelal, the so called contractor was not at work. Thus the pay order is of the period in which it is alleged by the management that Chotelal had not worked. The payment orders show that labour payment certificate was also enclosed and issued but no labour payment certificate is filed by the management to show the payment of wages of the exact number of workers. In absence of Labour Payment Certificate, the pay orders are not fit to be believed as genuine. Moreover Chotelal has already denied his L.T.I. and the management has failed to prove by any cogent evidence that the L.T.I. on the payment orders are of Chotelal and had accepted the payment who claimed himself simply a worker.

43. Exhibit 14 is said to be a claim of Chotelal of Rs. 400 of the work done for cleaning of bunker of CHP. The L.T.I. is not proved and Chotelal has already denied the same.

44. Exhibit M/15 series are the post facto sanction of the work orders. This itself shows that the work orders were issued without any approval of the competent authority and the approval was taken post facto whereas the work orders (Exhibit M/12 series) show that the approval were already taken by the competent authority. This shows that it was only a paper work and the contract was sham and bogus.

45. Exhibit M/16 series are final bills which are alleged to have been submitted by the Contractor, Chotelal. The said bills show that the actual measurement was done in each bills before commencement of the work of stacking of spillage coal. The alleged work was belt cleaning, removal of accumulated spillage coal of the CHP, stacking of spillage coal while not in running condition and to pour spillage coal on the running belt with the help of Shovel. It is evident that unless the spillage coal would not be stacked the measurement was not possible but the bills show

otherwise. This shows that it was paper work only. Moreover the so called contractor has also not supported that he had submitted any bill. The work orders appear to be forged and not reliable and it does not prove that the work of spillage coal was done by the contractor.

46. The management has filed photocopies of measurement book in loose sheets and 7 number of pages of the measurement books (in short MB) are missing. Such type of MB cannot be relied. However the MB gives a different story which are Exhibit M/17 series. The MB shows that the work of spillage coal of CHP are being done from 14-2-83 to 20-12-86 whereas the case of the management is that Chotelal, so called contractor's workmen were working from 1984 to March 1986 only. On the other hand, the case of the union corroborates that the workmen were working in cleaning of spillage coal of CHP from 1983 till May 1989 directly under the control of the management. Thus the MB also contradicts the case of the management as it is beyond the pleading and evidence. Thus it is clear that the contract papers do not prove that Chotelal was contractor and the work of spillage coal was performed by the contractor's workers rather it shows that it was done by the workers directly.

47. The Management Representative argued that these workmen never worked more than 240 days in a year. On the other hand, the Union Representative submitted that Exhibit W/40 are payment sheets which clearly shows that the workmen had continuously worked and had worked more than 240 days in a calendar year. It is also submitted that the MB filed by the management itself shows that the workmen had worked in the year 1983 for 249 days, in the year 1984 for 114 days, in the year 1985 for 313 days and in the year 1986 they worked 309 days. Though the MB was incomplete and pages were missing. It is submitted that it shows that they had worked more than 240 days in a calendar year. Moreover there is specific case of the union that they had worked continuously since 1983. It is evident that they had been terminated without any notice and without payment of any compensation.

48. It is evident from the payment sheets (Exhibit W/40) and measurement book that the workmen had worked more than 240 days in a calendar year. Moreover when the case of the management of contractor's workers fails, the other story of the Union is to be believed.

49. It is urged on behalf of the Union that the management has intentionally concealed the documents which are bound to be prepared under Section 48(3) of the Mines Act, 1952 and Rule 78 of the Mines Rules because the workmen were admittedly working within the premises of the mine and therefore the Mines Act, 1952 and Rules are applicable to the workers. Section 48(3) Mines Act, 1952 runs as follows-

"No person shall be employed in a mine until the particulars required by sub-section (1) have been recorded in the register in respect of such person

and no person shall be employed except during the periods of work shown in respect of him in the register."

Rule 78 of Mines Rules 1955 is reproduced as follows-

" Register of daily attendance:

1. The registers required by sub-section (4) of Section 48 of persons employed in the mine (a) below ground, (b) in open-cast workings and (c) above ground shall be maintained in Forms C, D and E respectively.

2. The entries in the register maintained in Form C shall be made at the entrance or entrances to the mine, at the time when a person against whose name the entry is made enters or leaves the mine.

(3) The entries in the registers maintained in forms D and E shall be made at suitable points on the premises of the mine with reasonable despatch; at the commencement and end of the period of work."

Thus it is clear that the management was bound to maintain these registers. Moreover the management agreed to produce those documents vide order dated 4-1-95. The extract of the order dated 4-1-95 is reproduced below:-

" It is not disputed that the B form Attendance Register and B.T.C. are the documents for just and proper decision of the case and definitely regarding the identity of the concerned workmen will be eliminated by these documents. Consequently management rightly agrees as directed by the court to file these documents on or before the next date of hearing."

Thereafter the management took a different inconsistent stand against the provision of law that these documents were not prepared or available. In absence of these documents, adverse inference is to be drawn that these workmen worked under the direct employment of the management.

50. The learned Union Representative has also argued that the nature of work done by these workmen was of prohibited categories and permanent and perennial nature. The notification dated 1-2-1975 declared by the Central Government prohibits such type of employment through contractor. Admittedly these workmen were employed for stacking of spillage coal and cleaning of belt and sump at Coal Handling Plant (CHP) of West Jhagrakhand Colliery Siding. The coal were loaded on the wagon for sending it to different Industrial units. The CHP is the integral part of the main activity of the mine and job descriptions of the workmen appear to be for raising or raising-cum-selling of coal and for coal loading and unloading. In this context now let us examine that the notification dated 1-2-1975 is applicable. The said notification is filed by the Union which is marked as Exhibit

W/41. The notification dated 1-2-1975 was published in the gazette on 15-2-1975. The notification is reproduced below—

"No..... In exercise of the powers conferred by sub-section(i) of Section 10 of the Contract Labour (Regulation and Abolition) Act, 1970(37 of 1970), the Central Government after consultation with the Central Board, hereby prohibits employment of contract labour in the works, specified in the schedule annexed hereto in all Coal Mines.

SCHEDULE

- I. Raising or raising-cum-selling of coal;
- II. Coal loading and unloading;
- III. Overburden removal and earth cutting;
- IV. Soft coke manufacturing;
- V. driving of stone drifts and miscellaneous stone cutting underground;"

Thus it is clear that these workers were related to the work of CHP which was the integral part of the main activity of the coal mine whereby the coal loading and unloading and raising or raising-cum-selling were concerned. I find that the work done by these workmen come under the prohibited employment of contract labour. Thus even if there was contract, the said contract is said to be sham and camouflage and the workmen are said to be in the direct employment of the management from the date of their engagement as the notification was of earlier date.

51. It is submitted that there was no contractor employed by the management in the eye of law. Chotelal the so called contractor was paper arrangement to by pass the provision of law. He was made contractor for payment purpose though he was admittedly himself working as worker. The amount so paid by the management was equally distributed as per their attendance in presence of the management's representative. It is submitted that the Hon'ble Apex Court has opined the status of such contractor as workman under the employment of the employer. The Union has relied the decision reported in (2008) 12 S.C.C. 275, General Manager, Oil and Natural Gas Commission, Silchar Vrs. Oil and Natural Gas Commission contractual Workers Union wherein the Hon'ble Apex Court has held—

"It has also been observed that even ONGC had admitted that since 1988 there was no licensed contractor and that the wages were being paid through one of the leaders of the Union and one such contractor, Manik has been named. The Tribunal then opined that it appeared from the record that Manik himself was a workman and not a contractor as he too was shown in the acquaintance roll to have received wages. We find that the real issue was as to the status of the workmen as

employees of ONGC or of the contractor, and it having been found that the workmen were the employees of ONGC they would ipso facto be entitled to all benefits available in that capacity, and the issue of regularization would, therefore, pale into insignificance. We find that in this situation, the Industrial Tribunal and the division Bench of the High Court were justified in lifting the veil in order to determine as to the nature of employment in the light of the judgments quoted above. We, therefore, find that the ratio of the judgement in Umadevi case would not be applicable and that the facts of Pandey case are on the contrary more akin to the facts of the present one."

"We are, therefore, of the opinion that in the light of the aforesaid observations, Mr. Dave's argument that the workmen being on a contractual basis, were not entitled to any relief, cannot be accepted and the large number of judgments cited by Mr. Dave on this aspect cannot be applied to the facts of the case.

In the instant case also, it is admitted that Chotelal was named as a contractor by the management who was also himself a workman and his name also appeared in the payment sheets (Exhibit W/5 to W/13 and W/40) to have received wages. There was no licenced contractor. Thus the status of the workmen were the employees of the management who would be entitled to all benefits available in that capacity.

52. To sum up, the entire evidence proved in the case are as follows :—

1. The workman were working for cleaning of belt of CHP, stacking of coal, Pouring of spillage coal into the belt, cleaning of drum and rollers etc. which appear to be permanent and perennial nature of job.
2. Chotelal, the so called contractor was also himself a workman and his name also appeared in the payment sheets to have received wages. (Exhibit W/6 to W/13).
3. The management used to supervise and allot works to individual workers by issuing engagement slips (Exhibit W/1 to W/5.).
4. The wages were paid directly to the workers by the management and the acquaintance roll was prepared by the management to make payment to the workmen (Exhibit W/6 to W/13 and W/40).
5. The workmen were working within the mines premises and the Mines Act 1952 and Rules appear to be applicable.
6. The management has deliberately withheld the documents to produce in court as it was required to maintain as prescribed by law.

inspite of the direction of the Tribunal vide order dated 4-1-95.

7. There was no contract agreement, nor any notice for tender for the alleged contract.
8. The work orders, payment order and post facto sanction of the alleged contract appear to be only paper works of the management.
9. There was notification dated 1-2-1975 by the Central Government under Sub-section (1) of Section 10 of the Contract Labour (Regulation and Abolition) Act, 1970 prohibited the employment of contract labour in the works of raising or raising-cum-selling of coal and coal loading and unloading which appears to be covered the work of this workmen (Exhibit W/41).
10. The workmen worked more than 240 days in a calendar year in view of the documents filed by the parties. (Exhibit W/40 and M/17 series).

53. On the basis of above discussion, it is evident that Shri Chotelal was workmen and was not a contractor which were only paper works. It is also established that the relationship of master and servant existed between the management and these workmen and they were in the direct employment of the management. This issue is decided in affirmative in favour of the Union/workmen and against the management.

54. Issue No. I

The learned Management Representative submits that assuming that the Contract Labour Act, 1970 is applicable in the case, even then as the principle laid down by the Apex Court in a case of Steel Authority of India and others versus National Union Water Front Workers and others reported in (2001) 7 SCC.1, the contract labour cannot be automatically absorbed by issuance of notification under Section 10(1) of the Contract Labour Act, 1970, rather the consequence of violation of the provision of CLRA Act is provided in Section 23 and 25 of the said Act wherefrom there is only penal consequences. It is submitted that therefore the question of regularizing on the roll of management and extending them all benefits available to regular employees do not arise.

55. The learned Union Representative has submitted that this is not a question of absorption of these workmen on the roll of the management. Rather they were directly employed and controlled by them as it is evident from the evidence adduced by the parties. It is submitted that the so called contract was sham and camouflage and Chotelal was not a contractor as he was himself a workman and he received payment on payment sheets from the management. Moreover he was engaged on work by means of issuing engagement slips. He has relied the decision of Oil and Natural Gas Commission Case (supra) of the Hon'ble Apex Court. It is submitted that the Hon'ble Apex

Court had also discussed Steel Authority of India Case (Supra) and also Uma Devi case reported in (2006) 4 SCC.1. It is submitted that in the background of the facts of the present case, these workmen are entitled to be regularized on the roll of management and extending them all benefits available to their regular workers in view of the decision in Oil and Natural Gas Commission Case (Supra).

56. It is evident on the basis of the discussion made above and the facts of present case that the workmen were directly employed and controlled by the management. In my view also, it is not a case of absorption rather it is a case of entitlement to all benefits available in that capacity as the workmen were found employees of the management and not of a contractor. I find that the decision of the Hon'ble Apex Court passed in Oil and Natural Gas Commission Case (Supra) is applicable in the present case.

57. Another question raised by the learned Representative of the Union is that admittedly these workmen were terminated during the pendency of the conciliation proceeding before the Assistant Labour Commissioner (C), Shahdol without taking any permission from the authority before which the conciliation proceeding was pending under the provision of Section 33 of the Industrial Disputes Act, 1947. It is submitted that this sort of stoppage of duties of the workers without prior permission of the Competent Authority, is void-ab-initio and they are deemed to be in continuous service and entitled for wages of the industry, i.e. Category-I wages of NCWA in vogue time to time. The learned Representative of the Union has relied the decision of the Hon'ble Apex Court reported in (2002) 2 S.C.C.244 Jaipur Zila Sahakari Bhoomi Vikas Bank Ltd. Versus Ram Gopal Sharma and others where in the Hon'ble Apex Court has held at-

"Para-9

In the case of Tata Iron and Steel Co. it is reiterated and stated thus:

"It is now well settled that the requirements of the proviso have to be satisfied by the employer on the basis that they form part of the same transaction and stated generally, the employer must either pay or offer the salary for one month to the employee before passing an order of his discharge or dismissal, and must apply to the specified authority for approval of his action at the same time, or within such reasonably short time thereafter as to form part of the same transaction. It is also settled that if approval is granted, it takes effect from the date of the order passed by the employer for which approval was sought. If approval is not granted, the order of dismissal or discharge passed by the employer is wholly invalid or inoperative, and the employee can legitimately claim to continue to be in the employment of the employer notwithstanding the order passed by him dismissing or discharging him. In other words, approval by the prescribed

authority makes the order of discharge or dismissal effective; in the absence of approval, such an order is invalid and inoperative in law.”

Para-15

The view that when no application is made or the one made is withdrawn, there is no order of refusal of such application on merit and as such the order of dismissal or discharge does not become void or inoperative unless such an order is set aside under Section 33-A cannot be accepted. In our view, not making an application under Section 33(2)(b) seeking approval or withdrawing an application once made before any order is made thereon, is a clear case of contravention of the proviso to Section 33(2)(b). An employer who does not make an application under Section 33(2)(b) or withdraws the one made, cannot be rewarded by relieving him of the statutory obligation created on him to make such an application. If it is so done, he will be happier or more comfortable than an employer who obeys the command of law and makes an application inviting scrutiny of the authority in the matter of granting approval of the action taken by him. Adherence to and obedience of law should be obvious and necessary in a system governed by rule of law. An employer by design can avoid to make an application after dismissing or discharging an employee or file it and withdraw before any order is passed on it, on its merits, to take a position that such order is not inoperative or void till it is set aside under Section 33-A notwithstanding the contravention of Section 33(2)(b) proviso, driving the employee to have recourse to one or more proceedings by making a complaint under Section 33-A or to raise another industrial dispute or to make a complaint under Section 31 (1). Such an approach destroys the protection specifically and expressly given to an employee under the said proviso as against possible victimization, unfair labour practice or harassment because of pendency of industrial dispute so that an employee can be saved from hardship of unemployment.”

Para-16

Section 31 speaks of penalty in respect of the offences stated therein. This provision is not intended to give any remedy to an aggrieved employee. It is only to punish the offender. The argument that Section 31 provides a remedy to an employee for contravention of Section 33 is unacceptable. Merely because penal provision is available or a workman has a further remedy under Section 33-A to challenge the approval granted, it cannot be said that the order of discharge or dismissal does not become inoperative or invalid unless set aside under Section 33-A. There is nothing in Sections 31, 33 and 33-A to suggest otherwise

even reading them together in the context. These sections are intended to serve different purposes.

Para-17

As already noticed above, the Constitution Bench of this Court in *P. H. Kalyani v. Air France*, Calcutta has referred to *Strawboard Mfg Co. Vrs. Govind* and approved the view taken in the said decision as regards the requirements of the proviso to Section 33(2)(b). Unfortunately in *Punjab Beverages (P) Ltd. V. Suresh Chand* the earlier two cases of *Strawboard* and *Tata Iron & Steel Co.* were not noticed touching the question. It is true that in *S. Ganapathy v. Air India* there is no reference to *Punjab Beverages*. But the view taken in two earlier decisions of *Strawboard* and *Tata Iron & Steel Co.* is followed on the question and rightly so in our opinion.”

58. It is an admitted fact that the workmen were terminated during the pendency of conciliation proceeding pending before ALC (C) Shahdol without obtaining any permission as required under I.D. Act, 1947. Under the circumstances, the claim of the workmen that their services deem to be continued in the employment of the management appears to be justified and legal. I find that the workmen are entitled to be regularized on the roll of the management as General Mazdoor Category-I. Accordingly this issue is also decided in favour of the Union/workmen and against the management.

59. Issue No. III

The learned Representative of the Union has submitted that out of 69 workmen, nine of the workmen namely Milan, Lalau, Ramprasad, Subharia, Nonibai, Phuluwa, Hindiya, Phool Kumari and Lallu died during the pendency of the proceedings. It is also submitted that the workmen Ramai, Chhottibai, Shantibai, Sembai, Premiya, Jhulli, kalli, Chhotta, Ramesh and Samkaliya have attained the age of 60 years and one workman Dhannu S/o Mandhari is already in employment. Considering discussion and submission made above, the management is directed to regularize the workmen from the date of termination i.e. from June, 1989 on the roll of the management and extend them all benefits available to General Mazdoor Cat-I. The workmen died during the pendency of the reference be deemed to have died in service. Similarly the workmen who attained the age of superannuation be deemed to have retired in service. They are also entitled to be paid retirement benefits in accordance with law. The reference is, accordingly answered.

60. In the result, the award is passed without any order to costs.

61. Let the copies of the award be sent to the Government of India, Ministry of Labour & Employment as per rules.

Versus

Party No. 2 : The Secretary,
Bhartiya Koyla Khadan Mazdoor Sangh
(BMS), No. M/140, Vikashnagar,
PO: Kusmunda Colliery, Korba (MP).

AWARD

(Dated: 29th June, 2011)

In exercise of the powers conferred by clause (d) of sub-section (1) and sub-section 2(A) of Section 10 of Industrial Disputes Act, 1947 (14 of 1947) ("the Act" in short), the Central Government has referred the industrial dispute between the employers, in relation to the management of the Chief General Manager, Kusmunda Area and their workmen, for adjudication, as per letter No. L-22012/563/99-IR(CM-II) dated 5-09-2000, with the following schedule :-

"Whether the action of the management of SECL, Kusmunda/Distt. Korba (MP) in not protecting the

pay of S/Sh. Jagdish Prasad Shriwas, Prakash Kumar Tiwari, Kamal Prasad Sahu, S. K. Sarangi and Gajraj Singh workmen while promoting them in the clerical grade-III is justified? If not, to what relief the said workmen are entitled?"

2. Being noticed, the union, "Bhartiya Koyla Khadan Mazdoor Sangh (BMS)" ("the union" in short) filed the statement of claim on behalf of all the five workmen and the management of SECL ("the Party No. 1" in short) filed their written statement.

Though the union filed a single written statement for all the five workmen, it has projected the case of the five workmen individually in the same.

According to the statement of claim, the case of the workman, Shri Jagdish Prasad Shriwas is that he was appointed as a general mazdoor category-I on 29-5-87, but worked in the mining department as a Clerk and he was engaged to issue slips in the weigh bridge of the mining department and to take weight of the trucks coming and going from Gevra Mine and making entries of the weight and even though he was working as a Clerk from date of his appointment, on 1-4-93, he was promoted as general mazdoor category-II, instead of clerk grade-III and he made an application to promote him to clerk grade-III to the Mines Manager, Kusmunda Project and on his application, the siding incharge CHP Kusmunda made endorsement of his performing duties of a clerk from May, 87 and his work to be satisfactory and that he deserved to be regularized or promoted as clerk grade-III and his appointment in Kusmunda Project was as a land oustee and according to sections 9.4.2 and 9.4.3 of NCWA-IV, the employees appointed as land oustee having higher secondary qualification are to be engaged as clerks and on completion of one year of such engagement, they are to be regularized/promoted as clerk grade-III and according to the said scheme, though number of employees (land oustee) were regularized and promoted as clerk grade-III, he was not promoted as clerk grade-III and he was also not paid the difference of salary of clerk grade-III from 29-5-87 to 30-5-88 and Shri Y. K. Mishra and Shri A. M. Mishra, who were juniors to him and were engaged to work as clerk from 22-12-87 were regularized as clerk grade-III on 1-2-91 and subsequently promoted to clerk grade-II on 5-7-95 and as such, he is entitled to be promoted as clerk grade-III and clerk grade-II at par with Shri Y. K. Mishra and only on 3-4-96 he was promoted as clerk grade-III with the initial pay of Rs. 1826 and as protection of pay was given to Shri Y. K. Mishra, he is also entitled for protection of pay.

3. The case of Shri Prakash Kumar Tiwari is that he was appointed as general mazdoor category-I on 11-6-88 and he was promoted to general mazdoor category-II on 29-12-89 and from 22-2-92, he was engaged in the accounts section as a clerk, which can be found from the letter issued by Shri B. Datta, Deputy Finance Manager, Kusmunda dt.

20-10-94 and the letter of the Sub Area Manager, Kusmunda dt. 14-3-95, but he was not paid the differential pay of clerk grade-III from 22-2-92 and Shri Maksudan Lal, who was junior to him and was performing as a clerk like him was regularised as clerk grade-III on 13-5-93 and Shri Lal was given the pay protection and Shri Lal was also promoted as clerk grade-II on 7-10-96 and as such, he is also entitled to be promoted as clerk grade-III w.e.f. 1-6-92 and as per order dt. 1-1-96, he was promoted as clerk grade-III at the initial pay scale of Rs. 1826 and as such, he is entitled for pay protection and promotion to clerk grade-II at par with Shri Lal.

4. The case of Shri Kamal Prasad Sahu is that he was appointed as general mazdoor category-I on 21-7-92 and as per the order dated 10-9-92 of Mines Manager of Kusmunda Area, he was posted to mining section to note the trips of Dumper, which comes under the duties of a clerk and as per order dt. 24-9-92, he was posted to establishment section of Kusmunda Mine and was engaged to perform the work of a clerk and as per order dt. 2-8-93, he was again directed to work as a clerk and as per order of the Senior Personnel Manager, Kusmunda Area dt. 27-4-94, he was directed to work in place of the UDC clerk, Shyamlal in billing section and as per order dt. 19-5-94, he was directed to assist the Senior Clerk, Shri M.D. Mahant as a clerk and as per the order of the Sub Area Manager, Kusmunda dt. 9-8-94, he was posted to accounts section to work as a clerk and he worked continuously from 21-7-92 as a clerk and as such, he was entitled for regularisation and promotion as a clerk and he is also entitled to get the differential pay of clerk grade-III w.e.f. 21-7-92 and one Maksudan Lal, who was working with him as a clerk was promoted as clerk grade-III on 13-5-93 with protection of his basic pay and the said Lal was also promoted as clerk grade-II w.e.f. 7-10-96 and as such, he was entitled for promotion as clerk grade-III w.e.f. 22-7-95, but he was promoted as clerk grade-III as per order dt. 1-1-96 and his pay was fixed at Rs. 1826 and as such, he is entitled for protection of his pay and promotion at par with Shri Lal.

5. The case of Shri S. K. Sarangi is that he was appointed as a general mazdoor category-I on 9-7-92 and as per the order of the Mines Engineer of Kusmunda Area dt. 2-9-92, he worked in place of Shri P. K. Agrawal, Senior Clerk and since 10-9-92 he worked as a clerk in the account section of Kusmunda Area and as per order dt. 1-1-96, he was promoted as clerk grade-III with the initial pay of Rs. 1826, whereas Shri Maksudan Lal, who was promoted as a clerk grade-III on 13-5-93 was given pay protection and other employees working like him had been promoted as clerk grade-III and clerk grade-II and as such, he is entitled for promotion as clerk grade-III w.e.f. 10-7-95 along with protection of his pay.

6. The case of Shri Gajraj Singh is that he was appointed as general mazdoor category-I on 17-5-90 and as per the order of the Mines Engineer dt. 17-11-93, he was

engaged in Coal Depot as a clerk and from 17-11-93 to 31-12-95, he worked continuously in the office of the Mining Engineer in coal dispatch section as a clerk but he was not paid the differential pay of clerk grade-III from 17-11-93 to 31-12-95 and as he worked as a clerk since 17-11-93, he is entitled for promotion as a clerk grade-III w.e.f. 17-11-93 and Shri Maksudan Lal, who was working as a clerk like him, was promoted as clerk grade-III w.e.f. 13-5-93 with protection of his basic pay but he was promoted as clerk grade-III on 1-1-96 with the initial basic pay of Rs. 1826 and as such, he is entitled for protection of pay and promotion to clerk grade-II as per Shri Lal.

7. The party No. 1 filed its written statement pleading inter alia that workman, Shri Jagdish Prasad was appointed as general mazdoor category-I and he was working as such and his claim that the work of a clerk was taken from him is without any basis and the workman was promoted from general mazdoor category-I to category-II and the workman was not engaged in clerical work from the date of his appointment and even otherwise, a category-I mazdoor is not to be promoted to grade-III clerk as per the cadre scheme and grade-III clerks are selected and appointed from the departmental candidates having three years service in the company and such departmental candidate should also be matriculate and simply for the reason that a person is appointed in category-I general mazdoor, he cannot claim for promotion to the post of grade-III clerk and the appointment of grade-III clerk is by selection by means of DPC/Test and is subjected to the availability of the vacancy as per approved manpower budget and a person having completed three years of service with matriculation is simply becomes eligible to appear for the selection/test and Annexure-III filed by the workman was neither called for from the signatory nor the signatory was competent to issue the same and otherwise, it was simply a recommendation on the application to satisfy the applicant and circular No. 1544 dt. 10-10-91 was having prospective effect and as the workman was appointed in May, 87, the said circular is not applicable to him and on the basis of the said circular, the workman was not entitled for selection as clerk grade-III and the claim of the workman is baseless, unfounded and even against the spirit of cadre scheme and Shri Y. K. Mishra was not promoted from category-I to clerk grade-III and he was already engaged in clerical job and due to the experience gathered by Shri Mishra, he was rightly selected and appointed as clerk grade-III and the claim of the workman to get promotion and the facility as per with Shri Mishra is out of reference and Shri Mishra was not given any protection while at the time of fixation of his basic and his pay was fixed at initial pay of clerk grade-III and the pay of the workman was also fixed at the initial pay of grade-III clerk prevailing at the time of his promotion and as such, the workman is not entitled for protection of his pay.

8. In reply to the claim of workman Shri P. K. Tiwari, it has been pleaded by party No. 1 that the workman was

not entrusted to do clerical work from 22-2-92, but he was deployed to work in the section in his capacity as category-II general mazdoor and the certificate alleged to be given by Shri B. Dutta was neither called for nor the signatory was competent to issue such a certificate and the said certificate might have been issued due to the personal attachment and to satisfy the workman and the work of a clerk was not taken from the workman and Shri M. Lal was not junior to the workman and no pay protection was given to Shri Lal on his promotion as clerk grade-III.

9. In reply to the claim of workman Shri S. K. Sarangi, the party No. 1 has pleaded that the workman was appointed as general mazdoor category-I and posted at Kusmunda Project w.e.f. 18-8-92 and the workman was not deployed to work in the account department in place of Shri P. K. Agrawal, UDC but he was deployed to work in the capacity of general mazdoor category-I and annexure-III cannot be taken as evidence that the applicant was working as clerk, as the same is simply a recommendation on the body of the application due to personal attachment and the signatory was not competent to issue such a certificate and Shri M. Lal was appointed as general mazdoor category-I after the issuance of circular No. 1554 dt. 10-10-91 and as such, he was rightly engaged in clerical nature of job and thereafter selected as grade-III clerk but Shri Lal was not given any pay protection, while he was selected as clerk grade-III and the workman has not stated as to what was his earlier basic and the pay cannot be protected, when a person is selected to a new grade.

10. In reply to the claim of workman, Shri K. P. Sahu, it is pleaded by the party No. 1 that the workman was appointed on 8-9-92 as a general mazdoor category-I and was posted at Kusmunda Project and he was never deployed in a clerical nature of job and no pay protection was given to Shri M. Lal when he was selected as grade-III clerk and he was given initial basic of the selected post and the workman has not stated as to how his basic salary was reduced and he was entitled for initial basic of the selected post and he was given the same.

11. In reply to the claim of the workman Shri Gajraj Singh, it is pleaded by the party No. 1 that the workman was posted in coal dispatch section to work as general mazdoor category-I and he did not work as a clerk from 17-11-93 to 31-12-95 and Shri M. Lal was not given any pay protection and the workman has failed to indicate as to what was his previous basic, from which, the same was reduced to Rs. 1826 and the workman being selected as a grade-III clerk, he was given the initial basic salary of grade-III clerk as per prevailing norms and since it was a case of selection, his basic could not have been protected.

In all the cases, it is pleaded by the party No. 1 that the post of grade-III is a selection post and selection is conducted only depending upon the availability of the post and departmental candidate, who is a matriculate and

have three years of experience is entitled to appear before the DPC for the post of grade-III clerk and mere completion of three years of service, selection to a particular post cannot be claimed as a matter of right and as such, workmen are not entitled for any relief.

12. Both the parties led oral evidence in support of their respective claims. Workman, Jagdish Prasad was examined as a witness on behalf of the workmen. It is necessary to mention here that in his evidence, this witnesses has stated that workman, Kamal Prasad Sahu is no more. This witness has reiterated the facts mentioned in the statement of claim. In his cross-examination, he has admitted that in clerical grade, the lowest post is grade-III and interview is taken for selection to clerk grade-III and he was selected in clerk grade-III by appearing in the interview and he was also promoted to grade-II and grade-I clerk and now he is working as grade-I clerk and all the other workmen were also promoted as clerk grade-II and grade-I.

13. One, Shri Arun Kumar, the Deputy Personnel Manager, Kusmunda has been examined as a witness for the party No. 1. He has also reiterated the stands taken by the management in the written statement.

14. In this case; as the schedule of reference is only regarding protection of pay of the workmen, the claim of the workmen in respect of promotion and other reliefs cannot be considered, as it is well settled that the Tribunal is not empowered to go beyond the reference.

15. Perused the materials on record. The workmen have demanded protection of pay at the time of their promotion as clerk grade-III. However, there is nothing on record to show that they are getting more pay than the initial pay scale of Rs. 1826 of clerical grade-III, prior to their promotion. No document has also been filed to show that the pay of Shri Y. K. Mishra was protected when he was promoted as clerk grade-III. There is a document showing the fixation of the pay of Shri M. Lal, while he was selected as clerk grade-III. It is found from the said document that the pay of Shri M. Lal was fixed at Rs. 1095 i.e. the initial basic of the scale of clerk grade-III, at the time of his promotion. In absence of any evidence in support of the claim for the workmen, it is found that the action of the management is justified. Hence, it is ordered:

ORDER

The action of the management of SECL, Kusmunda/ Distt. Korba (MP) in not protecting the pay of S/Sh. Jagdish Prasad Shriwas, Prakash Kumar Tiwari, Kamal Prasad Sahu, S. K. Sarangi and Gajraj Singh workmen while promoting them in the clerical grade-III is justified. The workmen are not entitled for any relief.

AWARD

1. The Central Government by exercising the powers conferred by clause (d) of sub-section(1) and sub-section 2A of Section 10 of the Industrial Disputes Act, 1947(14 of 1947) has referred this dispute vide order No.L-12012/72/96-IR(B-I) dated 10-07-1997 for adjudication on the following Schedule :

SCHEDULE

“Whether the action of the management of State Bank of India in terminating the services of Shri P. B. Kattimani, Janata Deposit Collector, with effect from 18-08-1994 is justified? If not to what relief he is entitled?”

2. After the receipt of the reference, causing notices to both the sides and receiving the Claim statement filed by the first party affording him several opportunities to lead evidence my learned Predecessor by award dated 15-05-2001 had rejected the reference for failure of the first party to substantiate his claim by giving his evidence. The said award was challenged by him before the Hon'ble High Court in Writ Petition No. 25346/2001 (L-TER) and the Hon'ble High Court by order dated 10th March, 2006 allowed the said writ petition saddling the first party with cost of Rs. 500 and remanded the matter for fresh adjudication. In the said order the Hon'ble High Court also fixed four weeks period to pay the cost levied. After receipt of the order of the Hon'ble High Court in Writ Petition No. 25346/2001 (L-TER) notices were issued to both the sides and they appeared through Shri M. Rama Rao and Shri B. C. Prabhakar, Advocates respectively. After the remand the evidence adduced by both sides have been received and the arguments addressed by the respective advocates have been heard.

3. The first party in his claim statement filed on 25-07-1997 claims that he was appointed by the Branch Manager, State Bank of India, Azad Road, Haliyal (referred as Respondent No. 1 Bank) as its publicity and collection representative in respect of the scheme called Janata Deposit Scheme under agreement dated 3-11-1978 and as per the terms of the agreement he was given with identity card and a certificate authorizing him to collect the Janata Deposit on behalf of the bank and to issue receipts with initial and signature and the identity card was issued in the first instance on 03-11-1978 which was valid up to 19-12-1996 and subsequently it was renewed from time to time up to 19-12-1999. It is further stated that since from the date of agreement he was honestly and diligently as per the terms of the agreement discharging his duties but abruptly while he was not in the house the Branch Manager, State Bank of India, Azad Road, Haliyal accompanied by a field officer by name Mr. Jantali forcibly collected the agency papers on 18-08-1994 while his son was at home without assigning any reason or issuing any letter of termination as required by the agreement and when he approached the Manager and questioned in that regard he was informed that he had acted under the instructions of his superior and would inform him about the reinstatement of the agency after the receipt of the orders from superiors, but inspite of his repeated approaches since he did not respond he wrote a letter on 21-07-1995 to Regional Manager, State Bank of India, Hubli (referred as Respondent No. 2) informing all the facts with a request to return the paper enabling him to continue his collection of deposits and as he too did not respond for about one month, he sent a notice to the Regional Manager under the Industrial Dispute Act with further request to take him back in service of collecting Janata Deposit collection and its copy were also sent to the Assistant Labour Commissioner (C) KGF and the General Secretary Karnataka Pradesh Bank Deposit Collecting Federation,

Bangalore and inspite of it since there was no response he submitted his representation to Labour Commissioner (Central) Mangalore on 17-10-1995 through registered post and he converting the same into conciliation proceedings held discussions and as he could not arrive at amicable settlement he submitted a failure report as a result of which the Central Government made this reference. Thus he has claimed that his agency being illegally terminated without following any procedure as agreed in the agreement pray for issue of direction to take him back in service and to pay him compensation from 18-08-1994 on the basis of his past earnings.

4. The Second party in its counter statement filed through it Branch Manager, Haliyal branch while admitting that first party was engaged as a Janata Deposit Collector under an agreement of agency dated 3-11-1978 contended that since the first party by violating the terms of the agreement had developed the habit of handing over the signed receipt books to his son for collection from the customers and as there were chances of fraud and unlawful claims against the bank, in order to safeguard the interest of the customers and maintain the image of the bank in the public took possession of the pre-signed receipt books from the first party and the same were not forcibly brought from his house without any reason as alleged in the claim statement. It is also contended the first party in breach of the terms of the agreement and inspite of the warning had undertaken the agency of Unit Trust of India and Peerless Finance and had neglected promoting the bank business and that is also one of the reason that forced it to take a decision to call back the receipts book from the first party. It is further contended as stated by the first party in his claim statement his agency was liable for termination without notice as such his termination of agency by collecting the signed receipt books from his house is legal and he is not entitle for any relief.

5. During the course of trial on behalf of the second party by filing the affidavit of Shri Arjun N. Savanur, Branch Manager, Haliyal Branch examined him on oath as MW1. Interalia the first party while filing the affidavit of himself and his son Shridhar Kattimani examined themselves on oath as WW1 and WW2 respectively and in the cross examination of WW1 got marked the copies of letter addressed by him dated 21-7-1995 addressed to the Regional Manager, State Bank of India, Hubli, copy of the identity card issued to him and copy of the letter dated 5-12-1995 addressed to ALC(C), Mangalore as EX. W1 to W3 respectively. On behalf of the second party in the evidence of MW1 though no documents were got marked. in the cross examination of WW1 the copy of agreement entered with him by the bank which was produced by him only, got marked as Ex. M1.

6. Since there is no dispute under agreement dated 3-11-1978 the copy of which is marked as Ex. M1 the bank had engaged the first party as its Janata Deposit Collector from 3-11-1978 and claims that since he violated the terms

of agreement by undertaking the agency of Unit Trust of India and Peerless Finance and used to keep with his son the signed receipts his agency has been terminated by collecting the signed receipts from his house without even giving a formal letter of termination, it has to be now seen whether the bank has substantiated the allegations made against the first party regarding breach of the conditions of the agreement the copy of which is at Ex.M1. The only witness examined on behalf of the second party of course in his affidavit filed in lieu of his evidence sworn to such violation of the agreement without producing any documentary evidence to substantiate said self swearing statement. Admittedly when MW1 was not working as Manager of Haliyal branch during the relevant period he could sworn to the facts only on the available records and his statement in the affidavit confirming the allegations made in the counter statement amounts to hearsay which is not admissible in evidence. If at all any documentary evidences are made available to substantiate such hearsay statement in the affidavit some value could be attached to such allegations. When it is specifically stated in the counter statement that since the first party had developed the habit of keeping the signed bank receipts with his son the bank was forced to terminate his agency collecting such signed receipts from his house having failed to produce such collected signed receipts without collecting the amount the allegation in the counter statement remained only as an allegation without any support. With regard to the first party undertaking the agency of Unit Trust of India and Peerless finance in violation of condition of agreement also no evidence being placed on record to substantiate the same, except the hearsay self swearing statement of MW1 the second party also failed to substantiate the same. Therefore, absolutely there was no reason for the second party to terminate the agency of the first party by bringing the agency papers from his house even without serving a letter of termination on him. Under the circumstances I am of the considered view that the action of the management/second party terminating the services of first party as Janata Deposit Collector w.e.f. 18-08-1994 is not justified.

7. In view of my finding that the termination is illegal and it is also claimed/alleged that the Janata Deposit scheme has been closed being not viable, as provided under Section 2(oo) this termination since amounts to retrenchment and in the absence of compliance with pre-requisites of Section 25F the retrenchment bringing about termination would be ab-initio void, the first party would be entitled for full back wages along with all benefits till which date he would have been continued in the scheme/agency. Since either the first party or second party have given date from which the scheme in question has been abolished or closed as per the extension of the period of identity card (copy of which is at Ex.M2) it was upto 19-12-1999 it can be taken that he could have continued in service in the absence of the impugned termination till that date i.e. 19-12-1999. Since the evidence of first party

through his affidavit that his last commission/wages paid for the month of March 1994 being Rs. 1560 being not denied either in his cross examination or by leading any positive evidence to show that the commission/wages paid to him in the month of March 1994 was lesser than that amount I find no reason to refuse the evidence of the first party the commission/wages received by him for the month of March 1994 being Rs. 1560. Since the impugned termination now found to be illegal being from 18-08-1994 and the renewal of the identity card of the first party was up to 19-12-1999 which date is now taken as the date that he would have been continued in service this period (18-08-1994 to 19-12-1999), works out to 5 years 3 months and 23 days, for this period the first party is entitled by way of wages/commission which amounts to Rs. 99,476 (Rs.93600+4680+1196). Further in view of the decision of the Industrial Tribunal, Hyderabad in ID No. 14/1980 dated 20-12-1988 in the case of pigmy collectors of various banks V/s Management confirmed by the Hon'ble High Court of Andhra Pradesh in Writ Petition No. 9783 of 1989 and in the Supreme Court of India in CA No. 3355 of 1998 the first party is also entitled for 15 days wages in the form of gratuity for every year of his service. Since admittedly he commenced his agency under the agreement the copy of which is. at Ex.M1 dated 3-11-1978 and as decided by me above, he would have continued in the service upto 19-12-1999 in the absence of his illegal termination on 18-08-1994 his period of service works out to 21 years and 17 days from 3-11-1978 to 19-12-1999. Since I have accepted the evidence of the first party that his commission/wages for the month of March 1994 the month in which his services was illegally terminated being Rs. 1560 since the 15 days wages per year works out to Rs. 780 (Rs.780 per year × 21 years) he is entitled for Rs.16380 in the form of gratuity as per the dictum of the award passed by the Industrial Tribunal, Hyderabad in ID No.14/1980 dated 20-12-1988: Since this amount payable to him has been unnecessarily deprived by the management since the date of ending of his service which has been taken by me as 19-12-1999 I feel it just and proper to saddle the management with interest on the amount payable to the first party at the rate of 6 percent per annum from 19-12-1999 till the date of payment. It was urged on behalf of the second party by its advocate that since the first party failed to pay the cost levied by the Hon'ble High Court in Writ Petition No. 25346 of 2001 while setting aside the earlier award of this tribunal rejecting the reference, being not paid within a period of 4 weeks as directed therein, the reference is liable to be rejected. With due respect to the learned advocate appearing for the second party since there was no condition precedent for proceeding with this reference only on payment of cost by the first party and the said cost was levied on first party while allowing his writ petition with further direction to pay within a period of 4 weeks, if first party has failed to pay the same Second Party can recover the same from the first party taking recourse to law but he cannot urge or press for rejection of the reference itself. In the result, I pass the following award :

AWARD

The action of the management of State Bank of India in terminating the services of Shri P.B. Kattimani, Janata Deposit Collector w.e.f. 18-08-1994 is not justified and he is entitled for a sum of Rs.99,476 in the form of wages/commission that he would have earned in the absence of the illegal termination, and a sum of Rs.16380 by way of gratuity as per the award passed in the case of pigmy collectors of various banks V/s Management confirmed by the Hon'ble High Court of Andhra Pradesh in Writ Petition No. 9783 of 1989 and in the Supreme Court of India in CA No. 3355 of 1998 with interest at the rate of 6 per cent per annum on both sums from 19-12-1999 till the date of payment.

ORDER

The Government of India, Ministry of Labour in exercise of the powers conferred on them under Section 10(1)(d) of the I.D. Act, 1947 has referred the following dispute to this Tribunal for adjudication vide their order No. L-20012/168/2005-IR(C-1) dated, the 12-1-2006

SCHEDULE

"Whether the demand of the Janta Mazdoor Sangh from the management of BCCL that Sh. Rajesh Chouhan and John Tirkey, M/Loader be regularised as Trammer is justified? If so, to what relief is the workman entitled and from what date?"

2. Today the case record put up before the Lok Adalat. Mr. K. N. Singh, the representative of the workman for the sponsoring Union in the light of the petition previously filed on 9-12-2009, he submits as per the Circular concerned, the workmen namely, Shri Rajesh Chouhan and John Tirkey, Miner/Loader have been accepted as Time rated Grade-III afresh as offered by the management at the relevant time; ever since they have been working; so the workmen are disinclined to proceed with the case.

3. From the perusal of the case record, I find that the present case has been running for filing documents on behalf of both the parties, but meanwhile, the Union as well as the workmen have been accepted as Time rated workmen in Grade. III afresh as per offer of the management, at the relevant time in 2010, and since then they have been accordingly working. Under these circumstances, I find no longer the industrial dispute exists as a result of the acceptance of the workmen as Time rated worker in Grade-III by the management. Hence this case is closed and disposed of accordingly.

AWARD

(Dated : 27th June, 2011)

In exercise of the powers conferred by clause (d) of sub-section (1) and sub-section 2(A) of Section 10 of Industrial Disputes Act, 1947 (14 of 1947) ("the Act" in short), the Central Government had referred the industrial dispute between the employers, in relation to the management of Western Coalfields Limited, Rajura Colliery and their workmen, S/Shri K. Manik, Suresh Zakayya Raipure and Rajayya Lachmayya Ramgilwar for adjudication to the Central Government Industrial Tribunal

No.1 at Mumbai, as per letter No. L-22011/103/82-D.III(B)/IR(C-II) dated 25-5-1995, with the following schedule :—

"Whether the action of the management of Rajura Colliery of M/s. W.C. Ltd., in dismissing Sh. K. Manik CCM Driver, Suresh Zakayya Raipure, helper and Sh. Rajayya Lachmayya Ramgilwar, General Mazdoor was legal and justified? If not, what relief the workmen are entitled to?"

Subsequently, the reference was transferred to this Tribunal by the Central Government for adjudication according to the law.

2. Being noticed, the union, RKKMS ("The Union" in short) filed the statement of claim on behalf of all the three workmen, as named in the schedule of reference and the management of Rajur Colliery of WCL ("the Party No.1" in short) filed the Written statement :

At this juncture, I think it pertinent to mention that though initially the dispute was raised on behalf of all the three workmen, on 24-3-2003, two workmen, namely, Shri Suresh Zakayya Raipure and Shri Rajayya Lachmayya Ramgilwar abandoned their claims by filing individual pursis in that respect and as such, the reference proceeded only in respect of the claim raised by workman, Shri K. Manik ("the workman" in short). In view of the above mentioned facts and for effective adjudication, I think it proper to mention only the stands taken by the workman in the statement of claim.

3. The case as projected by the union on behalf of the workman in the statement of claim is that it is a registered Trade Union and the Party No.1 is a registered Government Company, being controlled and managed by the Government of India and on 19-7-1981 a charge sheet was submitted against the workman, who was working as a CCM Driver, on the allegations that on 17-7-1981, at about 6.15 PM, the workman alongwith Shri Suresh Zakayya and Shri Rajayya Lachmayya assaulted Shri Rajendra Pandey, overman, while he was returning back from the office of the project officer, by stopping him on the road and challenging him as to why he cut down their (workmen) attendance and on scrutiny of the charges leveled against the workman, it can be found that there was no specification of the alleged place of occurrence, so as to find out as to whether the same was inside or outside the premises of the mines and in the charges, the name of the workers, who rescued Shri Rajendra Pandey were not mentioned and as such, the charges were vague and without substance and therefore, the said charge sheet is void and bad-in-law. It is further pleased by the union that the workman submitted his reply to the charge sheet on 26-7-1981, but the Party No.1, by order dated 28-7-1981, ordered to hold departmental enquiry against the workman and appointed Shri P. G. Jahagirdar, as the Inquiry Officer, without making any preliminary enquiry at least to find out as to the existence of prima facie evidence or not and as such, the order for conducting departmental enquiry is not maintainable and bad-in-law and the Inquiry Officer

without making any enquiry, adjourned the enquiry on 26-9-1981, 6-10-1981, 13-10-1981 and 4-11-1981 without assigning any reason for such adjournments and the Inquiry Officer did not conduct the enquiry in a fair and proper manner and adjourned the sittings of the enquiry on three dates, on the request of the management representative only to adduce false evidence and the enquiry was concluded on 14-11-1981 and the Inquiry Officer submitted his report and the workman was dismissed from service by order dated 9-12-1981 with immediate effect i.e. with effect from 9-12-1981. It is further pleaded by the union that there were number of infirmities in the enquiry, such as, charge sheet was not based on the written complaint of Shri Rajendra Pandey, no medical report was submitted in support of sustaining of injuries by Rajendra Pandey, by the management representative, statements of witnesses were not in corroboration to each other, witness, Shri Brijlal Yadav was forced to give evidence in the enquiry under threat and pressure and for that purpose was even charge sheeted and suspended and the findings of the Inquiry Officer are not based on the evidence on record and the Inquiry Officer, Shri P.G. Jahagirdar was discharging the functions of a Welfare Officer at Rajur Colliery and as such, he was prohibited to act as the Inquiry Officer in the departmental enquiry, as per section 2(J) of Mines Act and sub-rule (2) of Rule 73 of Mines (Central) Rules and therefore, the departmental enquiry conducted by him is required to be quashed and set aside and as the workman was acquitted in the criminal case launched against him by the Police, basing on the F. I. R. lodged by the management, the departmental enquiry is not maintainable. Prayer was made by the union to hold the charge sheet, departmental enquiry and order of dismissal against the workman to be invalid, illegal and bad-in-Law and to pass orders for the reinstatement of the workman in service with full back wages and other consequential benefits.

4. The Party No.1, in their written statement have pleaded inter-alia that the workman was working at Rajur Colliery before being dismissed from service in December, 1981 and the reasons for the dismissal was that the workman and two others were indulged in committing serious acts of misconduct on 19-7-1981 and they assaulted one Rajendra Pandey, Overman, who was their superior, on the allegations that he had cut down their attendance and as such, separate charge sheet was issued against them on 20-7-1981, containing the particulars of the charges and the workman wanted a Hindi clarification of the charge sheet vide his letter dated 22-7-1981, which was supplied to him and the workman submitted his written explanation vide his letter dated 26-7-1981, denying the charges and as his explanation was found not be satisfactory, a departmental enquiry was ordered and Shri P.G. Jahagirdar, Personnel Officer, Sub Area No.1 was appointed as the Inquiry Officer and a joint enquiry was held against the present workmen, K.Manik and Rajayya Lachmayya and both of them fully participated in the enquiry with their common co-worker, Gowardhan Patil and during the course of the enquiry, the witnesses of the

management were examined in presence of the workman and the said witnesses were also cross-examined and the workman also gave his statement and examined witnesses on his behalf, who were cross-examined by the management representative and the enquiry was closed with the consent of the workman and the management representative and the Inquiry Officer submitted his report to the Party No.1, holding the workman to be guilty of the charge leveled against him and the Inquiry Officer, while writing the report had made a detailed and thorough analysis of the evidence on record and came to a logical and rational conclusion and the report was based on materials on record and not on any other extraneous matter and as such, the findings are not perverted and the Party No.1 after going through the enquiry proceedings and report and considering the seriousness of the offence, dismissed the workman from service with the approval of the competent authority and the workman had been dismissed on serious charges of misconduct proved against him in a fair and proper enquiry held against him by observing the principles of natural justice and therefore, the action taken by it is perfectly justified, bonafide and lawful and does not warrant interference. The further case of the Party No. 1 is that the date of assault has been mentioned wrongly as 17-7-1981 by the workman in the statement of claim, instead of the correct date of 19-7-1981 and the workman submitted his explanation to the charge sheet without referring to the question of alleged vagueness and in the departmental enquiry also, the charges were explained to the workman and he admitted to have understood the charges and the plea of vagueness was never raised by the workman at any stage of the departmental proceedings and as such, the question of vagueness does not arise and the union for the first time has raised such a plea as an afterthought and the time, date and place of the incident have been quite clearly indicated in the charge sheet and there was no question of conducting any preliminary enquiry, after submission of the charge sheet and Shri P. G. Jahagirdar was a Personnel Officer and was not functioning as a Welfare Officer and no such objection was raised by the workman during the enquiry and the enquiry was just, fair and proper and as the punishment of dismissal is perfectly lawful and justified, the workman is not entitled for any relief.

5. It is necessary to mention here that on 26-4-2005, this Tribunal had passed an award directing the reinstatement of the workman, Shri K. Manik in the minimum pay scale now payable to a CCM Driver within 30 days of the publication of the award. However, the Party No. 1 filed writ petition No.2044/2006 before the Hon'ble High Court of judicature at Bombay, Nagpur Bench, Nagpur against the said award and the Hon'ble Court as per orders dated 17-3-2011, was pleased to quash and set aside the award dated 26-4-2005 and remitted back the matter for decision afresh in accordance with law, after hearing the parties concerned, within a period of three months.

In view of the direction of the Hon'ble High Court, the validity of the enquiry was taken for consideration as a preliminary issue and as per order dated 16-5-2011, it was held that the departmental enquiry held against the workman is legal, proper and by following the principles of natural justice.

So, the points remain for consideration are as to whether the findings are perverted and the punishment imposed against the workman is shockingly disproportionate.

6. At the time of argument, it was submitted by the learned advocate for the workman that in exercise of the power under section 11-A of the Act, the Tribunal has the discretion to consider the quantum of misconduct and the punishment and the Labour Court/Industrial Tribunal is now vested with power not only to reappraise evidence but also to award the worker lesser punishment. In support of such contention, reliance was placed on the decision reported in (1997) III LLJ (suppl)-376 (P & H) (Municipal Corpn. Vs Presiding Officer, Labour Court), 2000-II. LLJ-66 (Management of Terrace Estate Vs Presiding Officer, Labour Court, Combatore and another), 1996 LLR-1117 (A. Venkata Ramana Vs the Chairman, Industrial Tribunal-cum-Labour Court, Ananthapur) and 1992(1) LLJ-111 (Krishna Gopal Vaitya Vs M/s. Collins & Co.).

In reply, it was submitted by the learned advocate for the party no. 1 that it is well settled by the Hon'ble Apex Court in number of decisions that the jurisdiction of the Tribunal to interfere with the disciplinary matters for punishment cannot be equated with an appellate jurisdiction and the Tribunal cannot interfere with the findings of the Inquiry Officer or competent authority where they are not arbitrary or utterly perverse and if the penalty can be lawfully imposed and is imposed on the proved misconduct, the Tribunal has no power to substitute its own discretion for that of the authority.

I think it apropos to mention here that the Hon'ble Apex Court in a number of decisions including in the decision reported in (2010) 2 SCC (L&S)—101 (Administrator, Union Territory of Dadar and Nagar Haveli Vs Gulabhai M. Lad) have held that, "Departmental Enquiry—Penalty/Punishment—Judicial review—scope—Reiterated—Court of Tribunal cannot interfere with direction exercised by competent authority in imposition of punishment, unless it suffers from illegality or procedural irregularity of material nature or punishment is shockingly disproportionate".

So, keeping in view the settled principle in this regard, enunciated by the Hon'ble Apex Court in the present case at hand is required to be considered.

7. The learned advocate for the workman submitted that the findings are perverted and quantum of punishment is shocking disproportionate on the following grounds:-

- (i) Charges were framed against the workman without any written complaints of Shri Rejendra Pandey, the person alleged to be assaulted by the workman and two others.

- (ii) In the departmental enquiry, neither the written complaint nor the injury report of Shri Pandey was produced.
- (iii) Though according to the allegations, Shri Pandey was assaulted for cutting down the attendance of the workman, no attendance register was produced to show that actually attendance of the workman was cut down.
- (iv) Witnesses, Brijlal Yadav and Shivbachan Singh alleged to be the eye witnesses to the occurrence did not support the case of the management and denied to have any knowledge about the alleged assault.
- (v) There are material contradictions in the evidence of the witnesses, which were not taken into consideration by the officer.
- (vi) The workman was acquitted in the criminal case instituted against him on the same charges and as such, no punishment should have been imposed against him.

In support of such contentions, the learned advocate for the workman placed reliance on the decisions reported in Mohan Sugan Naik Vs NTC (1995) ILLJ - 110 (Bombay), Ram Pyari (Smt.) Vs State of UP, 2000 - II - LLJ 1067 and General Manager, Punjab Road ways Vs Joginder Lal (1996) LLR-II.

On the other hand, the learned advocate for the party no. 1 submitted that the findings are not perverted and there is no contradiction in the evidence of the witnesses and in a departmental enquiry, it is not necessary to prove the accusation beyond reasonable doubt and preponderance of probability of guilt is sufficient and the findings of the Inquiry Officer are based on evidence on record and reasons have been assigned in support of the findings and acquittal in the criminal case cannot tie the hands of the authorities from proceeding in the enquiry and the punishment imposed against the workman is proper and justified and there is no ground to interfere with the punishment imposed against the workman. In support of such contentions, reliance was placed on the decisions reported in (2006) SCC - 430 (Hombe Gowda Vs State of Karnataka) 2005 (3) SCC—401 (M.P. Electricity Board Vs Jadadishchandra Sharma), 2007(2) Mh.LJ—519 (HRBH Siddiqui Vs Brihan Mumbai Electric Supply) and (1998) 1 SCC—484 (Inspecting Asstt. Commissioner Vs S. N. Parab).

9. Before delving into the merit of the case, I think it necessary to mention here that the learned advocate for the workman has cited the decisions reported in workmen Vs Hindustan Lever Ltd. (1984) I LLJ—388 (SC), Neeta Kapilash Vs Presiding Officer, (1999) I LLJ—275 (SC), Chandra Deo Gautam Vs State of UP (2000) II—LLJ—1639(SC) and Ratan Datta Vs State of Tripura, 2000-II—LLJ—1589. However, with respect, I am of the view that the said decisions have no application to the present case at hand, as the points for consideration before the Hon'ble

Courts in the above decisions are not matter of consideration in this case.

10. First of all, I will take up the submission regarding the acquittal of the workman in the criminal case. It is well settled that in criminal cases, the Courts insist on a high standard of proof. Accusations against an accused have to be proved beyond reasonable doubt, in criminal cases. In departmental proceeding, preponderance of probability of guilt is sufficient. So acquittal in criminal case cannot tie the hands of the departmental authorities from proceeding in the departmental proceeding. Moreover, in this case, the punishment in the departmental enquiry was imposed on 9-12-1981, whereas, the workman was acquitted in the criminal case on 31-1-1993, much later than the date of imposition of the punishment in the departmental proceeding. Hence, I find no force in the contention that in view of the acquittal of the workman in the criminal case, the party no. 1 should not have imposed the punishment in the departmental proceeding.

11. So far the other contentions raised by the learned advocate for the workman are concerned, on perusal of the materials on record, it is found that though the two witnesses as named above have not supported the case of the department in the departmental enquiry, there are other evidence on record in support of charges. The Inquiry Officer has given reasons in support of the findings, which appear to be reasonable and justified and based on the materials on record. There was no need for production of the written complaint, injury report and attendance register, as the charges were not based on the same. From the materials on record, it is found that the findings are not perverted.

12. So far the quantum of punishment is concerned, it is found that in this case on hand, the workman has been found guilty of assaulting his superior, which clearly amounted to breach of discipline in the organization. Hence, the punishment of dismissal of the workman from service cannot be said to be shockingly disproportionate to the charge proved. So, applying the principles enunciated by the Hon'ble Apex Court in the decisions on which reliance has been placed by the learned advocate for the party no. 1, I find that there is no ground to interfere with the punishment imposed against the workman. Hence, it is ordered:

ORDER

The action of the management of Rajura Colliery of M/s W.C.Ltd., in dismissing Sh. K. Manik CCM Driver was legal and justified. The workman, Shri K. Manik is not entitled for any relief.

AWARD

(Dated : 24th June, 2011)

In exercise of the powers conferred by clause (d) of sub-section (1) and sub-section 2(A) of Section 10 of Industrial Disputes Act, 1947 (14 of 1947) ("the Act" in short), the Central Government has referred the industrial dispute between the employers, in relation to the management of the Dhoptala Sub Area of WCL and their workman, Shri V. R. Barsinge for adjudication, as per letter No. L-22012/236/2001-IR(CM-II) dated 06-09-2002, with the following schedule :—

“Whether the action of the management in relation to Dhoptala Sub Area of Western Coalfields Ltd. in denying promotion from Clerk Gr.I to Clerk Gr. Special to Shri V. R. Barsinge, Sasti Colliery w.e.f. 1-7-1998 as a result of the recommendation of DPC vide No.WCL/BA/DSA/SA/249 dated 21-3-1999 is legal and justified? If not, what is the relief to which the workman is entitled?”

2. Being noticed, the workman, Vinod Ramji Barsinge, (“the workman” in short), read the statement of claim himself. The union, which had espoused the dispute on behalf of the workman, did not file the statement of claim. The management of WCL (“the Party No. 1” in short) filed their written statement.

The case of the workman as projected in the statement of claim is that he was appointed as Badli worker by party no. 1 w.e.f. 1-7-1984 and his service was regularized w.e.f. 1-9-1986 and he was promoted as Clerk Gr.III w.e.f. 1-8-1987 and he got further promotions as Clerk Gr. II and Clerk Gr.I on 1-1-1990 and 1-1-1993 respectively and his such promotions were on the basis of seniority-cum-merit, as per the JBCCI circular dt. 20-3-1986 and according to the said circular, promotions above Grade B shall be on the basis of merit-cum-seniority and promotions for the post up to Grade-B shall be on the basis of seniority-cum-merit and there was a meeting of the DPC for granting promotion from Clerical Grade-I to Clerk Special Grade and the cases of various candidates were considered by the DPC for such promotion and there were four vacant posts for promotion in the Clerk Special Grade and as he was the senior-most amongst the first four employees working in the post of Clerk Grade-I, he should have been granted promotion to Clerk Special Grade but instead of giving him promotion on the basis of JBCCI circular, the party no. 1 adopted altogether a new formula and denied him promotion to him on the basis of merit stating that he secured 77½ marks and as such, he cannot be promoted and the party no.1 gave promotion to one Shri M. G. Zade, who was junior to him, on the ground of Shri Zade securing 79 marks and though he belongs to scheduled caste category and there was reservation for promotion for scheduled caste & tribes employees, the party no. 1 did not consider the said aspect and gave promotion to Shri Zade w.e.f. 1-7-1998, which is quite illegal and contrary to the service regulation applicable to the employees and the party no.1 erroneously applied the principles of merit-cum-seniority, while giving promotion from the post of Clerk Grade-I to Clerk Special Grade, presuming the said promotion is above Grade-B and as such, it is necessary to quash and set aside the promotion given to Shri Zade and to grant him promotion to the post of Clerk Special Grade w.e.f. 1-7-1998. The further case of the workman is that he was granted promotion to the post of Clerk Special Grade w.e.f. 1-4-2002 and as such, he was deprived of the monthly benefits and other consequential benefits for the period from 1-7-1998 to 31-3-2002 and he is entitled to get the pay difference of the post of the Clerk Grade-I and Clerk

Special Grade for the said period. The workman has prayed to declare the order dt. 21-3-1999 issued by the party no.1 as illegal and to grant him promotion to the post of Clerk Special Grade w.e.f. 1-7-1998, with payment of all consequential benefits.

3. The party no.1 in its written statement has virtually admitted the facts mentioned in the statement of claim regarding the appointment, regularization and promotion of the workman upto the post of Clerk Grade-I. However, it has pleaded that the terms and conditions of employment of workers working in coal industry are governed by various settlements known as NCWA and NCWA includes the cadre scheme with regard to each cadre and cadre scheme No.VIII is known as cadre scheme ministerial staff, which applies to all the ministerial staff working in general clerical cadre, store personnel cadre, loading, dispatch and sell cadre, cash personnel cadre, accounts cadre and secretariat cadre and the promotional channel for various cadres of ministerial staff shall be as per annexure attached with the cadre scheme and the said annexure indicates the qualifications and experiences to be possessed by the departmental candidates included in the cadre from time to time for the purpose of eligibility, for selection of candidates as specified in the said scheme and according to the clauses 3.2, 3.3, 3.4 and 4.0, selection for the post up to clerical grade-I shall be on the basis of seniority-cum-merit and for clerical special grade and above on the basis of merit-cum-seniority and the promotional zone for filing the posts upto clerical grade special will be area and post in technical and supervisory grade-A will be company and the existing incumbents, who do not possess the minimum qualifications as laid down in the cadre scheme will not be eligible for further promotion as per the line of promotion, unless they obtain minimum qualifications and selection of the candidates for filing vacancies in higher categories shall be made on the recommendation of the departmental promotion committee to be constituted by the competent authority or any other officers, who may be delegated with such power to him from time to time and the decision of the competent authority on such recommendation shall be final and the final panel prepared by the DPC may be made known to the concerned persons after the DPC has made and found them suitable and the Departmental Promotion Committee was constituted for the purpose of recommendation for promotion of Clerical cader employees from Grade-III to Grade-II, Grade-II to Grade-I and Grade- I to Special Grade and the case of the workman for promotion from Clerical Grade- I to Clerk Special Grade was considered and the DPC submitted its recommendation vide file no.WLC/BA/DSA/3A/249 dt. 21-4-2009 and according to the said recommendation, the position of the present workman was at Sl. No.5 and as there were four vacancies in the cadre of Clerk Special Grade, the committee recommended the candidates at Sl. No. 1 to 4 from the panel of successful candidates for promotion to Clerk Special Grade against the four sanctioned vacant posts and accordingly promotion of the candidate at Sl. No. 1.1

was made effective from 1-1-1998 and promotion of the candidates at Sl.Nos.2 to 4 was made effective from 1-7-1998 and as there were only 4 vacancies as per the Manpower budget 1998-99, the employees from Sl. No. 1 to 4 were only considered for promotion and the workman, who was at Sl. No. 5 could not be promoted, as there was no further vacancy for him and the contention raised by the workman that promotion from Clerk Grade-I to Clerk Special Grade should be done on the basis of seniority-cum-merit, due to the corrigendum issued vide implementation instruction No.64 dt.14-7-86 is not acceptable, as in that instruction, nowhere, it has been mentioned that for promotion to the post of Clerk Special Grade should be done on seniority-cum-merit basis and the case of the workman was rightly examined by the DPC on the basis of the existing norms applicable to the company for promotion to the post of Clerk Special Grade and though his name was included in the panel, he could not be promoted, due to shortage of vacancy and as soon as the vacancy arose, he was given promotion and as such, the workman is not entitled for any relief.

4. In support of his claim, the workman examined himself as a witness. Two witnesses, namely, Motiram and R.H. Dingawar were examined as witnesses on behalf of the party No. 1. Both the parties also relied on documentary evidence.

5. Perused the record including the statement of claim, written statement and evidence, both oral and documentary adduced by the parties. The vital question for consideration in this case is whether promotion from the post of Clerk Grade-I to Clerk Special Grade was to be done on the basis of seniority-cum-merit or merit-cum-seniority. It is not disputed that according to clause 3.2 of the cadre scheme applicable to the present case, selection for the post up to Clerical Grade I shall be on the basis of seniority cum-merit and for Clerical Special Grade and above, on the basis of merit-cum-seniority. According to the workman, the said clause was amended as per the decision taken at the 21st meeting of Promotion Policy Committee of III JBCCI held on 18 and 19th March, 1986. Perused the said document and found that the Promotion Policy Committee decided to amend clause 3.2 and to include that for promotion for the post upto Technical Grade- B shall be on the basis of seniority-cum-merit and for post from technical Grade-B to Grade-A shall be on the basis of merit-cum-seniority. However, it is found that there was no change in the existing clause regarding promotion from the post of Clerical Grade- I to Clerical Special Grade on the basis of merit-cum-seniority. From the materials on record, it is found that for promotion from Clerical Grade-I to Clerical Special Grade, the basis should be on merit-cum-seniority. It is also found that the case of the present workman and other employees due for promotion from the post of Clerk Grade-I to Clerk Special Grade was duly considered by the DPC, on the basis of merit-cum-seniority,

as per clause 3.2 of the cadre scheme and the name of the workman was included at Sl. No. 5 in the list and as there were only 4 vacancies, the employees placed at Sl. Nos. 1 to 4 were promoted and as soon as further vacancy arose, the present workman was given promotion to the cadre of Clerk Special Grade and as such, the workman is not entitled for promotion to Clerk Special Grade w.e.f. 1-7-1998, as claimed by him.

At this juncture, I think it proper to mention that as promotion to the post of Clerk Special Grade is to be made on the basis of merit-cum-seniority, the three decisions, on which reliance has been placed by the learned advocate for the workman and which are on the point of seniority-cum-merit are not applicable to the present case.

In view of the materials on record and the discussion made above, it is found that the action of the party No.1 in denying promotion to the workman to Clerk Special Grade w.e.f 01-07-1998 is justified. Hence, it is ordered:

ORDER

The action of the management in relation to Dhoptala Sub Area of Western Coalfields Ltd. in denying promotion from Clerk Gr. I to Clerk Gr. Special to Shri V. R. Barsinge, Sasti Colliery w.e.f. 01-07-1998 as a result of the recommendation of DPC vide No.WCL/BA/DSA/SA/249 dated 21-3-1999 is legal and justified. The workman is not-entitled for any relief.

AWARD

Workman, namely, Shri Ghyanshyam Singh, Sh. Satish Kumar, Sh. Nathu Ram, Sh. Ram Garib, Sh. Dhram Singh, Sh. Vinod Kumar, Sh. R. Natesan, Sh. Premnath, Sh. Ramji Lal, Sh. Ram Udgar, Sh. Kanda Swamy and Sh. Shankar Saran joined services with CPWD as daily rated Beldars w.e.f. 19-10-82, 3-6-82, 3-1-83, 2-9-81, 21-6-82, 2-7-82, 1984, April 1979, 1980, 1981, May 1981, and 21-12-83 respectively on muster roll. They rendered continuous service of 240 days and their services were regularized on the post of Beldar. They raised a demand of regularization of their services from the date of their initial employment. When their demand was not accepted by the management, they raised an industrial dispute before the Conciliation Officer. Since conciliation proceedings ended in failure, the appropriate Government referred the dispute to this Tribunal for adjudication, vide order No. L-42012/133/2005-IR(CM-II) New Delhi, dated 25-07-2006 with following terms:

“Whether the demand of All India CPWD (MRM) Karamchari Sangathan in respect of Sh. Ghyanshyam Singh and 11 others (as per annexure) for regularisation in the pay scale of Lab. Asstt. with effect from date of employment and payment of difference of arrears is legal & justified? If yes, to what relief the workmen is entitled to and from which date?”

2. Claim statement was filed on behalf of the workmen, pleading therein that they were employed as daily rated workmen. They rendered 240 days continuous service with the management from the date(s) of their employment till the date(s) of their regularization. It was projected that their services were regularized. There are three wings under CPWD viz., Electrical, Civil and Horticulture, where several daily rated workmen are employed. The Apex Court in Surinder Singh's case [1986(1) SCC 639] gave a command to the management to

regularize services of its daily rated workmen, from the date(s) of their initial employment, who have put in six months continuous service. Accordingly, Director General (Works), CPWD issued order dated 25-8-88 for regularization of muster roll employees. Horticulture wing of the management regularized service of its daily rated workmen by 7-12-88 while Electrical and Civil wings did not take any action in that behalf. The workmen are covered under the provisions of the Payment of Gratuity Act, 1972 (in short the Act) and orders were issued in that regard by the management on 26-6-2006. Ram Khilari, a similarly situated workman, raised an industrial dispute and Industrial Tribunal, Government of NCT, Delhi, gave an award for regularization of his services from the date of his initial employment. Workmen are eligible for regularization of their services from the date(s) of their initial employment. It has been claimed that the management may be commanded to regularize their services from the date of their initial employment.

3. Contest was given to the claim statement pleading therein that the workmen were working on muster roll with the management and their services have been regularized. Their contention that they are eligible for regularization of their services from the date(s) of their initial engagement, is false. The Apex Court in Surinder Singh's case (supra) never directed the management to regularize services of muster roll employees from the date(s) of their initial employment. In compliance of the order handed down by the Apex Court, 8982 posts were created in September, 1992 and thereafter all workers were regularized in services from prospective dates and not from the date(s) of their initial engagement. In various precedents, the Apex Court ruled that employees selected on daily wages nowhere automatically become regular employees from the date of their initial employment, even if they perform duties similar to that of regular employees. The workmen cannot claim regularization from back date(s). When vacancies were available for them, their services were regularized. It has been projected that their claim, for regularization from the date(s) of their initial employment, is false.

4. During the course of adjudication, Shri Ghanshyam Singh and Sh. Satish Kumar Sharma entered the witness box and made statement(s) to the effect that the workmen do not press their claim for regularization in the services from date(s) of their initial employment. They gave up contest of their demand for regularization of their services from the date(s) of their initial employment. However it has been claimed that their services, rendered as muster roll employee(s), may be counted for gratuity and pension. No witness was examined on behalf of the management.

5. Arguments were heard at the bar. Shri Satish Kumar Sharma, authorised representative, advanced arguments on behalf of the workmen. Shri Sanjay Kumar, authorised representative, raised his submissions on behalf of the management. I have given my careful considerations to the arguments advanced at the bar and cautiously perused

the record. My findings on issues involved in the controversy are as follows :

6. As deposed by Shri Ghanshyam Singh and Sh. Satish Kumar Sharma, the workmen gave up their claim for their regularization from the date(s) of their initial engagement. Therefore it is announced that the workmen are not entitled for regularization on the post of Beldar(s) from the date(s) of their initial engagement(s).

7. Their claim for getting their service, rendered as a muster roll employees counted for gratuity are to be answered in pursuance of circular issued by Director General (Works), CPWD. Circular No. 29/77/2000-ECX, New Delhi, dated 26-6-2006 was issued by the Director General (Works), CPWD, in respect of payment of gratuity to its casual, hand receipt and muster roll workers under the Act. The said circular makes it clear that the matter was examined in consultation with the Ministry of Urban Development and Ministry of Labour and it was clarified that the Act is applicable to casual, muster roll, hand receipt and daily rated workers of the CPWD. Consequently all ADVs, CS, SCS, S.C. Coordination, Executive Engineer, Directorate of Horticulture, Additional Directorate of Horticulture, Deputy Director of Horticulture, All Deputy Welfare Labour Commissioners and Assistant Labour Welfare Commissioners were requested to make payment of gratuity to casual muster roll, hand receipt and daily rated workers of CPWD as admissible under the Act. It was further mentioned therein that the current/pending court cases on the similar issue may be defended or got settled accordingly. Therefore, it is evident that the management admits the claim of all casual muster roll, hand receipt or daily rated workers of the CPWD for payment of gratuity under the Act.

8. Whether service rendered by the workmen, which was paid from contingency, can be counted towards pension ? For an answer, provisions of CCS Pension Rules, 1972 (in short the Rules) are to be considered. Rule 14 of the said Rules makes provision in that regard. It emerge out of the provisions of Rule 14 that periods of service paid from contingencies do not count as qualifying service for pension. However Government of India took a decision in May, 1968 and an office memorandum was issued on 14-5-1968, wherein it is detailed that in some cases, employees paid from contingencies, employed in types of work requiring services of whole-time workers and are paid on monthly rates of pay or daily rates computed and paid on monthly basis and on being found fit brought on to regular establishment. The question whether in such cases service paid from contingencies should be allowed to count for pension and if so to what extent has been considered in the National Council and in pursuance of the recommendation of the Council, it has been decided that half the service paid from contingencies will be allowed to be counted toward pension at the time of absorption in regular employment, subject to the following conditions, viz.—

- (a) Service paid from contingencies should have been, in a job involving whole-time employment (and not part-time for a portion of the day).
- (b) Service paid from contingencies should be in a type of work or job for which regular posts could have been sanctioned, e.g., malis, chowkidars, khalasis, etc.
- (c) The service should have been one for which the payment is made either on monthly or daily rates computed and paid on a monthly basis and which though not analogous to the regular scale of pay should bear some relation in the matter of pay to those being paid for similar jobs being performed by staffs in regular establishments.
- (d) The service paid from contingencies should have been continuous and followed by absorption in regular employment without a break.
- (e) Subject to the above conditions being fulfilled, the weightage for past service paid from contingencies will be limited to the period after 1st January, 1961 for which authentic records of service may be available. Reference can be made to office memorandum No. G.I., M.F., O.M. No. 12(1)-EV/68, dated the 14th May, 1968.

9. Here in this case it is not a matter of dispute that the workmen, who were paid from contingencies, were performing whole time job with the management since the date of their appointments. Their services were regularized. They performed functions analogous to regular employees till the date of their regularization. Their services with the management were continuous without any break. They satisfied all the conditions laid down in the aforesaid office memorandum issued by the Government of India. Hence, the management is under an obligation to comply the said office memorandum and count services of the workmen for the purpose of pension.

10. In view of the fact that contest was given up by the workmen for regularisation of their services from the date of initial employment and the management is under an obligation to comply the aforesaid circular and the Rules, it is expedient to command the management to record services rendered by Shri Ghyanshyam Singh, Sh. Satish Kumar, Sh. Nathu Ram, Sh. Ram Garib, Sh. Dhram Singh, Sh. Vinod Kumar, Sh. R. Natesan, Sh. Premnath, Sh. Ramji Lal, Sh. Ram Udgur, Sh. Kanda Swamy and Sh. Shankar Saran as muster roll employees in their service book, which services would be taken into account for payment of gratuity under the Act, at the time of their superannuation or death, as the contingency arise as well as for calculation of qualifying service for pension under the Pension Rules, 1972. An award is, accordingly, passed. It may be sent to the appropriate Government for publication.

AWARD

1. The Central Government by exercising the powers conferred by clause (d) of sub-section (1) and sub-section 2A of Section 10 of the Industrial Disputes Act, 1947 (14 of 1947) has referred this dispute vide Order No. L-12012/28/90-IR(B-III) dated 21st June, 2000 for adjudication on the following Schedule :

SCHEDULE

"Whether the action of the management of Regional Manager, State Bank of India, Hubli in terminating the services of Shri V.B. Swamy, Janata Deposit Collector w.e.f. 17-11-1983 is justified? If not, to what relief the workman concerned is entitled and from which date?"

2. After filing the claim statement by the first party and the counterstatement on behalf of the second party the learned counsel for second party while filing the affidavit of Shri Pandurang, the Dy. Manager, State Bank of India, Nippani Branch examining him on oath as MW1 got marked the letter addressed by the Branch Manager Nippani to the Regional Manager, State Bank of India dated 12-12-1986 wherein he has informed that the first party having opted for continuing his TDR for Rs.1500 till its maturity and availed a demand of loan of Rs.1000 on the said TDR he could not refund the same to him and letter addressed by the first party to the Regional Office, Hubli dated 9-10-1986 wherein he has highlighted his agency being discontinued without any reason with further request to continue his agency or in the case it is not possible to refund his deposit amount of Rs.1000 as Ex.M1 and M2 respectively. Inter alia the first party while filing his affidavit examining him on oath as WW1 got marked letter addressed to him by the Branch Manager, State Bank of India, Nippani dated 17-11-1983 informing not to collect any amount on behalf of the bank, letter 17-11-86 issued by the Branch Manager, State Bank of India call him for discussing the matter, registered Post AD cards, registered postal receipts, postal certificates, copy of letters addressed to the Regional Manager, Hubli by the first party regarding Janata Deposit Collection, writ appeal copy.No.2605 of 2000 and copy of writ petition No.39655 of 1993 as Ex. W1 to W8 respectively.

3. With the above evidence adduced by both the sides the arguments addressed by the learned advocates were heard.

4. The case made out by the first party in his claim statement filed on 8-05-2001 in brief is that he who joined as a Janata Deposit Collector in the Nippani Branch of the second party from 1-02-1979 was sincerely discharging his duties and to his surprise on 17-03-1983 the Branch Manager called him and informed him to stop collecting the deposits and forcibly taken back the collection cards and inspite of his request the same were not returned him enabling him to continue the collection, deposits but after 8 months he was served with a letter/order informing that he has been removed from the service, without assigning any reason and inspite of his oral and written requests the second party did not care to continue his agency/service, ultimately on 30-08-1989 he raised a dispute before the Asstt. Labour Commissioner (Central), Mangalore and as the conciliation failed and the Central Government refused to make a reference he approached the Hon'ble High Court of Karnataka and pursuant to the order passed by the Hon'ble High Court, the Central Government made this reference for adjudication. With these allegations he has asserted that his services being terminated from 17-03-1983 without giving him any prior notice or any sort of compensation and as without any job he has been finding it very difficult to maintain his family and himself and his removal from the job being illegal the second party be directed to continue

his agency and to give him the full backwages. He has also stated in the claim statement that the last wages received by him in the year 1983 was Rs. 700.

5. In the counter statement filed by the Assistant General Manager, State Bank of India, Region (2), Hubli for the second party without disputing that the first party was collecting the deposits under the second party's Janata Deposit Scheme at its Nippani Branch from 1-02-1979, contended that since he was not appointed by the second party and his service was on contract basis the question of terminating his services did not arise and that he has been paid commission on the collections made by him and he was not entitled for any wages since he is not an employee of the Bank. It is further contended that the first party instead of issuing receipts serially numbered jumped over some numbers with malafide intention of misusing the funds collected and to be collected at a later date issued the next receipt out of receipt book No. 678 given to him and after its confirmation he remitted a sum of Rs. 295 collected on 18-03-1983 and surrendered the receipt book register, identity card etc. which was in his possession and also withdrawn the deposit he has made in terms of contract as such he has estopped from raising this dispute. Thus contending that since first party had committed the fraud and brought disrepute to the bank voluntarily surrendered the receipt book register, identity card etc. and discontinued his job as such he is not entitled for any relief.

6. MW1 who has sworn to the allegations made in the counter statement failed to place on record any documentary evidence to substantiate that the first party was in the habit of issuing receipts jumping over some numbers with malafide intention of misusing the funds collected by him and when it was confirmed he having deposited a sum of Rs. 295 on 18-03-1983 so collected by him and thereby attempted to fraud the depositors of the bank. Further absolutely no documentary evidence being placed on record for the management, the first party having voluntarily discontinued his agency by surrendering the receipt book register, identity card etc., second party contention first party having discontinued his agency on his own by voluntarily surrendering records falls to ground. Since MW1 was not the head of the Nippani branch at the relevant time he has no personal knowledge about the manner in which the agency of the first party was discontinued. Moreover in the letter issued by the Nippani branch Manager to the first party dated 17-11-1983, absolutely there is no whisper as to why they have dispensed with his services of collecting Janata Deposits, letter which reads as under :

"Janata Deposit

With reference to the above, we have to advise that we have decided to dispense with your services for collecting Janata Deposits. Therefore, you should not collect any amount on behalf of the Bank.

Please acknowledge receipt. Yours faithfully

Sd/- Branch Manager"

27659/11-25

If at all there was any attempt by the first party to commit fraud in the depositors the bank as alleged in the counter statement it ought to have been reflected in this letter. Moreover, the written requests continuously made by the first party as evidenced by the documentary evidence produced by him do suggest that he went on requesting the bank to continue his agency and there was no response. If at all as contended by the second party he had surrendered his agency by returning the receipt book register, identity card he would not have made such a request to the bank to continue his service. Under the circumstances I am of the opinion that the second party without any reason dispensed with his services of Janata Deposit Collection from the month of March 1983 as contended and claimed by the first party and served a letter produced at Ex.W1 simply informing that it has decided to dispense with his services of collecting Janata Deposits. Though the first party who is not a regular employee appointed by the bank, as decided in the case of Pigmy collectors of various banks Vs. Management by the CGIT, Hyderabad upheld by the High Court of Andhra Pradesh in Writ Petition No. 9783 of 1989 and the Supreme Court of India in CA No. 3355 of 1988 a workman, may not be entitled for any domestic enquiry to discontinue his services but curtesy demand at least to assign/inform the reason as to why it decided to dispense with his services and this act on the part of the second party amounts to illegal retrenchment and is void abinitio. Since the claim of the first party that he was asked to stop the collection from 17-03-83 by the branch Manager and later letter asking him not to collect the deposits dated 17-11-1983 was issued and the last wages paid to him was Rs. 700 being not denied, his wages/commission at the relevant time can be taken as Rs. 700 per month. Since it has been brought on record by the first party himself that the second party has discontinued the Janata Deposit Scheme w.e.f 24-5-2008 by producing copy of the letter addressed by the Branch Manager, Chitradurga branch of the second party dated 26-05-2008 to one Shri Manjunath.K.A wherein it is stated that "As per the, orders of Supreme Court, bank had decided to discontinue Janata Deposit Scheme in the Bank with effect from 24-05-2008. As the scheme stands withdrawn, you are hereby informed to stop JD collection from 24-05-2008. The blank/pending receipt books available with you should be surrendered to the bank immediately", in the absence of the impugned illegal retrenchment/termination he would have continued as a Janata Deposit Collector in the Nippani branch till 24-05-2008. Therefore, from 17-03-1983 till 24-05-2008 he is entitled for backwages at the rate of Rs. 700 per month. Since this period works out 25 years, 2 months and 9 days he is entitled for back wages/commission at the rate of Rs. 700 per month to the extent of Rs. 2,11,610. Since there is no dispute that the first party started serving the second party as Janata Deposit Collector at its Nippani branch from 1-12-1979, if he had continued up to its closure till 24-05-2008 he would have rendered a

total service of 28 years, 5 months and 24 days. In lieu of the decision of the Central Government Industrial Tribunal, Hyderabad in ID No. 14/1980 in the case of pigmy collectors of various banks Vs. Management confirmed by the Hon'ble High Court of Andhra Pradesh in Writ Petition No. 9783 of 1989 and the Supreme Court of India in CA No. 3355 of 1998 all pigmy agents are entitle for 15 days wages in the form of gratuity for one year of service, the first party is entitle for 15 days wages for a period of 28 years. Since I have accepted the claim of the first party that his last wages/commission drawn was Rs. 700 per month the 15 days wages works out to Rs. 350 per year as such he is entitle for Rs. 9800 (Rs. 750 x 28) in the form of Gratuity.

7. Having regard to the fact that this dispute came to be raised belatedly and backwages/commission is directed to be paid up to 24-05-2008 the date of closure of the scheme it is proper to direct the second party to pay interest on the amount payable to the first party from that date i.e. 24-05-2008 at the rate of 6 per cent per annum. In the result I pass the following Award.

AWARD

The reference is allowed and the action of the management of Regional Manager, State Bank of India, Hubli in terminating the services of Shri V.B. Swamy, Janata Deposit Collector w.e.f. 17-11-1983 is not justified and that the first party is entitle to Rs. 2,11,610 in the form of back wages/commission for the deprived period of service and a sum of Rs. 9800 in the form of Gratuity with interest at the rate of 6 per cent per annum from 24-05-2008 till the date of actual payment.

The Commandant & M D,

Allahabad Fort, Allahabad.

AWARD

1. Central Government MoL New Delhi vide its notification No.L-14011/10/98-IR (DU) dated 04-02-99, has referred the following dispute for adjudication to this tribunal —

2. Whether the action of the management of 508 Army Base Workshop, Allahabad in awarding punishment to T.N. 2366 Sh. Krishan Gopal vide their order no.21206/2366-KG/Est.and dated 30-12-96 is legal and justified? If not to what relief the workman is entitled?

3. It is an admitted fact that the claimant Sri Krishan Gopal was an employee of the opposite party department and was posted at 508 Army Base Workshop, Allahabad as fitter. It is alleged that on 10-1-94, the gate of Army Base Workshop was closed early prior to the mustering time allowed under the rules. About over 300 workmen were not allowed to enter the workshop on that day by the arbitrary action of the management. The claimant Sri Krishan Gopal did not come for duty on that day i.e. 10-1-94. The claimant was served with a memo of charges bearing no. and date so and so dated 18-1-94 by the Brigadier Sri Kumar/Commandant using the power of disciplinary authority under rule 16 of CCS (CCA) Rules 1965, framing false charges against him. A copy of the charge sheet has been filed.

4. Workman submitted the reply denying the charges, since he did not come for duty on that day 10-1-94, the question of committing the offence does not arise. Copy of the reply has been filed. The matter remained pending for three years. After Brigadier Sri Pandey joined in September 1996, he served a letter by which copies of the statements in respect of witnesses Col, Khosla and others were supplied to the workman. He was asked to submit the additional submissions. The workman submitted additional submission stating that the statement supplied to him are not signed by any of the witnesses and nor these are attested as such not authenticated. He further demanded that an inquiry under rules 16(1) (b) of CCS (CCA) Rule be held and an opportunity may be given to cross examine the witnesses who gave false statement against him. A copy of this letter has been filed. But without considering the reply of the workman the disciplinary authority passed an arbitrary order bearing no, so and so dated 10-12-96 awarding the punishment of withholding of two increments without cumulative effect. The copy of the order has been filed as annexure 5. It is also alleged that under rule 12 (2) CCS Rules 1965 Commandant and MD of 508 Army Base Workshop Allahabad is not the disciplinary authority. No power has been given to him. It is alleged that the

documents supplied to the workman after three years appears to be manufactured documents and no opportunity was provided to the workman to cross examine them and as such no reliance can be made on these documents. It is stated that the defence of the workman has not been discussed in the order passed by the disciplinary authority. It is also wrong to say as alleged in Para 4 of the order of the disciplinary authority that an informal inquiry was made. Actually no inquiry was made. The opinion of the disciplinary authority that a formal inquiry is either required or desirable is not based on law. An appeal under Rule 23 of the Rules was submitted to the Commander HQrs. Tech By the workman dated 22-1-97, a copy of the appeal is filed as annexure 6. The appellate authority has also rejected the appeal in an arbitrary manner and confirmed the punishment. The points raised by the workman in his appeal have not been considered legally therefore, the appellate order is also illegal and arbitrary. When all the remedies were exhausted then the reference was made by Government for adjudication to the tribunal. Therefore, he has prayed that the order passed by the disciplinary authority and the appellate authority be declared illegal and be set aside the orders.

5. Opposite party has filed the written statement contradicting the written statement of the claimant. It is stated by them that on 10-1-94 the claimant Sri Krishan Gopal took part in the demonstration and slogan shouting at various times between 9.30 and 16.00 hours in front of gate and in front of civilian assistant civilian officers at office of 508 Army Base Workshop Allahabad. As such he indulged in manner unbecoming of a government servant and thus violated rule 3 (1) (3) Central Civil Service Conduct Rules, 1964 for which he was issued with a memo of charge under CCS(CCA) Rules, 1965. Brigadier Sri Kumar the then disciplinary authority issued a memorandum/charge sheet dated 18-1-94 under rule 16 of the above rules to Sri Krishan Gopal and framed Article of charges which were duly served on the claimant. Sri Krishan Gopal submitted his reply to the memorandum/charge sheet. It is alleged that holding inquiry in case of minor penalties under rule 16 of the rules is at the discretion of the disciplinary authority. The disciplinary authority in this case was competent to waive holding an inquiry in the case of minor charge sheet under the above said rules. The disciplinary authority was of the opinion that in this case a formal inquiry is neither required nor desirable. The claimant was also served the statement of eye witnesses and was asked to make his submission. Sri Krishan Gopal further submitted his additional submission thereafter the finding cum order was issued by then Brigadier Sri Pandey, disciplinary authority and served to the claimant vide order dated 30-12-96, and imposed the penalty of withholding of two increments without cumulative effect waiving of holding of inquiry as per his discretion. It is stated that the Brigadier Sri Pandey the then Commandant had been empowered to punish the persons as per government of India Ministry of Defence order no. 5(6)/79/D-Lab dated 1-9-89 and Army Head

Quarter No. so and so dated 13-08-79 as alleged in Para 19 of the written statement. The appellate authority after giving due and full consideration to all the aspect relevant to the case also rejected the appeal of the claimant and upheld the punishment of the disciplinary authority. The order passed by the disciplinary/appellate authority is fully legal and proper. The claimant was given sufficient time to express his version. Therefore it is alleged that there was no discrimination against the claimant and as such the claim of the claimant is devoid of merit and is liable to be rejected.

6. The opposite party after issuance of corrigendum by the Ministry has also filed additional written statement but there is nothing new in it except reiterating the facts already alleged by them.

7. Claimant has filed the photocopy of the necessary document as annexure to the claim statement.

8. Claimant has adduced in evidence himself as W.W.1. No evidence has been filed by the opposite party.

9. Heard and perused the record.

10. In this case the punishment which has been awarded to the claimant vide order dated 30-12-96 is as follows—

Withholding of two increment without cumulative effect.

11. Now it is a fact that under the penalty in disciplinary rules 1965 it falls under the head of minor penalty.

12. The only short question is to be, decided in this case whether in the given facts and circumstances of the case the disciplinary authority has the power to waive of the regular inquiry.

13. It is a fact that the disciplinary authority in Para 3 and 4 has observed as under—

Whereas after having informally inquired into the matters and charges and due and careful consideration of all aspects the undersigned is of the opinion that in this case a formal inquiry is neither required nor desirable.

14. In Para 5 he has passed the orders —considering all aspect of the case I find that Fitter Sri Krishan Gopal is guilty of charges contained in the above mentioned memo of charges and opined that the penalty of stoppage of two increments without cumulative effect, if awarded will meet the end of justice.

15. It is contended by the authorized Rep. of the management that in such matters where the disciplinary authority is of the view that they do not want to “hold a regular inquiry”, they have the power to waive “holding of regular inquiry”, where they find and want to impose the minor penalties on the delinquent employee and the present case is one of them.

16. Therefore, in such a situation I feel that this tribunal should not indulge in appreciation of evidence and findings

done by the disciplinary authority. Therefore, the question raised by the claimant that he was not present on that day and did not indulge in the demonstrations does not have much significance at this stage. Therefore, there is no force in the contention raised by the claimant. I think if the disciplinary authority has exercised his powers lawfully and in a bonafide manner, there is no such evidence given by the claimant to impugn the allegation of malafide against the management. Therefore, the statement made by the claimant does not appear to be believable.

17. Therefore, the tribunal is not inclined either to disturb the order of the punishment or the order of the appellate authority having regard to the findings recorded above.

18. Reference is therefore, answered against the claimant and in favour of the management.

AWARD

Patna, dated the 5th July, 2011

By adjudication order No. L-12012/54/2007-IR(B-1) dated 9-7-2007, the Govt. of India, Ministry of Labour, New Delhi under clause (d) of sub-section (1) and sub-section (2A) of Section 10 of the Industrial Disputes Act, 1947 (hereinafter called 'the Act') for brevity has referred the following dispute between the management of Bihar Kshetriya Gramin Bank, Head Office, Bhagat Singh Chowk, Munger, Bihar and their workman Sri Bal Mukund Pandey, represented by the Deputy Secretary, Bihar Provincial Bank Employee Association, 203, Hariom Commercial Complex, New Dak Bunglow Road, Patna-1 (Bihar) for adjudication to this Tribunal :

"Whether the action of the management of Bihar Kshetriya Gramin Bank in terminating the services of Sri Bal Mukund Pandey by issuing circular to the concerned Branch Manager without complying Section 25-F and not maintaining status quo as per Section 33 (1) of the I.D. Act and not regularising and reinstating and not giving him permanent status in a regular post of messenger-cum-sweeper is legal and justified? If not, what relief Sri Bal Mukund Pandey is entitled to?"

2. On notice parties appeared. On behalf of workman, Bihar Provincial Employees' Association appeared and filed Statement of Claim. It has been pleaded in the statement of claim that the workman Sri Bal Mukund Pandey (hereinafter referred to as the workman) was appointed at Milki Branch of Bhagalpur Banks Keshtriya Gramin Bank as a sweeper w.e.f. 26-2-1994 in a proper manner and on the instructions of Head Office of the Bank at Bhagalpur. Initially he was paid Rs. 15 per day as wages. He was employed for full days work. His daily wages was increased from time to time. Some how or the other his wages was reduced to Rs. 10 per day with effect from 23-6-1995. The workman submitted a representation which was forwarded by the local Branch to Head Office. Later on the Head Office of the Bank vide letter dated 6-4-99 enhanced the daily wages of the workman to Rs. 42.30 and it was made effective from 1-4-1999. Later on the workman's wages was increased to Rs. 53.60 with addition of D.A. to the tune of Rs. 28.07. The total wages of the workman became Rs. 81.67. He was granted Festival Advance Rs. 2000 on 9-10-2002. He was also paid Bonus. He was paid wages through vouchers. Later on the management of Bihar Kshetriya Gramin Bank, Head Office, Munger issued

a circular proprocessing termination of services of the workman from 16-9-2006 who were not appointed in terms of circulars of the Bank issued between 1975 to 1996. The workman apprehending termination of his services in violation of Sec.-25-F of the Industrial Disputes Act made a representation on 11-9-2006 to the Assistant Labour Commissioner (Central), Patna, who took steps by issuing notice to the Chairman, Munger Kahetriya Gramin Bank, Head Office, Munger fixing 15-9-2006 and simultaneously attention of the management was drawn towards Sec. 33(1) of the I.D. Act during the pendency of Industrial Dispute. On 15-9-2006 both the parties appeared before A.L.C. The representative of the management asked for adjournment. In the course of proceeding the representative of the management agreed to maintain status quo as per Sec. 33 (1) of the Industria Disputes Act and the proceeding was adjourned to 3-11-2006. In course of conciliation proceeding on next date Bihar Provincial Employees' Association, Patna espoused an Industrial Dispute for regularisation of services of the workman and subsequently on 16-10-2006 served a notice/threatening to launch agitation programme including strike if the workman was retrenched and not regularised. The Assistant Labour Commissioner (Central) Patna vide his letter dated 20-9-2006 intimated result of the proceedings held in his office on 15-9-2006, in which the management's representative had agreed to maintain status quo as per Sec. 33 of the I.D. Act. However the management terminated the services of the workman w.e.f. 16-9-2006 in violation of Sec. 25-F and Sec. 33(1) of the Industrial Dispute Act. The approval of conciliation Officer was not taken for termination of services of the workman. After failure report from Assistant Labour Commissioner this Industrial Dispute has been referred to this tribunal for adjudication. In a nut shell the case of the workman is that he had put is more than 240 days of continuous services within 12 month proceeding the date of his termination. His services were terminated without any notice and notice pay and without retrenchment compensation. Status quo as required under Sec. 33(1) of the Industrial Dispute Act was not sanctioned. The action of the management in terminating the service of the workman is retrenchment and the management did not follow the rules 77 of the Industrial Disputes Central Rules and did not display the name of the workman in the category of the workman in accordance with their seniority. Further the case of the workman is that the management committed an unfair labour practice by keeping on tenterhooks without absorbing him as permanent. Further the case of the workman is that he was working against a permanent post in Milki Branch of the Bank since 26-2-1994.

3. Management of Bihar Kshetriya Gramin Bank, Munger have filed their written statement. Their case is that Bihar Kshetriya Gramin Bank Munger (herinafter referred to as Bank) has been created under Regional Rural Bank Act, 1976 with 50% share belonging to the Central

Government 15% share belonging to the State Government 15% and 35% share belonging to the Sponsoring Bank. The Bank is guided by the Circular of the Government of India, Reserve Bank of India and NABARD. Bank is state within the meaning of Article 12 of Constitution of India and as such the appointment and the employment in the Bank against rule and regulation and article 14 and 16 of the Constitution of India is nullity and any person appointed without following rules and regulations will not be protected under the provisions of Industrial Dispute Act so much so under Sec. 25-F of the Industrial Dispute Act. The appointment of any employee without advertisement or without calling names from Employment Exchange without following procedure for appointment and without adhering to rule of reservation is nullity and are treated as back door employment and will not give any right to such employee under law. Ministry of Finance Department of banking issued a circular vide D.O.No. F.O. 27/75-80 26th November, 1975, whereby and whereunder decided the class and strength of Officer and Employee to be appointed by Regional Rural Bank viz., Branch Manager, Field Officer/Accountant, Clerk, Junior Clerk and this circular also provides for their emoluments. This circular specifically says that no peon or his equivalent by any designation would be employed by Regional Rural Bank. Services of these who are reported to have been appointed already may be dispensed with immediately.

4. Bhagalpur Banks Kshetriya Gramin Bank was amalgamated with Bihar Kshetriya Gramin Bank, Branch Managers of Kshetriya Gramin Bank beyond needs and against the rules and regulation had employed number of persons in each Branch on daily wages. They were engaged on daily wages without any advertisement, without calling the name from the Employment Exchange and without following the rule and regulation of employment in violation of article 14 and 16 of Constitution of India. Service regulation made by Bihar Kshetriya Gramin Bank is not applicable to any person engaged temporarily on daily wages and as much they are not treated as employees of the Bank. Having considered the problem of part time messenger-cum-sweeper employed by Kshetriya Gramin Bank all over India. NABARD issue a circular to treat as regular employee of R.R.B. all such messenger-cum-sweeper who were in service as on 22-2-1991 and who have completed 240 days of continues service. It was one time regularisation. It is the case of the Bank that in a Branch were there was already full time messenger any person engaged after 22-2-1991 as sweeper or on any other designation on daily wages was against the circular of the Central Government as well as the NABARD and all engagement of those class of persons are illegal, nullity and such person is not entitled to protection u/s 25-F of Industrial Dispute Act. With the general pleadings as aforesaid, it has been specifically pleaded that the workman concerned in this reference was engaged on daily wages without following the rules of appointment, without advertisement, without calling the

names from the Employment Exchange, without following process of selection and without following rules of reservation. The workman was not given any appointment letter and it was verbal engagement on part time basis. Further the case of the Bank is that the workman Balmukund Pandey was not member of the Union. Therefore Bihar Provincial Gramin Bank Employees Association has no right to represent the workman in this case. In reply to specific pleading of the statement of claim regarding employment of the workman and his working continuously since 26-2-1994, there is no specific denial. However it is denied that the workman was paid on enhanced rate of Rs. 42.30. It has been repeatedly said in the pleading of the Bank that Sec. 25-F of the Industrial Dispute Act is not applicable in this case and the workman is not entitled to any relief.

5. On the basis of terms of reference and pleadings of the parties following questions are required to be decided in this reference.

- (i) Whether workman Balmukund Pandey has prove that he worked for 240 days or more continuously within 12 months immediately preceding termination of his service ?
- (ii) Whether the action of the management in terminating the services of Shri Balmukund Pandey without complying with Section 25-F of Industrial Dispute Act is legal and justified ?
- (iii) Whether the action of the management in not maintaining status quo as per Sec. 33 of the Industrial Disputes Act is legal and justified ?
- (iv) Whether the action of the management in not regularising and reinstating and not giving Balmukund Pandey permanent status on a regular post of messenger-cum-sweeper is legal and justified ?
- (v) To what relief Balmukund Pandey is entitled to ?

6. Question (i) : The case of the workman is that he was appointed/engaged w.e.f. 26-2-94. He has put in a total number of 2518 days of services. He had completed more than 240 days of continuous service in each year particularly within 12 months immediately preceding his termination from 16-9-2006. This claim of the workman has not been denied specifically by the Bank in written statement. Rather the witness examined on behalf of the Bank M.W.I Sri Anil Kumar, who is a Senior Manager (Personnel) of Bihar Kshetriya Gramin Bank Munger stated in his cross examination (paragraph 23) that the workman worked in the Bank since 1994 to 2006. He was removed from work in September, 2006. No notice was given to the workman before removal. No pay in lieu of notice was

given to workman and no compensation was given to the workman. This statement by a Senior Manager of Personnel Department of the Bank in the witness Box is can this admission of the case of the workman that he worked in the Bank from 1994 to 2006 and he was removed/terminated without any notice and compensation. Besides this admission by the management the workman examined as W.W.I has also stated that he worked from 26-2-1994 to 15-9-2006 continuously for 2518 days and within 12 months preceding the date of his termination he had completed 240 days of continuous service. He has produced documentary evidence also. Most clinching evidence is Ext. W/5 which is certificate granted by the Branch Manager of Milki Branch of Bihar Kshetriya Gramin Bank in which it has been stated that since October, 2005 to September, 2006 workman Balmukund Pandey worked on 279 days. In this certificate break up of number of days on which workman worked and amount paid to him for each month falling within the said period has been given. Thus there is admission by the management as well as evidence adduced by the workman that he worked for more than 240 days within 12 months immediately precedings termination on of his services. Therefore accordingly this is my finding also.

7. Question No. (ii): The main defence put forward by the Bank is that Bihar Kshetriya Gramin Bank, Munger has been created under the Regional Rural Bank Act, 1976. It is guided by the direction and circulars issued by the Central Govt. Reserve Bank of India/NABARD. The workman was earlier illegally engaged by local Management of a Branch of Bhagalpur-Banka Kshetriya Gramin Bank without advertising the vacancy, without calling for the names from the Employment Exchange and without following any procedure of appointment. Later on Bhagalpur-Banka Kshetriya Bank Gramin Bank merged with Bihar Kshetriya Gramin Bank. In 1991 by a circular part-time messenger-cum-sweeper who has completed 240 days of continuous service were ordered to be treated as regular employee of R.R.Bs. In the same circular there was complete ban on further employment of part-time or full-time sweeper or messenger. The workman was engaged on 26-2-1994 and as stated above without any notification of vacancy, without any advertisement, without calling for names from Employment Exchange and without following any procedure. Such an employment is illegal and the person appointed hence legal right. His engagement was nullity and he will not get the protection of Sec.25-F of the Industrial Disputes Act, 1947. The learned Counsel appearing on behalf of the management argued this aspect of the case vehemently. In this regard reliance was placed by the learned Council for the Management on Constitution Bench decision of Hon'ble Apex Court in Secretary, State of Karnataka Vs. Uma Devi and Others.

AIR-2006-SC-1806—“Unless the appointment is in terms of the relevant rules and after a proper competition among qualified persons, the same would not confer any right on the appointee. If it is a contractual appointment, the appointment comes to an end at the end of the contract, if it were an engagement or appointment on daily wages or casual basis, the same would come to an end when it is discontinued. Similarly, a temporary employee could not claim to be made permanent on the expiry of his terms of appointment. It has also to be clarified that merely because a temporary employee or a casual wage worker is continued for a time beyond the term of his appointment, he would not be entitled to be absorbed in regular service of such continuance, if the original appointment was not made by following a due process of selection as envisaged by the relevant rules. It is not open to the Court to prevent regular recruitment at the instance of temporary employees whose period of employment has come to an end or of ad hoc employee who by the very nature of their appointment, do not acquire any right. High Courts acting under Art. 226 of the Constitution of India, should not ordinarily issue directions for absorption, regularization, or permanent continuance unless the recruitment itself was made regularly and in terms of the constitutional scheme. Merely, because, an employee had continued under cover of an order of Court, which is described as litigious employment, he would not be entitled to any right to be absorbed or made permanent in the service. In fact, in such cases, the High Court may not be justified in issuing interim directions, since, after all, if ultimately the employee approaching it is found entitled to relief. It may be possible for it to mould the relief in such a manner that ultimately no prejudice will be caused to him, whereas an interim

direction to continue his employment would hold up the regular procedure for selection or impose on the State the burden of paying an employee who is really not required. The Courts must be careful in ensuring that they do not interfere unduly with the economic arrangement of its affairs by the State or its instrumentalities or lend themselves the instrument facilitate the bypassing of the constitutional and statutory mandates.”

7. The learned Counsel appearing on behalf of the workman argued that the case before the Hon'ble Apex Court in the matter of Uma Devi was not a case under Industrial Disputes Act. The case before the Hon'ble Apex Court was only limited on the question of regularisation. The Industrial Disputes Act has provisions for protection of interest of the workman and any retrenchment or termination of service without complying with the required provisions is illegal and the workman so retrenched or dismissed deserves relief of reinstatement with full back wages. The learned Counsel further argued that it is not that the workman in this case was engaged by the local manager without approval of the Head Office of the Bank. Exts. W, W/2, W/4, W/5, W/6, W/8, W/9, W/10 are copies of correspondence between Local Branch and Head Office i.e. Bhagalpur-Banka Kshetriya Gramin Bank as it then was regarding employment of the workman.

8. This is a case under Industrial Disputes Act admittedly the termination of service of the workman was based on a circular of NABARD requiring R. R. Bs. to discontinue with the services of persons engaged as sweeper or messenger on daily wages basis or on part-time basis. Admittedly no notice was given to the workman. No pay was given to the workman. No compensation was given to him. Non-compliance of provisions of Sec. 25-F of the Industrial Disputes Act is thus admitted. There is no dispute that provisions of Sec. 25-F of the Industrial Disputes Act were not complied with to which in my opinion the workman was entitled.

9. Question (iii) : The case of the workman is that having sensed the termination of his services on the basis of so called circular of NABARD he made a representation on 11-9-2006 to the Assistant Labour Commissioner (Central), Patna to intervene in the Industrial Dispute for amicable settlement of the matter. A. L. C., Patna issued notice to the Chairman of the Bank, fixing 15-9-2006 for conciliation. On 15-9-2006 parties appeared before A. L. C., Patna and representative of the management sought for an adjournment for a month. However incurr of proceeding the management's representative agreed to maintain status quo as per Sec. 33(1) of the Industrial

Disputes Act during the pendency of an Industrial Dispute. But the management terminated the services of the workman w.e.f. 16-9-2006.

10. The learned Counsel for the workman argued that when an Industrial Dispute was pending for conciliation before the Conciliation Officer. It was mandatory for the management to comply with the provisions of Sec. 33(1) and Sec. 33(2) of the Industrial Disputes Act. The management did not obtain the permission of the Conciliation Officer to terminate the services of the workman. The management did not even apply for such permission. The learned Counsel for the workman argued that the order of termination of service of the workman under such circumstances is nullity in eye of law and nonest. Under such circumstance the workman should be treated as in employment without any break of his services. In this regard the learned Counsel for the workman relied upon Jaipur, Zila Sahakari Bhumi Vikas Bank Ltd., Vs. Ram Gopal Sharma & Ors. wherein Hon'ble Apex Court held that proviso to Sec. 33(2)(b) are mandatory and its compliance is must to make an order of discharge or dismissal passed under Sec. 33(2)(b) operative. The proviso can not be diluted are dispensed by the employer. He can not disobey the mandatory provision and then say that the order or discharge or dismissal made in contravention of Sec. 33(2)(b) is not void or inoperative. The protection afforded to a workman under the said provision can not be taken away. It was held by the Hon'ble Apex Court.

"11. Where an application is made under Sec. 33(2)(b) proviso, the authority before which the proceeding is pending for approval of the action taken by the employer, has to examine whether the order of dismissal or discharge is bona fide; whether it was by way of victimization or unfair labour practice; whether the conditions contained in the proviso were complied with or not, etc. If the authority refuses to grant approval obviously it follows that the employee continues to be in service as if the order of discharge or dismissal had never been passed. The order of dismissal or discharge passed invoking Sec. 33(2)(b) dismissing or discharging an employee brings an end of relationship of the employer and employee from the date of the dismissal or discharge but that order remains incomplete and inchoate as it is subject to approval of the authority under the said provision. In other words, this relationship comes to an end de jure only when the authority grants approval. If approval is not given, nothing more is required to be done by the employer, as it will have to be deemed that the order of discharge or dismissal had never been passed."

It was further held that....

"The view that when no application is made or the one made is withdrawn, there is no order of refusal of such application on merits and as such the order of dismissal or discharge does not become void or

inoperative unless set aside under Section 33-A, can not be accepted. Not making an application under Sec. 33(2)(b) seeking approval or withdrawing an application once made before any order is made thereon, is a clear case of contravention of the proviso to Sec. 33(2)(b)."

11. The learned Advocate appearing on behalf of the management argued that no Industrial Dispute was pending for conciliation before Asstt. Labour Commissioner (Central), Patna on the date of dismissal or termination of service of the workman. Since there was no Industrial Dispute pending for conciliation on there is no question of application of Sec. 33 or proviso to Sec. 33(2)(b) of the Industrial Disputes Act. The learned Counsel argued that the workman apprehending termination his services filed a petition before Asstt. Labour Commissioner (Central), Patna. But it was not an Industrial Dispute. The Industrial Dispute was not espoused on that date by the Union or substantial number of workmen or workmen as class.

12. In order to appreciate the aforesaid argument by the parties it is necessary to have a look on the provisions of Sec. 33 of the Industrial Dispute Act., which reads as follows :

33. "Conditions of service, etc., to remain unchanged under certain circumstances during pendency of proceedings :—

(1) During the pendency of any conciliation proceeding before a conciliation officer or a Board or of any proceeding before (an arbitrator or) a Labour Court or a Tribunal or National Tribunal in respect of an Industrial Dispute, no employer shall—

(a) In regard to any matter connected with the dispute, alter to the prejudice of the workman concerned in such dispute, the conditions of service applicable to them immediately before the commencement of such proceeding; or

(b) for any misconduct connected with the dispute, discharge or punish, whether by dismissal or otherwise, any workman concerned in such dispute.

Save with the express permission in writing of the authority before which the proceeding is pending.

(2) During the pendency of any such proceeding in respect of an industrial dispute, the employer may, in accordance with the standing orders applicable to a workman concerned in such dispute (or where there are no such standing orders, in accordance with the terms of the contract, whether express or implied, between him and the workman)—

- (a) alter, in regard to any matter not connected with the dispute, the conditions of service applicable to that workman immediately before the commencement of such proceeding; or
- (b) for any misconduct not connected with the dispute, discharge or punish, whether by dismissal or otherwise, that workman:

Provided that no such workman shall be discharged or dismissed, unless he has been paid wages for one month and an application has been made by the employer to the authority before which the proceeding is pending for approval of the action taken by the employer.

- (3) Notwithstanding anything contained in sub-section (2), no employer shall during the pendency of any such proceeding in respect of an industrial dispute, take any action against any protected workman concerned in such dispute—

- (a) by altering, to the prejudice of such protected workman, the conditions of service applicable to him immediately before the commencement of such proceeding; or
- (b) by discharging or punishing whether by dismissal or otherwise, such protected workman, save with the express permission in writing of the authority before which the proceeding is pending.

Explanation—For the purposes of this sub-section, a “protected workman”, in relation to an establishment, means a workman who, being (member of the executive or other office bearer”) of a registered trade union connected with the establishment, is recognised as such in accordance with rules made in this behalf.

- (4) In every establishment, the number of workmen to be recognised as protected workmen for the purposes of sub-section (3) shall be one percent of the total number of workmen employed therein subject to a minimum number of five protected workmen and a maximum number of one hundred protected workmen and for the aforesaid purpose, the appropriate Government may make rules providing for the distribution of such protected workmen among various trade union, if any, connected with the establishment and the manner in which the

workmen may be chosen and recognised as protected workmen.

- (5) Where an employer makes an application to a conciliation officer, Board, [an arbitration, a Labour Court Tribunal or National Tribunal under the proviso to sub-section(2) for approval of the action taken by him, the authority concerned shall, without delay, here such application and pass (within a period of three months from the date of receipt of such application), such order in relation thereto as it deems fit]:

(Provided that where any such authority considers it necessary or expedient so to do, it may, for reasons to be recorded in writing extend such period by such further period as it may think fit :

Provided further that no proceedings before any such authority shall lapse merely on the ground that my period specified in this sub-section had expired without such proceedings being completed”).

It appears from plain reading of Sec. 33 that pendency of any conciliation proceeding or other proceeding with respect to an industrial dispute is condition precedent for application of that Section. The Section starts with the word “during the pendency of any conciliation proceeding.....in respect of any industrial dispute”. The provisions u/s. 33 become applicable only when a conciliation proceeding or any proceeding referred to in that Section is pending before any authority mentioned therein with respect is an “industrial dispute”. Pendency of an industrial dispute is “sins quo non” for enforcing the Bar u/s. 33 of the Industrial Disputes Act.

13. Now let us examine whether any industrial dispute was pending on the date of termination of service of the workman. The case of the workman is that he apprehending the termination of his service in the light of or on the basis of Circular of NABARD filed a petition before Asstt. Labour Commissioner (Central), Patna who issued notice to the management fixing 15-9-2006 a date for conciliation. But it was not any industrial dispute. It was not a dispute between Employer and Workman. It was a petition by an individual workman apprehending termination of his services. Therefore it was not an Industrial Dispute. “Industrial Dispute” has been defined in Section 2(k) of the Industrial Disputes Act—

“2(K) Industrial Dispute means any dispute or difference between employers and employers, between employers and workmen, or between workman and workmen, which is connected with the employment or non-employment or the terms of employment or with the condition of Labour of any person.”

It is clear from the plain reading of the definition of the terms "Industrial Dispute" that in the dispute workman are involved as a class. What imparts to the dispute of a workman the character of "Industrial Dispute" is that it effects the right of workmen as a class. In an Industrial Dispute at least on one side the disputant are a body of men acting collectively and not individually.

It was argued that it was an Industrial Dispute as envisaged in Section 2A of the Industrial Disputes Act which reads :

"2A. Dismissal, etc., of an individual workman to be deemed to be an Industrial Dispute.—

"Where" any employer discharges, dismisses, retrenches or otherwise terminates the services of an individual workman, any dispute or difference between that workman and his employer connected with or arising out of, such discharge, dismissal, retrenchment or termination shall be deemed to be an industrial dispute notwithstanding that no other workman nor any union of workmen is a party to the dispute."

It is obvious that industrial dispute as deemed u/s. 2A may arise only after discharge, dismissal, retrenchment or otherwise termination of services of an individual workman. Discharge, dismissal, retrenchment or otherwise termination of service is condition precedent to make an individual's dispute as a deemed industrial dispute u/s. 2A. Unless an individual workman is discharge, retrenched dismissal or otherwise terminated he can not raise an industrial dispute as u/s. 2A. This definition does not include "apprehended termination of service" as a ground to clean an individual dispute as industrial dispute.

In the case in hand, what was raised before ALC, Patna was a dispute of "apprehended termination of service". This kind of dispute raised by individual workman can not be an industrial dispute either u/s. 2(K) or 2A of the Industrial Disputes Act.

It was argued on behalf of workman that later on Union espoused the cause and took over the matter on 16-10-2006. Even if this argument is accepted then the industrial dispute starts from 16-10-2006, when the union took up the cause but not before that. Particularly the espousal of industrial dispute by Association or Union can not make the Industrial Dispute pending from back date or having retrospective effect. Therefore I am of the view that no industrial dispute was pending and no conciliation proceeding relating to that dispute was pending before Asstt. Labour Commissioner (Central) Patna on 15-9-2006 and as such the termination of services of the workman is not hit by Sec. 33 of the Industrial Disputes Act.

14. Question No. (iv) : The Learned Counsel for the workman argued that in the matter of regularisation of

service the workman in this case was discriminated against. In the light of a Circular of NABARD part-time-messenger-cum-sweeper or daily wage who had completed 240 days of continuous service on that date were treated as regular employee R.R.B. with effect from 22-2-1991. But the workman was not treated as regular employee. His request for regularisation of his service vide his letter Ext.W/1 and W/3 was never heard. It was not considered and no heted was paid. In this case the Circular to which the Learned Counsel for the workman made reference is of the year 1993. This was one time decision for one time regularisation. There was prohibition against future employment of daily wages in that circular. The workman was employed/engaged against that circular in the year 1994. He can not claim benefit of regularisation under that circular. Moreover the workman in this case is a daily wagger. He was not appointed against any post. He did not work on any post or against any post. Therefore there is no question of regularisation of his services.

15. Question No. (v) : I have already held that the workman in this case worked for more than 240 days within 12 months immediately proceeding the termination of his service. It is admitted case that he was not paid any compensation and Sec. 25-F of the Industrial Disputes Act was not complied with. Therefore termination of services of the workman in this case namely Bal Mukund Pandey is bad in the eye of law not legal and not justified. Now the question is to what relief he is entitled to. The Learned Counsel for the workman argued that when the termination of services of the workman is not legal and not justified for non compliance of Sec. 25-F of the Industrial Dispute Act, he is entitled to re-instatement with full back wages.

The Learned Counsel appearing on behalf of the management argued that even if the termination of services of the workman is found to be illegal re-instatement with back wages may not be appropriate relief and only monetary compensation will meet and ends of justice.

Recent trend of decisions of the Hon'ble Apex Court in such matters is in support of the argument advanced on behalf of the management. Reference to only one decision in which several other decisions of the Hon'ble Apex Court have been referred to will answer this question. In Senior Superintendent, Telegraph (Traffic) Bhopal Vs. Santosh Kumar Singh and others AIR-2010 SC 2140, it has been held.....

"In last few years it has been consistently held by this Court that relief by way of reinstatement with back wages is not automatic even if termination of an employee is found to be illegal or its in contravention of the prescribed procedure and that monetary compensation in lieu of reinstatement and back wages in cases of such nature may be appropriate, (See U. P. State Barassware Corpn. Ltd., & Anr. V. Uday Narain Pandey, (2006)

& Anr. (2008) 1 SCC 575 ; (AIR 2008 SC (Supp) 342:
2008 AIR SCW 223).

In a recent judgement authored by one of us. (R.M.
Lodha, J.) in the case of Jagbir Singh V. Haryana
State Agriculture Marketing Board and Anr.
9. (2009) 15 SCC 327; (AIR 2009 SC 3004; 2009 AIR
SCW 4824, the aforesaid decisions were noticed and
it was stated :

It is true that the earlier view of this Court articulated
in many decision reflected the legal position that if
the termination of an employee was found to be
illegal, the relief of reinstatement with full back wages
would ordinarily follow. However, in recent past,
there has been a shift in the legal position and in a
long line of cases, this Court has consistently taken
the view that relief by way of reinstatement with full
back wages is not automatic and may be wholly in
appropriate in a given fact situation even though
the termination of an employee is in contravention
of the prescribed procedure. Compensation instead
of reinstatement has been held to meet the ends of
justice.”

It would be, thus, seen that by a catena of decisions
in recent time, this Court has clearly laid down that
an order of retrenchment passed in violation of
Section 25-F although may be set aside but an award
of reinstatement should not, however, be
automatically passed. The award of reinstatement
with full back wages in a case where the workman
has completed 240 days of work in a year proceeding
the date of termination, particularly, daily wages has
not been found to be proper by this Court and instead
compensation has been awarded. This Court has
distinguished between a daily wager who does not
hold a post and a permanent employee.”

In this case workman Bal Mukund Pandey is a daily
wager. Having regard to the facts of this case and law
discussed above I am of the view that a compensation of
Rs. 75,000 (Rs. Seventy Five Thousand) only meet the ends
of justice and as such Bal Mukund Pandey is awarded a
compensation of Rs. 75,000 (Rs. Seventy Five Thousand)
only.

The management is directed to make the payment of
compensation to the workman, Bal Mukund Pandey within
the 30 days of publication of the Award.

16. And this is my Award.

AWARD

Suresh Kumar, an employee of M/s Checkmate Services (Pvt.) Ltd. (herein after referred to as the contractor), was deputed as gunman at the premises of H.D.F.C. Bank (herein after referred to as the Principal Employer). He was engaged on 13-11-2008 and worked till 26-9-09, the date when his services were dispensed with. Neither any notice was served nor any wages, in lieu thereof was paid to him. Retrenchment compensation was also not paid. He raised a dispute before the Conciliation Officer in that regard, but no settlement could arrive at. After expiry of a period of 45 days, he raised a dispute before this Tribunal on 7-3-2011, in view of the provisions of sub-section (2) of Section 2A of this Industrial Disputes Act, 1947 (in short the Act).

2. Proviso to sub-clause (ii) of clause (a) of Section 2 of the Act makes it clear that in case of a dispute between a contractor and the contract labour employed through the contractor, in an industrial establishment where such dispute first arose, the appropriate Government shall be the Central Government or the State Government, as the case may be, which has control over such industrial establishment, where the contract labour was employed. The Principal Employer is the aforesaid bank, which is a banking company within the meaning of clause (bb) of Section 2 of the Act, over which control is exercised by the Central Government. In view of these facts, the present dispute, which was filed by the claimant, without being referred for adjudication by the appropriate Government, was entertained under sub-section (2) of Section 2A of the Act, for articulation of the dispute.

3. Claim was demurred by the Contractor, pleading that it was a case of dismissal and not of retrenchment. Claimant left his place of duty on 26-9-2009 and never bothered to contact his employer. His services came to an end and a new guard was employed in his place. The Contractor suffered loss on account of irresponsible conduct of the claimant. His wages till August 2009 has already been paid. He was being paid minimum wages, as declared under law. All his emoluments stood paid. He has no claim against his employer and his claim is liable to be dismissed.

4. The Principal Employer opted not to file any written statement in the matter.

5. Following issues were settled, out of pleadings of the parties :

1. Whether the claimant was dismissed by the management for his misconduct?

2. Whether the claimant is entitled for relief of reinstatement? If yes, to what back wages, he is entitled?

3. Relief.

6. During the course of adjudication, parties reached a settlement. The Contractor offered to reinstate services of the claimant with effect from 24th June, 2011, with continuity of services and twenty percent of back wages for the period of interregnum, which offer was accepted by Shri Suresh Kumar. Accordingly, there remained no occasion for this Tribunal to proceed with the adjudication process. Statement made by the parties are reproduced in extenso :

"Statement Col.P.S.Sharma, General Manager, M/s. Checkmate Services (Pvt.) Ltd., 58/61, Vashisth Park, Sagar Pur, New Delhi on S.A. :—

I am General Manager, M/s. Checkmate Services (Pvt.) Ltd. and competent to settle the matter. M/s. Checkmate Services (Pvt.) Ltd. is ready to reinstate services of Shri Suresh Kumar with continuity and twenty percent back wages. The claimant shall abide by all service conditions as per appointment letter. He may join his duties with effect from 24th June, 2011".

"Statement of Shri Suresh Kumar S/o Shri Hari Ram, 52 years R/o P-63, Krishna Vihar, Delhi on S.A. :—

I have heard statement made by Col. P.S. Sharma and am in agreement to the facts stated therein. My claim may be decided in accordance with the facts stated by Col.Sharma".

7. In view of these facts, it is ordered that the Contractor shall reinstate services of Shri Suresh Kumar son of Shri Hari Ram, Gunman, with effect from 24th June 2011, with continuity of service and twenty percent of back wages for interregnum period, which wages would be counted keeping in view the minimum wages declared, at the relevant time. An award is, accordingly, passed. It be sent to the appropriate Government for publication.

AWARD

1. The Central Government by exercising the powers conferred by clause (d) of sub-section (1) and Sub section 2A of Section 10 of the Industrial Dispute Act, 1947 (14 of 1947) has referred this dispute vide order No. L-42011/18/2008-IR(DU) dated 9-7-2008 for adjudication on the following Schedule :

SCHEDULE

"Whether the demand of the ASI Daily Wages Employees Union for payment of non-PLB (Adhoc Bonus) to all 117 daily wages workers, as per Annexure, by the management of Archaeological Survey of India is legal and justified? If yes, to what relief the workmen are entitled to?"

2. After the first party filing claim statement and the second party filing its counter statement and the second

party leading its evidence by way of affidavit of Shri K.C. Chacko, Retd. Administrative Officer of Archaeological Survey of India, when the reference was at the stage of cross-examination of MW1, the learned advocate appearing for the first party filed a memo to the effect that during the pendency of this reference the payment of adhoc bonus to the first party workman having been effected by the second party No.2 in accordance with law this reference does not survive for consideration. In view of the memo filed by the learned advocate for the first party the demand of the first party workman being satisfied, the reference is liable for rejection for settlement outside the tribunal. Accordingly I pass the following Award.

AWARD

The reference is rejected in view of the settlement arrived at between the parties outside the tribunal.
